- 3. When an auxiliary employee accumulates 560 hours worked, they will attain ongoing status and their seniority date shall be established by crediting the employee one day seniority for each day worked to July 1, 1992.

4. In the event that two employees are hired on the same day, the higher combined date of birth (day and month) will be used to determine seniority.

(c) Accrual of Seniority

After completion of 455 hours of service, seniority shall accrue from the first hour of employment within the bargaining unit, and shall continue to accrue as follows:

(c) Layoff and Rehiring Procedures

1. Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, within ten (10) working days, the Employer, the Union and the employee identified for layoff shall together review all existing jobs, at the equivalent or lower classifications, and the Seniority List.

The laid-off employee shall then have the option of either leaving the University or displacing the most junior employee in the equivalent classification, provided the laid-off employee can meet the qualifications for the position within a three (3) month period. If there is no junior employee in the equivalent classification, or no suitable position, displacement may take place within the next lowest classification. This process may continue until a suitable position is found, or the parties mutually agree on an alternative. Employees displaced by this process will be identified for layoff.

An employee can be offered part-time or term positions or positions at other communities, but the employee is not required to accept these positions.

2. If, in exercising their bumping rights, an employee is unsatisfactory in their three (3) month trial period or there are extenuating circumstances that result in an unacceptable placement, the following may occur:
  - (i) the employee may bump again
  - (ii) the other staff affected from the prior bump can return to their former position or remain in their new job.

(d) Severance or Recall Option

An employee who opts under clause (c) to leave the University, will elect for either severance under clause (e) or recall under clause (f) by providing written notice to the Associate Vice President People and Culture or their designate before the expiry of the notice period.

(e) Severance

Severance pay shall be a lump sum payment equivalent to one (1) week of pay at the regular rate for the position last occupied, for every completed year of service, to a maximum of twelve (12) weeks' severance pay. By electing severance pay, an employee severs their relationship with the University, thereby forfeiting seniority and eligibility for recall. Severance pay will be paid to the employee within forty-eight (48) hours of the last shift worked.

(f) Recall

An employee with five or less years of seniority who opts for recall shall be eligible for recall for a period of one year following expiry of the notice period. Recall rights are extended by one (1) month for each completed year of service over five (5) to a maximum of twenty-four (24) months.

Recall will be in order of seniority, provided the employee possesses the present qualifications, abilities and skills, as determined by the University, to perform the functions of the vacant position.

An ongoing employee on layoff may elect to be recalled for vacant temporary positions. Employees on layoff who choose to accept temporary positions shall be recalled for an ongoing position if qualified and if they are senior in service amongst laid-off employees. Such recalls do not affect the recall provisions to an ongoing position. Ongoing employees on lay-off who elect recall for vacant temporary positions will get preference over temporary employees, provided they possess the requisite qualifications and skills.

If an ongoing vacancy occurs while an employee is on recall or is working the notice period, the posting provision is waived and the position will be offered to the most senior fully qualified ongoing employee among those on the recall list or those working the notice period. Where the position for which the employee is recalled is an ongoing position (full or part-time), the Employer will notify the employee first by telephone. If the Employer cannot reach the employee by telephone, a notice of recall will be sent by registered mail. It is up to the employee to maintain a current address with the Employer. Acceptance or rejection of the ongoing position must be received, in writing, by the Employer, within ten (10) working days of receipt of notification. Otherwise,

failure to respond within the time frame will result in the employee being severed from employment with the University.

Auxiliary employees who have accumulated 560 hours who are laid off will be recalled for vacant temporary positions in the order of seniority, provided they are capable of performing the work.

The Employer will pay the full premium of the medical plan for the first three (3) months of the recall period. The employee on recall may elect to continue their coverage for the remaining months at their own expense.

If the recall period has elapsed and the employee has not been recalled for an ongoing position, the employee will lose their seniority and their relationship with the Employer is severed.

(g) Employer Commitments

It is agreed that the institution will make every reasonable attempt to minimize the impact of funding shortfalls and reduction on the work force. Subject to budgetary constraints and the amount of funding available for labour adjustment costs; fairness, flexibility and employee choice will prevail in the implementation of labour force adjustment strategies as approved by the institution. It is incumbent upon the institution to communicate effectively with its employees and the Union as soon as the impact of any funding reduction or shortfall or profile change has been assessed.

If a workload reduction is necessary, the Joint Labour Management or Joint Adjustment Committee will canvas employees in a targeted area or other areas over a fourteen (14) day period, or such longer time as the committee agrees, to find volunteer solutions that provide as many viable options as possible and minimize potential layoffs.

(h) Menu of Labour Adjustment Strategies

To minimize layoffs, the following menu of labour force adjustment strategies will be considered and whenever reasonably possible, offered by the institution at the appropriate time in the employee reduction process set out in the Collective Agreement.

- Job sharing
- Reduced hours of work through partial leaves
- Transfer to other areas within the bargaining unit subject to available work and meeting qualifications, with minimal training required
- Paid and unpaid leaves of absence for use to seek alternate employment, retirement adjustment, retraining, etc.
- Voluntary severance
- Purchasing past pensionable service. If permissible the Employer will match a minimum of three years contributions to the Municipal Pension Plan where an employee opts for early retirement.
- Early retirement incentives
- Agreed secondment
- Trial retirement
- Continuation of health and welfare benefits
- Combinations and variations of the above or other alternatives

(i) Layoffs May Occur

Once strategies other than layoff have been explored, the institution may proceed, if need be, to layoffs following the process provided for in Article 10 of this Agreement.

(j) No Stacking of Entitlements

While various options may be considered and offered, there will be no stacking of entitlements.

**ARTICLE 11: FILLING OF VACANT POSITIONS**

(a) Job Postings

When a position of four (4) months duration or longer in the bargaining unit is vacant or newly created, the Employer shall provide the Union President with a copy of the Job Posting and post notice of the position on the Employer's designated bulletin boards for a minimum of ten (10) working days in order that all members will know about the position and be able to make written application. The posting shall indicate that the position is open to all applicants and shall contain the following information: Nature of position, qualifications required, hours of work, rate of pay and posting period.

Where part-time employees' hours increase, to above 28 hours per week, the position will be posted.

Where an employee is working less than full-time and additional temporary hours of less than four (4) months duration in their position become available, the employee will be offered such hours.

Positions of employees whose hours have been reduced and are subsequently increased will not be posted.

An employee who is going to be absent from the workplace for an extensive period for any reason, may leave a written request to be considered for any vacancies within any department or job classification should they occur during the employee's absence.

A decision to fill or not to fill a position will be made within one month of the vacancy occurring. If the decision is made to fill a position, the appointment will be announced within one month of the close of the posting. Such announcements will be in the form of electronic mail. Employees will receive the new rate of pay at the time of filling the position or fifteen (15) working days from the date of their appointment, whichever first occurs.

Vacancies that are going to be filled will be posted within ten (10) working days of the decision to fill being made.

Auxiliary positions will be converted to ongoing positions subject to the following criteria:

1. The position is not that of an ongoing employee on leave.

2. The auxiliary position has been in existence for two (2) years (24 months) either filled or vacant.
3. The auxiliary position has provided a total of sixteen (16) months of employment during the twenty-four (24) month period at a minimum of sixteen (16) hours per week or greater.
4. At the time of conversion, the job must be in existence (either filled or vacant).
5. If the auxiliary position is declared redundant, it will not reappear for twenty-four (24) months.

**(b) Method of Making Appointments**

Both parties recognize that job opportunity should increase in proportion to length of service; therefore, appointments to positions within the bargaining unit shall be made based on the applicant's seniority, qualifications, abilities and skills to perform the functions of the position. The Employer shall give consideration to an employee who does not possess all of the required skills for a position, but who is currently involved in courses or training that will enable him/her to fulfill the requirements of the position.

Auxiliary and Student employees may submit an application. These applications will be considered after all ongoing employee applications and prior to consideration of external applicants.

After working an accumulated number of hours equivalent to the probation period or a lesser number of hours as per the Collective Agreement, Auxiliary employees shall have such hours of service, from the first date of their employment recognized for the purposes of applying as an internal applicant for a position. In the event the selection process requires a tiebreaker, the hours of service shall be the determining factor.

No external applicants shall be considered for a position within the bargaining unit until the applications of internal employees have been fully processed and the internal applicants have been issued a letter from the People and Culture Department.

Successful applicants shall be notified within five (5) working days of the completion of the selection process.

Grievances resulting from the application of this clause shall be filed in writing to the Employer within fifteen (15) working days of the notification of the Employer's decision.

(c) Trial Period

Any internal employee newly appointed to a continuing position within the bargaining unit shall work a three (3) month trial period. No later than ten (10) working days prior to the end of the trial period, the employee's supervisor will prepare a written performance evaluation which will state whether the employee has met the performance criteria necessary for the position. The supervisor shall at this time discuss the evaluation with the employee and provide the employee with a copy of the evaluation. The successful applicant shall receive the rate for the new position from the date they fill the new position or fifteen (15) work days from the date of their appointment, whichever first occurs.

(d) Result of Trial Period

If the evaluation carried out at the end of the trial period is satisfactory, the employee will continue in the position. If the evaluation is unsatisfactory, the following conditions shall apply:

1. Employees who were previously ongoing shall return to their previous positions.
2. Employees who were previously on the recall list shall return to the recall list where they left off.
3. Auxiliary employees will return to the auxiliary list.
4. After interviewing, the next senior qualified internal employee who applied for the original posting will be offered the position.

(e) Temporary Vacancies

Ongoing employees shall be entitled to post on temporary vacancies as follows:

Effective February 1, 2020, preference will be given to employees who can demonstrate that the temporary assignment supports career progression or skill development plan as outlined in their annual performance planning and development.

If there are two or more applicants (as above) Article 11(b) will apply.

For vacancies of four (4) months to one (1) year, one (1) ongoing employee will be entitled to fill the vacancy and return to their own ongoing position.

For vacancies of over one (1) year and up to two (2) years, two (2) ongoing employees will be entitled to fill the vacancies and return to their own ongoing positions.

Vacancies beyond those outlined above, in terms of length of time and numbers of employees, will be posted with the provision that employees applying for such vacancy will not have the right to return to their former ongoing position.

## ARTICLE 12: DISPUTE RESOLUTION

### (a) Grievance Defined

A grievance is a written complaint on the part of either party to this Agreement relating to the interpretation, application, operation, or alleged violation of this Agreement. Alleged discrimination or personal or sexual harassment will be considered as the basis of a grievance.

1. In order to provide an orderly procedure for the settling of grievances, the Employer recognizes a Grievance Committee whose duties shall be to process any grievances in accordance with the Grievance Procedure.
2. In order that the work of the Employer shall not be unreasonably interrupted, the Shop Steward or member of the Grievance Committee shall not leave their work without obtaining permission of their supervisor, which permission shall be given within an hour.
3. The Grievance Committee shall consider the complaints of employees which remain unresolved, as well as disputes involving a question of the general application and interpretation of this Agreement, and shall determine whether a grievance is to be filed.

### (b) Settling Grievances

Prior to initiating the formal grievance procedure, the parties recognize that an earnest effort shall be made to resolve the problem in the employee's department. It is understood that any resolutions arrived at during this informal stage are non-precedent setting and non-binding on the parties.

#### Step 1

The Grievor and the Union will within fifteen (15) days of the employee reasonably becoming aware of the grievable incident meet with the immediate supervisor in an attempt to resolve the grievance. A meeting will take place within five (5) working days of the head of the division or their designate receiving the notice and a decision in writing will be rendered by the head of the division within a further five (5) working days.

### Step 2

Failing a satisfactory settlement being reached at Step 1, the Union may submit the written grievance to the Associate Vice President People and Culture or their designate. A meeting will take place within five (5) working days of the written grievance being submitted. A decision will be rendered in writing by the Associate Vice President People and Culture or their designate within a further five (5) working days

### Step 3

Failing a satisfactory settlement being reached at Step 2, the Union may refer the dispute to Arbitration within 30 days.

#### (c) Policy Grievance

When a dispute involving a question of general application or interpretation occurs, or when a group of employees as indicated by the Union or the Employer has a grievance, Step 1 of this Article may be bypassed.

#### (d) Time Limits

The time limits fixed in both the Grievance and Arbitration Procedure may be extended by mutual written agreement.

## **ARTICLE 13: ARBITRATION**

(a) Prior to proceeding to arbitration, the parties may meet to explore, without prejudice, options for settlement. Options thereby identified must be acceptable to both the Union and the Employer.

#### (b) Composition of Board of Arbitration

When either party requests that a grievance be submitted to arbitration, the request shall be made in writing addressed to the other party of this Agreement. Each party shall notify the other party of name and address of its appointee to the Arbitration Board. Both parties may agree on a single Arbitrator. If two appointments are made, the Appointees shall jointly agree on a third member, who shall be Chairperson. Failing agreement on a Chairperson, the appointment shall be referred to the Labour Relations Board.

#### (c) Board Procedure

The Board may determine its own procedure, but shall give full opportunity to all parties to present evidence and make representations to it. It shall hear and determine the difference or allegation and render a decision within ten (10) days from

the time the Chairperson is appointed. The decision of the majority shall be the decision of the Board.

(d) Decisions of the Board

Should the Board of Arbitration find that an employee has been suspended or dismissed for other than just cause, the Board of Arbitration may direct the Employer to reinstate the employee and pay to the employee a sum equal to the wages or salary lost by such suspension or discharge, or such lesser sum as in the opinion of the Board is fair and reasonable, or make such other order as it considers fair and reasonable, provided always that any order the Board of Arbitration may make is made with due regard to the terms of this Agreement, and that any order relative to lost wages shall be less any wages or salary earned by an employee during a period of suspension or dismissal.

The decision of the Board of Arbitration shall be final and binding on all parties, but in no event shall the Board of Arbitration have the power to alter, modify, or amend this Agreement in any respect. Should the parties disagree as to the meaning of the decision, either party may apply to the Chairperson of the Board of Arbitration to reconvene the Board to clarify the decision, which it shall do within three (3) days.

(e) Expenses of the Board

Each party shall pay:

1. The fees and expenses of the arbitrator it appoints.
2. One-half the fees and expenses of the Chairperson.
3. The cost of its respective witnesses except, the Employer agrees to pay lost wages to the grievor and one witness, or, in the case of a policy grievance, two witnesses.

(f) The time limits fixed in both the Grievance and Arbitration Procedure may be extended by consent of the parties to this Agreement.

(g) Witnesses

At any stage of the Grievance or Arbitration Procedure, the parties may have the assistance of the employee concerned as witness and any other witnesses, and all reasonable arrangements will be made to permit the conferring parties or the arbitrator to have access to any part of the Employer's premises to view any working conditions which may be relevant to the settlement of the grievance.

**ARTICLE 14: DISCIPLINARY ACTION, SUSPENSION OR TERMINATION FOR CAUSE**

- (a) The Employer may discipline an employee for just and reasonable cause. Disciplinary action may take the form of:
1. the writing of a letter of reprimand.
  2. suspension from work for a period without pay.
  3. termination of employment without notice or severance pay.
- (b) Notice of disciplinary action shall be provided by the Employer to the employee and to the Union President within five (5) working days of the incident being brought to the attention of the Employer. In discussions between the Employer and employee concerning disciplinary action or when an employee believes the discussion could lead to disciplinary action, the Employer shall notify the employee of their right to have a Union Shop Steward present.
- (c) Written notice of disciplinary action shall be placed in an employee's personnel file. An employee has the right to examine their personnel file, and to possess a copy of all material therein. (b) Working Schedule

The Employer agrees, in consultation with the Union, to set forth the working schedule of each department. Notwithstanding any other provisions of this Agreement, those employees who of necessity regularly work on Saturdays and Sundays shall have as rest days two (2) other consecutive days of the week. In such event, Saturday and Sunday shall be considered working days and overtime rates shall not apply excepting for that time worked in excess of the normal.

(c) Minimum Hours

Except where otherwise provided in this Agreement, in the event of an employee starting work in any day and being sent home before they have completed four (4) hours, they shall be paid for four (4) hours. In the event that an employee reports for work but is sent home before commencing work they shall be paid for two (2) hours at regular rates.

(d) Break Periods

All employees working a full shift shall be permitted a fifteen (15) minute rest period on each of the first half and the second half of a shift. Employees working four (4) hours or less will be entitled to only one break period.

Employees working a shift of 5.5 hours or more shall be permitted a fifteen (15) minute rest period on each of the first half and second half of a shift.

Employees working a shift of less than 5.5 hours shall be permitted one fifteen (15) minute rest period. Those employees who work more than five (5) hours are entitled to an unpaid meal break of at least one-half (1/2) hour.

If an employee is asked and agrees to be available to work during a meal break, the meal break will be counted as time worked and the employee's schedule may be altered to encompass the lunch break.

(e) Change in Hours of Work

If hours of work are changed, the employee will receive three (3) working days' notice of such change. If three (3) working days' notice is not given, the employee will be paid overtime on the first shift of the change. No notice is required to revert back to normal hours.

(f) Compressed Work Week

The parties agree that, where operationally feasible, and by mutual agreement of the employees and their supervisor, the employees in a department may work a compressed work week. Employees may choose to continue working their regular posted hours.

It is understood by the parties that any issues regarding the compressed work week that are not addressed clearly or specifically here, or that may arise, will be subject to discussion and agreement between TRU and CUPE.

Generally:

1. Employees will work an additional thirty (30) minutes per day for each of the fourteen (14) days in a three (3) week period. The fifteenth (15<sup>th</sup>) day in the three (3) week period will be a day of rest and will be referred to as compressed time off or CTO.
2. There will be no overtime incurred in increasing the normal work day by thirty (30) minutes per day. Any additional time over the thirty (30) minutes per day will be as regular overtime.
3. By mutual agreement of the employee and the supervisor, the thirty (30) minutes per day may be made up by any or all of the following: starting before the regular hours of work; working longer than the regular hours of work; working a shorter lunch hour.
4. There will be no change in the calculation of any accruals; e.g., sick leave, vacation leave.
5. The CTO day shall normally be on a Monday or Friday within the three week period. Other days may be mutually agreed as a CTO day.
6. Employees who use sick leave, vacation or banked time during a three week period, may still take their scheduled CTO and make up the missed CTO hours from either the applicable sick, vacation or overtime banks.
7. For the three (3) Statutory Holidays between Christmas and New Year's, December 25<sup>th</sup> and 26<sup>th</sup> and January 1<sup>st</sup>, employees can work to make up additional CTO time, beyond ½ hour per day.

9. Departments may set "blackout periods" during which time CTO days will be suspended. CTO will resume after the "blackout period" is over.
10. The parties agree that where the compressed work week is implemented, in each case, it will be on a one-year trial basis, at which time the program will either be confirmed or cancelled.

11. The parties agree that the implementation of a compressed work week will not result in additional costs to the University and will not result in a diminution of services.
12. The parties agree that employees will be encouraged to utilize the day off to schedule medical, dental and other appointments.

(g) Flexitime

Flex time allows employees to vary their start and finish time while covering the core hours of a shift and working the requisite number of hours of work.

At an employee's request, and by mutual agreement, an employee will be allowed to establish a regular schedule by choosing their start and finish time, while ensuring the core hours established by the Department.

The flex time schedule will be subject to approval by the University. A copy of the flex time schedule will be copied to the Union.

Where such a schedule is established, it will be posted in the Department in accordance with Article 15 of the Collective Agreement.

If the employee vacates the position, and the position is posted, it will revert to the original hours of posting.

If a flex time schedule has been established and is proving to be unsatisfactory to either the employee or the department, the employee's flexitime schedule may be discontinued with one month's notice and the employee will revert to the original posted hours.

Any exception on a one-off basis shall not be affected and shall continue to be considered.

This variation of start and finish times shall not be utilized for the purpose of circumventing overtime.

It is understood by the parties that any issues regarding flex time that are not addressed clearly or specifically here, or may arise, will be subject to discussion and agreement between TRU and CUPE.

<b>Date</b>	<b>Wage Increase</b>
April 1, 2022	1. first \$0.25/hour 2. then 3.24%
April 1, 2023	by the annualized average of BC CPI over twelve months starting on March 1, 2022 to a minimum of 5.5% and a maximum of 6.75%, subject to the COLA MOU (see below)
April 1, 2024	by the annualized average of BC CPI over twelve months starting on March 1, 2023 to a minimum of 2.0% and a maximum of 3.0%, subject to the COLA MOU (see below)

**Memorandum of Understanding****Re: Cost of Living Adjustments (COLAs)**

The parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on April 1, 2023 and April 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in the Monetary Agreement of the collective agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. **LETTER OF UNDERSTANDING "A" – STANDBY PROVISIONS**

Letter of Understanding

Between

Thompson Rivers University (the Employer)

And

The Canadian Union of Public Employees, Local 4879 (the Union)

Without Prejudice or Precedent

**Re: Standby Provisions**

1. Where Employees are required to standby to be called for duty under conditions which will restrict their normal off-duty activities they shall be compensated for standby from the end of their regular shift to the beginning of their next shift.
2. An employee designated by the Employer for standby shall be available within an hour to report for duty during the period of standby. No standby payment shall be paid if an employee is unable to be contacted or to report for duty when required.
3. The Employer shall supply employees on standby with a pager or cell phone.
4. Standby schedules shall be posted a minimum two (2) weeks in advance.
5. Standby shall be shared equitably amongst those who normally perform the work and are willing to be on standby.
6. Standby coverage shall be distributed in a manner that recognizes the need to balance work and non-work related time off. All reasonable effort shall be made to ensure that no employee is on standby for more than 50% of the posted schedule in a calendar year:

Any exceptions due to extenuating circumstances shall be mutually approved by CUPE and the Employer.

7. Employees shall not be required to be on standby while on leave as per Articles 19, 20, 21, 22 and 33.
8. Employees shall be compensated at their regular hourly rate as follows:

- a) Regular and non-work days: A minimum of one (1) hours pay for first eight (8) hours or portion thereof and a half (0.5) hour pay for each addition four (4) hour or portion thereof.
  - b) Statutory holidays: Two (2) hours pay for first eight (8) hours or portion thereof and one (1) hour pay for each additional four (4) hours or portion thereof.
9. If an employee is called they shall be paid for the hours worked as per Article 16 (Overtime) in the Collective Agreement.
10. This Letter of Understanding will be reviewed in one year's time to ensure that the language is appropriate. Any required changes shall be mutually approved by CUPE and the Employer. During the one (1) year period TRU will provide copies of the schedules to CUPE.

**LETTER OF AGREEMENT "B" – UTILIZATION OF AUXILIARY EMPLOYEES**

The parties agree that the following will apply to the utilization of auxiliary employees:

The Employer agrees to make every reasonable effort to ensure that the use of long-term employees on an auxiliary basis will not supplant the establishing of ongoing positions.

**LETTER OF AGREEMENT "C" – STUDENT EMPLOYEE GUIDELINES**

It is recognized by TRU and the Union that the employment of students on the TRU Campus is beneficial to both students and the institution.

The following guidelines have been developed to ensure clear demarcation between the job responsibilities and contractual rights of student employees versus those of classified ongoing, auxiliary, employees and Co-operative Education students.

1. All student employees will be recruited and selected with reference to a position description which will be developed by their supervisor and shared with the employee, People and Culture Department and the Union.
2. Student employee position descriptions will concisely describe the limited responsibilities of the position in not more than one paragraph. Skills and qualifications required will be commensurate with the limited responsibilities of the position.
3. All student employee position descriptions will be reviewed by the People and Culture Department and passed on to a joint monitoring committee composed of one (1) Union and one (1) management representative, for joint approval. If the position has not been previously approved, then approval must take place no more than five (5) working days after introduction of the position. If the monitoring committee does not agree on the appropriateness of the work for student employment, the matter will be referred to a mutually agreed third party for a binding decision which will be rendered within ten (10) days of referral. This decision shall include retroactive pay, if applicable.
4. Student employees' work may be coordinated by designated Union staff, faculty or management.
5. Student employees will not train, schedule or coordinate other employees. Student employees will orient student employee colleagues and "job-shadow" classified employees experienced in performing the duties the student employee must develop proficiency for.
6. Student employees will not work more than twenty (20) hours weekly, except during periods of summer employment, in which case completion of the winter semester and admission to the following fall semester qualifies the student to be hired as a student employee.
7. (a) The hiring of student employees will not result in the reduction of regular hours or the displacement of existing auxiliary or ongoing staff. Furthermore, in determining the extent to which student employees would be engaged, the University will consider the degree to which regular or auxiliary employees may already be on layoff or on reduced hours at the time the student hiring is taking place.

- (b) The hiring of student employees will not preclude the hiring of auxiliary employees or the creation of ongoing support staff positions.
  - (c) At its sole discretion, TRU may incorporate work currently done through student employment into new ongoing or auxiliary positions.
8. Student employees will not be hired in a relief capacity if qualified auxiliary and ongoing staff are on layoff, reduced hours or on the recall list.
  9. Student employees will be paid at classified Union rates if they are working in a relief capacity. All placements will be done in consultation with the People and Culture Department.
  10. These guidelines will be implemented by June 1, 1995, and continue to May 31, 1996. They will be formally reviewed by December 1, 1995, and changes will be made, if necessary, by mutual agreement.
  11. These guidelines will not be raised by either party as an issue in the collective bargaining for renewal of the current Collective Agreement.
  12. People and Culture will post and coordinate all student employment on campus. The posting of student positions will adhere to the principles set forth in Article 11 (a) in the current Collective Agreement although the rigid requirements of that Article may be modified.  
Specifically:
    - (a) A roster of all student positions will be posted in the vicinity of the Student Services' Office for a period not less than ten (10) working days.
    - (b) Each division will post a list of student employee positions for period of not less than ten (10) working days.
    - (c) Information on student employee opportunities will be published in the *Omega*.
    - (d) The posting information will include sufficient specifics for each position so that the duties, responsibilities, qualifications and rates of pay are readily understood.
  13. Students are excluded from provisions of the following Articles in the Collective Agreement:
    - Article 9 Seniority
    - Article 10 Layoff, Severance and Recall
    - Article 11 (c) Trial Period
    - Article 11 (d) Result of Trial Period
    - Article 15 Hours of Work
    - Article 16 (a) Overtime Defined #2 and 3,
    - Article 16 (b) Overtime During Layoffs

**LETTER OF AGREEMENT "D" – LAYOFF OF ONGOING STATUS EMPLOYEES**

This letter of agreement provides full resolution to Grievance 99-01.

- (1) The parties agree that auxiliary employees shall accrue seniority by accumulative hours worked, rather than ten (10) months' continuous service as in Article 8(d). That is, once an employee accumulates 560 hours worked, they will attain ongoing status and their seniority date shall be established by crediting the employee one-day seniority for each day worked back to July 1, 1992.
- (2) Auxiliary employees and employees with ongoing status shall receive a letter of appointment with a start and end date for each assignment of less than four (4) months' duration, except in the case of sick leave relief when no end date shall be required. Employees shall pick up the appointment letter at the People and Culture Department at the commencement of each assignment.
- (3) The duration of the appointment, as set out in the appointment letter, shall not be reduced, or be extended.
- (4) No lay-off notice is required for auxiliary employees or employees with ongoing status except as provided in paragraph 5.
- (5) When an auxiliary employee or an employee with ongoing status accepts a temporary posted position of four (4) months or greater, and the Employer eliminates the position, or reduces the hours in the position, for bona fide operational reasons, the auxiliary employee or employee with ongoing status shall receive two (2) calendar months' written notice, or pay in lieu, consistent with the employee's current work schedule. This does not apply to posted sick leave relief positions.
- (6) Auxiliary employees may use their hours to apply for internal positions, as provided for in Article 11.
- (7) All affected auxiliary employees shall receive notification of their total accumulated hours by May 4, 2002. Auxiliary employees who have accumulated 560 hours will be granted ongoing status and be notified of their seniority date. The Union will be provided with copies of the notification by May 4, 2001.
- (8) This agreement does not affect ongoing full time or part time employees, as these employees shall continue to receive full lay-off notice as per the Collective Agreement, (i.e., one to four months' notice as applicable).

- (9) The parties agree to modify Article 8 (d) to reflect the provisions of this agreement.
- (10) Any disputes regarding the interpretation or application of this agreement shall be referred for binding resolution to Stephen Kelleher, Q.C.
- (11) This agreement supersedes and replaces the Letter of Agreement (Resolve to GR 97-12 (11 Day Break) dated September 29, 1998, and resolves GR 99-01 and any current claims related to auxiliary lay-off and notice.

**LETTER OF AGREEMENT "E" – FITNESS INSTRUCTOR**

**WITHOUT PREJUDICE**

The parties agree that employees hired in the position of Fitness Instructor will have a three-hour variance to the hours of work. That is, the minimum daily guaranteed hours of work shall be one (1) hour. Therefore, an employee reporting to work as an Fitness Instructor shall be paid accordingly for their time worked, with a minimum of one hour's pay.

This variance is without prejudice to hours of work for any other positions and applies only to the position of Fitness Instructor. All other positions will adhere to the four-hour minimum daily guarantee (excluding student positions).

All other provisions are as per the Collective Agreement.

**LETTER OF AGREEMENT "F" – JOB DESCRIPTION FORMAT**

This letter of agreement provides full resolution to grievance 98-03.

- (1) The format of CUPE job descriptions shall be modified as follows:
  - (a) Skills, knowledge, or abilities required by TRU will be stated under the heading "Skills, Knowledge or Abilities Related to the Job", and shall be ranked according to the established criteria in the Joint Job Evaluation Manual.
  - (b) An additional section headed "Working Conditions" will be added to all position descriptions.
- (2) TRU will determine the job content, duties, and qualifications of positions, subject to the Collective Agreement and the Job Evaluation Manual.
- (3) The parties agree that the currency of "related experience" may be an aspect of the Employer's considerations when making an appointment under Article 11 (b). The Union maintains the right to challenge the requirement of currency as a "related experience" factor as it may arise in a given situation.
- (4) The phrase "Other Duties Related to the Position" shall be removed from all position descriptions. The parties agree that every effort shall be made to itemize the job duties within the position description. However, it is agreed by the parties that the occasional performance of a minor task directly related to an employee's job function may occur.
- (5) The format of job descriptions will be modified to reflect the above changes as jobs are posted in future or changed as a result of an appeal or review.
- (6) It is understood that the above modifications to the job description format do not alter the selection process set out in Article 11 (b) of the Collective Agreement.
- (7) It is understood that no appeal or review of a job will occur solely as a result of changes made under this agreement.
- (8) CUPE and its members shall retain the right to access the dispute resolution mechanisms of the Collective Agreement and the Job Evaluation Manual.
- (9) This agreement shall not terminate on the expiry of the current Collective Agreement.

**LETTER OF AGREEMENT "G" – ASSIGNMENT OF AUXILIARY WORK**

Whereas the parties wish to fully and finally resolve Grievance #02-11 and without prejudice to either party's position concerning the interpretation of the Collective Agreement, the Parties agree as follows:

1. The Employer will continue to assign auxiliary work to any employees who work less than full-time year round and nothing in this agreement is intended to alter, amend or supersede any rights contained in the Collective Agreement.
2. Bargaining Unit employees as well as continuing to be eligible for additional hours in their own position, may, if they work less than full-time year round, place themselves on the auxiliary list (through written notification to People and Culture) for the purpose of obtaining additional auxiliary work in other positions as their seniority and qualifications provide.
3. The Employer must assign auxiliary work in blocks of four hours or more unless the assignment is for sick relief or is for other auxiliary work that does not exceed ten (10) consecutive working days in duration. In case of sick relief or auxiliary work not exceeding ten (10) consecutive working days, the Employer may assign block of less than four (4) hours of work subject to the conditions set out in paragraph 4.
4. In the case of blocks of less than four hours' work described in 3 above, it is understood that this work will be offered to senior qualified employees on the auxiliary list without regard to whether an employee has worked. The assignment will be made on the following basis:
  - a) If the employee has not been assigned to work on a day of the assignment, the employee will be paid a minimum of four hours for that day of the assignment.
  - b) If the employee has other assigned work on a day of the assignment, they may be assigned and paid for additional work of less than four hours for that day of the assignment. However, employees will be limited to one additional work assignment per day.
  - c) The Employer shall not be required to assign additional auxiliary work where that assignment results in overtime.
5. The parties agree that the Williams Lake Campus will be bound by this Letter of Agreement. However, it is understood that there may be exceptional circumstances where the assignment of less than four hours' work may exceed

ten (10) consecutive working days and extend to a maximum of twenty (20) consecutive working days. In the rare instance where the Employer feels it has exhausted all options, it will request the Union's agreement to extend the maximum twenty (20) consecutive days to a maximum of twenty-five (25) consecutive days. Union agreement will not be unreasonably withheld.
