- 17.1.1 Notices of vacancies for permanent continuous, part-time and new positions shall be published for seven (7) calendar days. Availability and call-in lists are not positions.
 - 17.1.1.1 For additional work reflected on an availability list, the Employer will communicate (other than through a posting) interest in supplementing the list of employees on a specified availability list.
 - 17.1.1.2 Employees on availability lists will be required to update their personal availability on a periodic basis as specified for each list.
- 17.1.2 Seasonal position vacancies shall be posted prior to the beginning of each season. An eligibility list will be established from the initial posting and will be in effect for the purpose of filling seasonal vacancies which occur, after the normal recall process, during that season.
- 17.1.3 All temporary positions which provide an income advantage to permanent employees -- other than those temporary positions having a

duration of three (3) months or less -- shall be bulletined. The duration of the temporary position shall be stated in the bulletin. The Employer will notify the Union if any unposted position reaches three (3) months.

Employees in a posted temporary position may be extended beyond the initial term, without reposting for a period of up to two (2) years. Extensions beyond two (2) years are subject to written approval from the Union. When more than one (1) temporary generic position (same position, same job title, same work unit) exists and the Employer requires an extension to one or more of the temporary generic positions (same position, same job title, same work unit), the extensions will be offered to the employees currently holding the temporary positions on the basis of seniority.

Revised

- 17.1.4 When the Employer creates a new position and that position is posted temporary with the possibility of becoming a permanent position, if the Employer states on the posting "this position may become permanent", the Employer shall offer the incumbent the position without posting.
- 17.2 Consideration shall first be given to applications submitted by employees in C.U.P.E. Local No. 59, C.U.P.E. Local No. 859, and C.U.P.E. Local No. 47.
- 17.3 Seniority in accordance with Article 16.1 shall be the determining factor in selecting the successful applicant, provided the applicant possesses the required qualifications for the position vacancy. If the vacancy is not filled as a result of the above, further consideration shall be given to other employees in the bargaining unit.
 - 17.3.1 For the purpose of selecting a successful applicant to reside on a specified availability list, provided the applicant possesses the required qualifications for the work associated with that availability list, greatest flexibility to fill the required hours of work (as expressed in a personal availability schedule provided by the employee) will be the primary determining factor in selecting a successful candidate. In cases where personal availability is equal between two or more applicants and all applicants possess the required qualifications, seniority will be the determining factor.
- 17.4 When incumbents of senior positions give sufficient notice of intent to retire, such pending vacancy shall be bulletined three (3) months in advance of such retirement in order that the employee being promoted or transferred to the senior position may have sufficient training. An employee shall not receive an increase in pay during such training period.
- 17.5 Permanent employees temporarily promoted shall have all rights protected in their lower permanent position and continue to acquire and exercise seniority rights of

the permanent position.

17.6 When an employee is promoted, the Union shall be notified of Management's selection at the same time as the successful applicant is advised.

17.7 Should an employee be promoted from one position to another carrying a higher maximum wage, such promotion shall carry the wage of:

17.7.1 The minimum for the new position;

or

The wage at the time of promotion plus one (1) year's annual increment on the schedule for the new position; whichever shall be the greater.

17.7.2 An employee promoted during the period of renegotiation of a new Agreement, shall not revert to the minimum wage rate for the position due to any retroactivity of the Agreement.

17.7.3 Appointments to a bulletined position not filled by the promotion or transfer of a civic employee may be made at the next lower grade if a fully-qualified applicant is not available; such appointee to be automatically promoted on qualification.

17.7.4 In cases where higher qualifications than those held by serving employees are required for a promotional opportunity, consideration shall be given to a senior applicant who is in the process of acquiring the required qualification at the time the promotional opportunity arises.

17.7.5 An employee demoted whose pay rate prior to demotion is above the maximum established for the class into which the employee is demoting shall have that pay rate reduced to the maximum. Should the pay rate prior to demotion be below the maximum of the class into which the employee is demoting, the pay rate shall be adjusted to the nearest appropriate step in the new range.

17.8 All postings for C.U.P.E. Local No. 59 positions will state: "The City of Saskatoon is an Employment Equity employer."

17.9 Part-time Employees

Part-time employees may exercise seniority for vacant positions for which they have the necessary qualifications in the following manner:

17.9.1 If the employee has a minimum of three hundred and twenty-five (325) hours accumulated work time, the employee may exercise seniority for

temporary part-time, or permanent part-time positions (within the same job title, and within the same work unit only); or

17.9.2 If the employee has one thousand and forty (1040) hours or greater of accumulated work time, the employee may exercise seniority for any temporary or permanent position.

17.10 A permanent employee who is promoted, transferred or who voluntarily demotes to another position and is subsequently removed from that position as a result of a grievance settlement or arbitration award, shall have all rights protected in the employee's previous position. Other permanent employees displaced as a result of this placement shall have their rights protected also.

During the probationary period, the onus for establishing suitability for continuing employment shall lie totally with the employee. The wage for new employees at appointment shall not be less than the minimum of the range.

Revised 18.1.2 While on probation, an employee cannot exercise seniority to claim a **temporary** transfer or promotion.

New 18.1.3 **Employees promoted or transferred to another position of the same job title and within the same work unit, or an employee that is made permanent in their temporary position subject to Article 17.1.4, shall not be on probation unless their probation period for this job title in this work unit has not been completed. Should this probation period not be completed, the probation period, and time served towards that probation, shall be transferred to the new position.**

Renumbered 18.1.4 Each occasion of employment of three (3) or more months' duration shall contribute to the accumulation of six (6) months' work time required for permanency, subject to the continued availability of work and satisfactory performance of duties.

Renumbered 18.1.5 Seasonal employees shall be on probation for a period of one thousand and forty hours (1040) hours. The probationary period shall not extend beyond the third season.

18.2 Trial Period

Revised

If not considered capable within this period, or if they so request, the employee shall be returned to the position formerly held without loss of seniority. Under this clause, reversion at the request of employees shall be considered only once in a two (2) year period. Other individuals promoted or transferred as a consequence of an original promotion, transfer or voluntary demotion shall also be returned to their former positions.

Revised

18.2.2 Employees promoted or transferred to another position of the same job title and within the same work unit, **or an employee that is made permanent in their temporary position subject to Article 17.1.4**, shall not **serve a trial period** unless their **trial period** for this job title in this work unit has not been completed. Should this **trial period** not be completed, the time served towards that **trial period**, is transferred to the new position.

ARTICLE 19. LAYOFF AND RECALL

- 19.1 The principle of "last on, first off", according to seniority shall be applied whenever a reduction in staff becomes necessary. The Union shall be consulted whenever deviation from the principle "last on, first off" is considered necessary to the Employer in order to maintain the balance of efficiency of the work force.
- 19.2 For the purpose of layoff, recall and position abolition, except seasonal layoffs and recalls, seniority shall be defined in accordance with Article 16.1.
- 19.3 In the case of temporary layoffs other than seasonal layoffs, the Employer will make every effort to place laid off employees into vacant positions for which they are qualified, at the same or lower classification and/or pay grade.
- 19.4 In the case of position abolition, an employee who is in a posted position other than a temporary position, providing the employee possesses the required qualifications may elect one of the following:
- 19.4.1 To be placed in a vacant position without posting at the same annual salary level or lower annual salary level. Where deemed by the parties that exceptions are to be considered, the Employer and the Union will agree on exceptions in order to minimize disruptions.
- 19.4.2 To exercise "bumping" in order as follows:

First: within own classification and/or pay grade

1st - a temporary employee in a permanent position

2nd - a permanent employee on probation with the least seniority

3rd - a permanent employee with the least seniority, then the next with least seniority, and so on.

Second: within lower classification level(s) and pay grade(s), level by level

19.4.3 Upon mutual agreement between the parties the employee can be considered as on layoff and placed in a vacant temporary position until such time that Article 19.8 can be applied.

19.4.4 An employee may go on layoff and apply the provision of Article 19.8 as positions become vacant.

19.4.5 Notwithstanding Article 19.4, a part-time employee may apply the above procedure only in respect of other employees in posted part-time, or temporary positions.

19.4.6 Notwithstanding Article 19.4, a seasonal employee may apply the above procedure only in respect of other employees in posted seasonal and temporary positions.

Once options have been established, the employee will have seventy-two (72) hours to make an election.

19.5 An employee who is bumped shall immediately have access to the provisions of Article 19.4 as if the employee's position had been abolished.

19.6 If an employee is to be laid off or the position is to be abolished, the employee will be given as much written notice as possible and as required by law, but in no case less than one (1) month, with a copy to the Union. If notice is not given as required, employees will receive pay in lieu, prorated.

19.7 Employees who are placed in other positions as a result of the foregoing procedure will be placed in the new range at an incremental rate which is closest but not above their present rate.

19.8 When the Employer is engaging additional employees, the most senior permanent employees last laid off shall, if qualified, be the first to be recalled.

19.9 Should an employee not respond within fourteen (14) days after notification of recall to work, such employee shall be deemed to have terminated employment with the City.

- 19.10 In the case of an involuntary demotion, an employee may "bump" an employee of lesser seniority, at a lower level, providing the employee possesses the required qualifications for the lower position.

19.11 Seasonal Employees

- 19.11.1 Employees will be retained in order of seniority according to seniority lists provided they have the required qualifications for the work which is available. The Union shall be consulted whenever deviation from the above stated principles is considered necessary by the Employer. When special projects requiring specific skills are in progress during the fall layoff period, employees working on these projects shall not be laid off based on seniority if the project is to conclude within the very near future.

An employee who engages in other gainful employment (either within or without the Civic service) while drawing benefits from the Sick Bank shall not be eligible

to draw in total, from the other employment and the Sick Bank, a sum which exceeds that payable from the Sick Bank alone unless employee is participating in mandatory return to work to a maximum of one hundred percent (100%) of pre-disability salary. It is the employees' responsibility to apprise the City of the exact amount of other such earnings, and employee may be required to disclose Federal records of taxation for the previous calendar year.

11. Addictions

For illnesses documented as predicated by the working environment, the Sick Bank Committee may request the employee to submit one of the following:

- (i) as part of the informal process, a letter from the employee's Manager, Human Resources Generalist, or designate confirming that an issue or incident(s) has been identified and brought forward for resolution,

or

- (ii) as part of the formal process, a letter from the General Manager or designate of the employee's department, which confirms his or her receipt of a documented concern from the employee's Supervisor **and** Branch Manager of the employee's workplace issues,

or

- (iii) as part of the formal process, a letter from the Director of Human Resources confirming that the employee has formally filed an initial complaint under the Workplace Harassment Policy.

The purpose of the information requested by the Sick Bank Committee is solely to confirm participation in the City's Respectful Workplace and/or Workplace Harassment policies. It is in no way the intent of the Sick Bank Guidelines to require an employee to provide confidential information of the issue or complaint or parties involved.

Should it be found that the claimant is not making the required effort to address the workplace issues through the aforementioned policies, the Sick Bank Committee may, in its discretion, terminate the employee's benefits from the Sick Bank. Notwithstanding the foregoing, the ten (10) day waiting period will not be waived for reoccurrences.

13. a. Appeal Procedure

In the event of an adverse Committee decision on an individual's claim for benefits from the Sick Bank, the claimant may appeal the Committee's decision, either in person or, at the employee's option, have the appeal made to the Committee by an executive member of the Union concerned, on his behalf.

- Other specific exclusions as outlined.
- Where business requirements currently demand or if circumstances change in the future, employees participating in the rearranged work week will be placed on rotation schedules to facilitate continuance of service on all earned days off.
- Any changes to Part II of this Memorandum of Agreement shall be made by mutual agreement between the City and the Union.

- Eligible employees currently working a thirty-six and two thirds (36 2/3) hour work week will be required to work fourteen (14) days over a three (3) week period at seven (7) hours and fifty-one (51) minutes per day. After completing fourteen (14) work days at extended hours within the three (3) week block, employees will be eligible for an earned day off designated by the specific application of the rearranged work week to their particular department/section.
- Eligible employees currently working a forty (40) hour work week will be required to work fourteen (14) days over a three (3) week period at eight (8) hours and thirty-four (34) minutes per day. After completing fourteen (14) work days at extended hours within the three (3) week block, employees will be eligible for an earned day off as designated by the specific application of the rearranged work week to their particular department/section.
- Earned days off may not be banked except as provided for in Clause IV, Paragraph 2.

IV. OVERTIME PROVISIONS

Employees shall be paid overtime for time worked in excess of regular rearranged work hours. For example:

- Eligible employees currently on a thirty-six and two thirds (36 2/3) hour work week, eligible for overtime after working seven (7) hours and fifty-one (51) minutes in one day.

V. VACATION LEAVE

- No additional entitlement shall accrue for vacation leave taken coincident with an earned day off.
- Employees will continue to be eligible for vacation according to contract provisions, with the following conversion to account for changes as a result of the rearranged work week.

Leave Entitlement	No. of Days	Number of Hours	
		Current 36 2/3 hr. Employees	Current 40 Hr. employees
1 week	5 days	36 2/3	40
2 weeks	10 days	73 1/3	80
3 weeks	15 days	110	120
4 weeks	20 days	146 2/3	160
5 weeks	25 days	183 1/3	200
6 weeks	30 days	220	240

- Vacation leave will be calculated on the basis of the normal hours of work formerly required of each employee. Days off for vacation are therefore deleted from the calendar calculations in determining the number of additional days off an employee receives as a result of the rearranged work week. For example:

Employee Vacation Leave Entitlement (weeks)	Potential Earned Days Off Per Year
0	17.4
1	17.07
2	16.73
3	16.4
4	16.07
5	15.73
6	15.4

In other words, employees working under the rearranged work week will be required to work exactly the same number of hours annually as they did under the previous work schedule.

VI. SICK LEAVE

- No usage of sick leave credits (individual accumulation or sick bank application) shall be allowed on an earned day off.
- Sick leave usage on a regular work day shall be paid as per arranged work hours.

VII. STATUTORY HOLIDAYS

- If an employee's earned day off falls on a statutory holiday, the day off shall be rescheduled immediately prior to or following the holiday. If the employee works on the coincident statutory holiday, the employee shall be paid the premium rate (1 1/2 X) applicable for statutory holiday work and shall be allowed another day off in lieu, to be scheduled at the mutual satisfaction of the department manager and the employee.

VIII. PAID OR UNPAID LEAVE STATUTORY HOLIDAYS

- No pay in lieu or rescheduling of days shall be given to employees on paid or unpaid leave. An employee absent in either instance, shall be deemed to have forfeited the earned time off.

IX. PROMOTIONS AND TRANSFERS

- Employees who are promoted or transferred to a department/section whose schedule of earned days off differs from the schedule of earned days off of their former department/section, shall expend their earned day off or portion thereof on the last day prior to movement. The same procedure will apply when an employee is transferred or promoted to a department/section where the terms of the rearranged work week do not apply.
- If work requirements or other management concerns impedes this procedure, the earned day off or portion thereof will be taken by mutual agreement between the employee and the manager of the department/section to which the employee is moving. In any event, the earned day off or portion thereof will be scheduled within three (3) weeks of the formal date of transfer or promotion.

X. TRAINING AND STAFF DEVELOPMENT

- Where the scheduling of a training program conflicts with an employee's earned day off, such day off will be rescheduled or be paid as per a regular day's pay, subject to the employee's personal election.

XI. PAY PROCEDURE

- Upon termination, an employee shall be paid for actual hours worked during the last pay period. Any final adjustments regarding disposition of time owed to/by the City will be reconciled at that point in time.

XII. BUSINESS HOURS

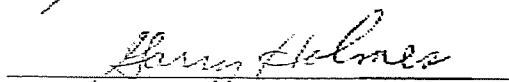

- The scheduling of rearranged work hours will accommodate in all respects the business hours of City Hall and other affected operations.
- The Saskatoon Police Service will follow these hours.

MEMORANDUM OF AGREEMENT
between
CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL NO. 59
(hereinafter referred to as the “Union”)
and
THE CITY OF SASKATOON
(hereinafter referred to as the “City”)

Re: CITY OF SASKATOON
DEFERRED SALARY LEAVE PLAN

The Deferred Salary Leave Plan (D.S.L.P.) is voluntary and subject to departmental approval and the conditions set forth in the D.S.L.P. The terms and conditions of the plan must comply with the requirements of the Income Tax Act and paragraph 6801(a) of the Income Tax Regulations.

1. What is the purpose of the plan?

To enable eligible Employees to defer a portion of their gross salary in order to pre-fund a mutually agreed upon period of leave from the City.

2. Who is eligible to join the plan?

Revised

The D.S.L.P. is available up to **June 30, 2023** to all permanent full-time CUPE Local 59 Employees who have a minimum of one year of continuous service in the bargaining unit and who are not currently serving a probationary period.

3. What are the enrollment procedures?

An Employee is required to complete an application form specifying the enrollment date, leave period commencement date, return date, and semi-monthly pay period deduction for each plan year. Following review and approval at the Department Head or Division level, payroll deductions are started.

4. How much salary can be deferred?

An Employee can defer anywhere from 10% to 30% of their annual gross salary in a given calendar year. The election to defer must be made prior to the beginning of each calendar year.

5. Are there any stipulations on the leave of absence period?

Yes, the tax regulations covering these plans, specify a minimum leave period of six months and the maximum leave period of twelve months. A further requirement is that the total deferral period and leave period combined cannot exceed six years from the Employee's commencement date under the plan.

6. Can the amount of salary deferral or the date for the leave of absence be changed?

Only one deferred salary election may be made for each tax year. The election must be completed prior to the beginning of the tax year to which it applies and cannot be changed or discontinued unless you terminate employment. The date of the leave period may be changed with the consent of the General Manager provided that the "six year rule" (i.e. combined deferral and leave period) is not exceeded.

7. What is the tax status of deferred salary amounts?

The amount of salary which has been deferred will not be included in the Employee's income in the year in which it is earned but will be included for the period of the leave during which time all deferred amounts must be paid to the Employee.

8. Will interest be paid during the deferral period on amounts deferred?

After careful consideration of the tax and other implications of paying interest, it was determined that no interest would be paid. However, it was agreed that the Employer's share of all contributions towards maintaining group life, dental and pension coverage at pre-leave levels would be paid during the period of leave of absence. The Employee's share of such contributions would be deducted in the normal fashion from deferred salary paid during the leave period. This arrangement is covered by the tax regulations and does not constitute a tax benefit whereas any interest paid is taxable in the year it is earned.

9. What happens if an Employee cannot complete the deferral and leave period?

If an Employee terminates employment prior to the completion of the D.S.L.P., the entire amount of his or her deferred salary must be refunded in the tax year termination occurs. An Employee may also discontinue participation in the plan due to financial hardship or other exceptional circumstances in which case all amounts previously deferred must be refunded immediately. Under either circumstance, refunds are fully taxable in the year paid.

10. What happens in the event of death or prolonged disability?

If death occurs during the deferral period, a lump sum refund of amounts previously deferred is paid to the Employee's estate or named beneficiary. Depending upon the severity and likelihood of recovery, a prolonged period of disability during the deferral period will result in either a suspension of deductions or a payout of amounts previously deferred.

11. Are there any restrictions during the leave period?

An Employee may use the approved leave period for any purpose with the exception of any involvement with the City for remuneration. Following completion of the leave the Employee must resume employment with the City for a minimum period of time equal to the leave in order to retain favourable tax status of deferred salary amounts.

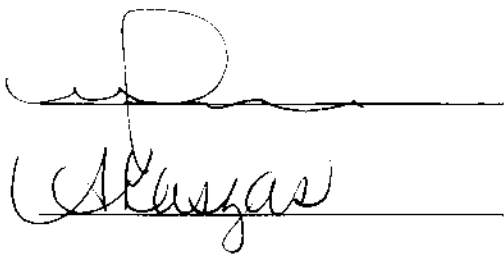

12. What about Employee benefits during the deferral and leave period?

The intent is to maintain all Employee benefits pre-salary deferral levels during the deferral and leave period. The notable exceptions are Canada Pension Plan and Employment Insurance which stipulate that contributions and benefits must be based on the actual earnings received by the Employee. Vacation accruals and service credits will be suspended during the leave period only and no coverage for Workers' Compensation would be available from the City. As previously stated, the City will continue to pay its share of benefit costs during the leave period.

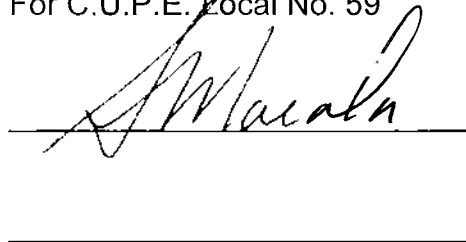

Revised Employees will be eligible to make application to the Deferred Salary Leave Plan from the date of City Council ratification to **June 30, 2023**. The parties agree this Memorandum of Agreement will end **June 30, 2023**.

Signed this 9th day of September, 2020.

TERMS OF REFERENCE
For the Joint Job Evaluation Plan
Of
The City of Saskatoon
And
The Canadian Union of Public Employees (CUPE) Local No. 59

1. POLICY FRAMEWORK

The City of Saskatoon and The Canadian Union of Public Employees Local No. 59 (The Parties) are committed to equity, fairness and an investment in employees. This guideline document provides an overall policy framework to achieve equal pay for work of equal value. The objective of this process is to achieve internal equity through a method that is pay equity compliant.

The Parties are committed to ensuring equity in compensation practices. The commitment is based on the principles of equal pay for work of equal value, fiscal responsibility and joint decision-making through collective bargaining.

The Parties are committed to achieving internal equity and pay equity through collective bargaining, and within the following framework:

- That a process for implementation include:
 - A joint gender-neutral job evaluation plan consistent with the principles of equal pay for work of equal value
 - A joint employer-employee representative committee
 - Separate funding for salary adjustments resulting from implementation of job evaluation as per Article 20.4.2 of the Collective Agreement ratified July 10, 2001.
 - There shall be no loss or reduction of employment as a result of this job evaluation process
 - The Employer will provide required consultant services at no cost to the plan
 - When the job evaluation plan is complete, salary adjustments will be implemented as per the Union Committee's instructions.
 - The Parties shall ensure the integrity of the process by maintaining confidentiality during and after the project.

2. GOALS

The goals of the joint, gender-neutral job evaluation process are as follows:

- a. To rectify any potential inequities based on the principle of equal pay for work of equal value as it applies to the jobs within CUPE Local 59 (Internal Equity).
- b. To ensure that any outcomes of an equal pay for work of equal value compensation structure are maintained.
- c. To establish the essential components of a process for implementation.
- d. To establish a joint job evaluation maintenance process.
- e. To revise job descriptions, as required through this process.

3. EQUAL VALUE OBJECTIVES

Gender-neutral Job Evaluation impacting CUPE Local 59 positions within the City of Saskatoon will be conducted on the basis of equal pay for work of equal value principles that shall be consistent with the objective of achieving internal equity.

- a. **“Equal pay for work of equal value”** is a principle whereby jobs which are of the same value should be paid the same, even if those jobs are much different from one another. All jobs in an organization are measured against a common set of criteria to identify their relative worth in the organization. The criteria are as follows: skill, effort, responsibility and working conditions. Jobs, which are deemed of equal or comparable value, shall be paid the same rates of pay, regardless of job title.

“Equal pay for work of equal value” is deemed to be achieved when the employer adjusts its compensation practices so that all employees are assigned to a schedule of pay with the same maximum hourly rate of pay as other employees performing work of equal or comparable value.

- b. **“Internal Equity”** applies the principle of equal pay for work of equal value to all jobs (both male and female jobs) within CUPE Local 59 positions. Once the principle of equal pay for work of equal value has been applied to CUPE Local 59’s compensation structure, all jobs are paid fairly as compared one to another, thereby achieving the goal of internal equity.

Regression analysis will serve as a tool to commence the process to determine the appropriate value of the jobs.

4. TIMELINES FOR IMPLEMENTATION

The Parties undertake to complete each stage of implementation in good faith, on the basis of fair and reasonable timeliness. The need to create a properly developed and comprehensive plan of job evaluation that addresses both the immediate and long-term needs of the Parties is paramount.

- The Parties agree that January 2, 2004 is the target date to commence phasing in the new wage rates.
- Each incremental rate increase as a result of Job Evaluation will be implemented on January 2 of each subsequent year.
- It is the intention of the Parties to complete implementation of the new wage rates within a maximum of ten years from January 2, 2002.

5. COMMITTEES

The Union Committee members and any alternates appointed by the Union shall be granted leave with pay and without loss of seniority for periods of time spent working on the Committees. These members shall continue to have all rights and privileges of the Collective Agreement including access to the grievance procedure, promotional opportunities and salary increments to which the employee would normally be entitled, including any increase that may occur as a result of an evaluation of their present positions.

Either party to the agreement may engage consultants to assist its representatives of the Committees. Any such consultant shall be entitled to voice but not to vote and shall not be considered to be a member of the Committee.

The Committees will include representation from a cross-section of job classes and will be gender balanced to the extent possible. The Employer will appoint employer representatives. The Union will appoint Union representatives.

To ensure consistency in implementing equal pay for work of equal value principles, membership on the job evaluation committee shall not vary, wherever reasonably possible and practical. But if a member leaves the committee for any reason, the respective party shall appoint an appropriate replacement member. Members of joint job evaluation committees shall be consistent wherever possible with minimal use of alternates, but shall not be unduly restrictive.

The committees are the Job Evaluation Steering Committee and Job Evaluation Committee.

6. JOB EVALUATION STEERING COMMITTEE (JESC)

- a. The Job Evaluation Steering Committee shall oversee the development and implementation of the Job Evaluation Program. The JESC will undertake the following roles including:

- f. The JESC will reach a unanimous agreement on any policy or overall matter relating to the development and implementation of the plan.

7. JOB EVALUATION COMMITTEE (JEC)

- b. The JEC will consist of three representatives from each party.
- c. Each party shall nominate one alternate who shall have the right to vote on issues with the JEC only when officially replacing an absent committee member.
- d. The JEC shall meet as necessary at a mutually agreed upon time and place. For the purpose of conducting business, a quorum will be a minimum of two Employer representatives and two Union representatives.
- e. The JEC will record rating results and rationale for all decisions and maintain recorded documentation for future reference.
- f. The decisions of the JEC will be unanimous. Should the JEC fail to reach unanimity, it will request the assistance of a mutually agreed upon facilitator in order to reach a decision. The facilitator will be cost-shared between the Parties. Should the JEC still fail to reach a unanimous decision, the process shall be abandoned.
- g. Decisions of the JEC shall be final and binding upon the Parties.

8. ADMINISTRATIVE SUPPORT SERVICES

The Employer will provide administrative support services to the Committees. The person(s) performing these functions shall not be a member of the Committees. These services shall be under the direction of the Co-chairpersons and shall include:

The administrative support person will have no voice or decision-making role.

9. JOB EVALUATION PROCEDURES

The following general procedures shall be used to evaluate jobs:

- a. All incumbents shall complete the job summary form and the job evaluation questionnaire. A copy of the job data will be forwarded to the General Managers for distribution to the appropriate out-of-scope supervisor. The out-of-scope supervisor's comments will be documented and included as part of the job evaluation questionnaire. The supervisor may not unilaterally alter any of the incumbent's responses. The completed questionnaire shall be submitted to the JEC.
- b. Where further information is required, the JEC will determine how the information should be obtained. Additional information shall be gathered in such a manner as to minimize any disruption to the workplace.
- c. The JEC shall rate the position using all the information gathered. The plan evaluates at minimum, skill, effort, responsibility and working conditions. Each factor is divided into sub-factors to provide a standard against which each job is evaluated to determine its relative worth.

10. JOB RATINGS SERVE TO:

- a. Group jobs having relatively similar point values (commonly referred to as banding).
- b. Provide a basis upon which wage rate relationships between jobs are established.
- c. Measure changes in job content.

11. APPLICATION OF THE JOB EVALUATION PLAN

The following general rules shall apply:

- a. It is job content and not incumbent performance that is being evaluated;
- b. Jobs are evaluated without regard to existing wage rates;
- c. Jobs are placed at an appropriate degree level in each sub-factor by comparing the specific requirements of the job to the sub-factor definition and the description of each degree level; No interpolation of degrees (i.e. midpoints) is permitted;
- d. The job analysis and rating of each job shall be relative to and consistent with the job evaluation questionnaire responses and rating of all other jobs under the plan;
- e. Ratings shall include 'sore-thumb' for consistency;
- f. The sub-factors must have an impact on all jobs being evaluated;
- g. Committee members shall not evaluate their own job, the position of a direct subordinate, or any position where the rating of that job may place them in a conflict of interest situation.

12. APPEALS PROCESS

- a. Only employees or groups of employees who have completed a questionnaire will be eligible to appeal the decisions of the JEC.
- b. The incumbent may, within 30 calendar days of receiving the evaluation results, request reconsideration using the appropriate form. New supporting evidence must be provided for the appeal to be heard. The request must be submitted to the JEC stating the reasons for disagreement with specific degree level(s), and providing examples. Positions under appeal shall be completely open to review within the terms of the Job Evaluation Plan.
- c. If an employee had been part of a group that submitted a joint JEQ, the rating decision is binding on all positions represented. Any appeal of such a rating will require a simple majority of all the employees who signed the original JEQ.
- d. Employees cannot appeal the salary schedule or placement in the salary schedule. They cannot request a review of another job that might have rated higher even if they believe that to be inappropriate.
- e. Appeals shall be made to the JEC. The JEC will verify the information received and, where further information is required, will determine how the information should be obtained. Additional information shall be gathered in such a manner as to minimize any disruption to the workplace. The incumbent may request to make a presentation before the JEC. However, the JEC shall determine whether a presentation will be heard. In the case where the Committee is tied, the appellant will be allowed to proceed with the presentation.
- f. The decisions of the JEC will be unanimous. Should the JEC fail to reach unanimity, it will request the assistance of a mutually agreed upon facilitator in order to reach a decision. The facilitator will be cost-shared between the Parties. Should the JEC still fail to reach a unanimous decision, the process shall be abandoned.
- g. The JEC shall inform the incumbent and the manager of its decision using the appropriate form. Decisions shall be final and binding on all parties.

- h. Article 12 of the Collective Agreement (Grievance Procedure) does not apply to the Job Evaluations process.

13. PROCEDURES FOR EVALUATING CHANGED JOBS

Whenever the employer of the incumbent identifies that the duties, responsibilities or qualifications of the existing position have change:

- a. The incumbent or employer may request a job evaluation review by completing and submitting the appropriate form to the JEC.
- b. The JEC shall meet to rate each sub-factor, establish an appropriate evaluation and advise the incumbent and manager of the results of the re-evaluation using the appropriate form. The rating for the job shall determine the pay grade for the job.
- c. Where the incumbent disagrees with the JEC decisions, an appeal may be filed.
- d. No reviews of changes to jobs will be considered until six (6) months following the implementation of this plan.

14. PROCEDURES FOR EVALUATING NEW POSITIONS

When the employer established a new position of a nature not already classified, the following shall apply:

- a. The employer shall complete an interim job evaluation questionnaire.
- b. The JEC shall meet and establish a temporary pay grade for the job, based on the draft job evaluation questionnaire.
- c. The job shall be posted as "Under Review" and the appointee shall be paid the temporary grade.
- d. Twelve (12) months after appointment, the incumbent and manager shall complete a job evaluation questionnaire, which shall be submitted to the JEC. The JEC will evaluate the position as per the procedures outlined above. The pay grade shall be assigned to the position effective the date of the final JEC decision. In the event that the pay rate of the job decreases, as a result of the twelve-month review, the incumbent shall continue to receive general economic increases negotiated, for as long as they continue to hold that position, or for the first three years after the date of the final JEC decision, whichever occurs first.
