Should a provision in Part A conflict with a provision in Part B, the provision in Part A, Central Term will apply.

C1.3 Parties

- a) The parties to the collective agreement are the school board or school Authority and the union.
- b) Central collective bargaining shall be conducted by the central employer and employee bargaining agencies representing the local parties.

All central letters of agreement/understanding appended to this agreement, or entered into after the execution of this agreement shall, unless otherwise stated therein, form part of the collective agreement, run concurrently with it, and have the same termination date as the agreement.

C3.3 Amendment of Terms

In accordance with Section 42 of the *School Boards Collective Bargaining Act, 2014*, the central terms of this agreement, excepting term, may be amended at any time during the life of the agreement upon mutual consent of the central parties and agreement of the Crown. It is understood the union will follow its internal approval process.

- b. Where the central parties have agreed to mediation, the cost shall be shared equally between the central parties.

On mutual agreement, the parties may add to or delete from the list during the term of the agreement, as required.
- d. The Parties shall select an arbitrator from the list to subject to their availability to hear the matter within eighteen (18) months, on a date convenient to the parties. - d) In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved between the Board and CUPE. If no resolution to the issue can be achieved, it shall be subject to the Central Dispute Resolution Process.

C5.5 Payment in Lieu of Benefits

- a) All employees not transferred to the Trust who received pay in lieu of benefits under a collective agreement in effect as of August 31, 2014, shall continue to receive the same benefit.

Permanent Employees returning from LTD or workplace insurance leave to resume their regular working hours must complete eleven (11) consecutive working days at their regular working hours to receive a new allocation of sick/short-term disability leave. If the Employee has a recurrence of the same illness or injury, s/he is required to apply to reopen the previous LTD or WSIB claim, as applicable.

The Local union and Local school board agree to continue to cooperate in the implementation and administration of early intervention and safe return to work processes as a component of the Short-Term Leave and Long Term Disability Plans.

In the event the Employee exhausts his/her sick/short-term disability leave allocation from the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee's working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to the illness/injury that had been the reason for the employee's previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee's obligation to provide medical confirmation that the appointment was related to the illness/injury.

f) WSIB & LTD

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under an LTD plan, is not entitled to benefits under a school board's sick leave and short-term

disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.

For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short-term leave and disability coverage. A reconciliation of sick leave deductions made and payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short-term leave and disability plans.

g) Graduated Return to Work

Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee's regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim, and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee's wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;
- and is working less than his/her regular hours of work;
- and has sick leave days and/or short-term disability days remaining from the previous year

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,
- and has no sick leave days and/ or short-term disability days remaining from the previous year,

the employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee's hours of work increase during the graduated return to work, the employee's sick leave will be adjusted in accordance with the new schedule. In accordance with

paragraph c), the Employee will also be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

h) Proof of Illness

Sick Leave Days Payable at 100%

A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is to be provided by the Employee for absences of five (5) consecutive working days or longer. The medical confirmation may be required to be provided on the form contained in Appendix C.

Short-Term Disability Leave

In order to access short-term disability leave, medical confirmation may be requested and shall be provided on the form attached as Appendix "C" to this Agreement.

In either instance where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board's choice at the Board's expense.

In cases where the Employee's failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

i) Notification of Sick Leave Days

The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11 days allocation of sick leave at 100% of salary.

j) Pension Contributions While on Short Term Disability

Contributions for OMERS Plan Members:

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

Contributions for OTPP Plan Members:

- i. When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member's regular pay.
- ii. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long-Term Disability (LTD)/Long Term Income Protection (LTIP),

pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short-term sick leave provision and qualification for Long-Term Disability (LTD)/Long-Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

k) Top-up Provisions

Employees accessing short-term disability leave as set out in paragraph c) will have access to any unused sick leave days from their last fiscal year worked for the purpose of topping up wages to one hundred percent (100%) under the short-term disability leave.

This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked.

Each top-up to 100% from 90 to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short-Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short-term disability leave.

When employees use any part of a short-term disability leave day they may access their top up bank to top up their salary to 100%.

l) Sick Leave to Establish EI Maternity Benefits

If the Employee will be able to establish a new EI Maternity Benefit claim in the six weeks immediately following the birth of her child through access to sick leave at 100% of her regular salary, she shall be eligible for up to six weeks leave at 100% of her regular salary without deduction from the sick days or short-term disability leave days (remainder of six weeks topped-up as SEB).

C7.5 Agenda and Minutes

- a) Agendas of reasonable length detailing issues in a clear and concise fashion will be developed jointly between the co-chairs, translated into the French language and provided to committee members at least ten (10) working days prior to the scheduled date of the meeting. Agenda items should be of general concern to the parties as opposed to personal concerns of individual employees. It is not the mandate of the Committee to deal with matters that have been filed as central disputes. With mutual consent, additional items may be added prior to, or at the meeting.
- b) The minutes will be produced by the CTA and agreed upon by the parties on an item-by-item basis. The minutes will reflect the items discussed and any agreement or disagreement on solutions. Where the matter is deferred, the minutes will reflect which party is responsible for follow-up. The minutes will be translated into the French language and authorized for distribution to the parties and the Crown once signed by a representative from both parties.

C7.6 Without Prejudice or Precedent

The parties to the Committee agree that any discussion at the Committee will be on a without-prejudice and without-precedent basis, unless agreed otherwise.

C7.7 Cost of Labour Relations Meetings

The parties agree that efforts will be made to minimize costs related to the committee.

C8.00 CUPE/SCFP MEMBERS ON PROVINCIAL COMMITTEES

CUPE/SCFP appointees to Provincial Committees will not have their participation charged against local collective agreement union release time or days.

C9.00 ATTENDANCE AT MANDATORY MEETINGS/SCHOOL EVENTS

Where an employee is required through clear direction by the board to attend work outside of regular working hours, the provisions of the local collective agreement regarding hours of work and compensation, including any relevant overtime/lieu time provisions, shall apply.

Required attendance outside of regular working hours may include, but is not limited to school staff meetings, parent/teacher interviews, curriculum nights, Individual Education Plan and Identification Placement Review Committee meetings, and consultations with board professional staff.

C10.00 CASUAL SENIORITY EMPLOYEE LIST

On or before September 1, 2016, school boards shall establish a seniority list for casual/temporary employees, where a list does not currently exist. This will be a separate list from permanent employees and shall have as its sole purpose to track length of service with the Board. Further, the list shall have no other force or effect on local collective agreements other than those that may already exist for casual/temporary employees in the 2008-12 local collective agreement.

C11.00 UNION REPRESENTATION AS IT RELATES TO CENTRAL BARGAINING

Negotiations Committee

At all central bargaining meetings with the Employer representatives the union will be represented by the OSBCU negotiations committee.

* "General Nature of Illness" (or injury) suggests a general statement of a person's illness or injury in plain language without any technical medical details, including diagnosis. Although revealing the nature of an illness may suggest the diagnosis, it will not necessarily do so. "Nature of illness" and "diagnosis" are not congruent terms. For example, a statement that a person has a cardiac or abdominal condition or that s/he has undergone surgery in that respect reveals the essence of the situation without revealing a diagnosis.

RE: Status Quo Central Items and Items Requiring Amendment and Incorporation

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo or are altered as outlined below. The following language must, however, be aligned with current local provisions. The following issues are not subject to local bargaining or amendment by the local parties. Any disputes arising from these provisions may form the subject of a central dispute.

PREGNANCY/PARENTAL LEAVES OF ABSENCE/SEB – EI WAITING PERIOD

The parties agree that the issue of the statutory amendment to the Employment Insurance Act resulting in a reduction of the employment insurance waiting period has been addressed at the central table and the intent of any existing local collective agreement provisions shall remain status quo. Therefore, where a school board's local collective agreement language references a two-week waiting period and required payment for the two-week waiting period, the board shall ensure that the funds payable from the board to a permanent employee taking an approved leave of 12 months or greater, shall reflect the full sum that would have been payable prior to the reduction of the waiting period.

Provisions with regard to waiting periods and/or payments during such waiting periods shall not be subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein and to accord with the relevant statutory change that reduced the waiting period to one week.

STATUTORY/PUBLIC HOLIDAYS

School boards shall ensure that within their local collective agreement terms, Family Day is included as a statutory/public holiday.

WSIB TOP-UP

If a class of employee was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties who have not yet do so must incorporate those same provisions without

deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) month shall be included in the 2019-2022 collective agreement.

For parties who have yet to incorporate or aligned local language into the 2014-2017 collective agreement, the following shall apply:

Common Central Provisions

Maternity Benefits/SEB Plan

- a) A full-time and part-time permanent Employee who is eligible for pregnancy leave pursuant to the Employment Standards Act, shall receive *100% salary through a Supplemental Employment Benefit (SEB) plan for a total of *eight (8) weeks (*or insert local superior provision reflecting status quo) immediately following the birth of her child with no deduction from sick leave or the Short Term Leave Disability Program (STLDP).
- b) Full-time and part-time permanent Employees not eligible for a SEB plan as a result of failing to qualify for Employment Insurance will be eligible to receive 100% of salary from the employer for a total of eight (8) weeks with no deduction from sick leave or STLDP.
- c) Where any part of the eight (8) weeks falls during the period of time that is not eligible for pay (i.e. summer, March Break, etc.), the full eight (8) weeks of top up shall continue to be paid.
- d) Full-time and part-time permanent Employees who require longer than the eight (8) week recuperation period shall have access to sick leave and the STLDP subject to meeting the requirements to provide acceptable medical verification.
- e) Employees completing a long-term supply assignment of 6 months or more shall be eligible for the SEB as described herein for a maximum of eight (8) weeks or the remaining number of weeks in their current assignment after the birth of her child, whichever is less.
- f) Employees not defined above have no entitlement to the benefits outlined in this article.

SHORT-TERM PAID LEAVES

The parties agree that the issue of short-term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of 5 days per school year. For further clarity, those boards that had 5 or less shall remain at that level. Boards that had 5 or more days shall be capped at 5

days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short-term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short-term paid leaves shall not subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

RETIREMENT GRATUITIES

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix B - Retirement Gratuities.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. Employees are not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day. The following language applies only to those employees eligible for the gratuity above.”

SICK LEAVE TO BRIDGE LONG-TERM DISABILITY WAITING PERIOD

Boards which have Long-Term Disability waiting periods greater than 131 days shall ensure there is language that accords with the following entitlement:

An Employee who has applied for long-term disability is eligible for additional short-term disability leave days up to the maximum difference between the long-term disability waiting period and 131 days. The additional days shall be payable at 90% and shall be used only to bridge the employee to the long-term disability waiting period if, under a collective agreement in effect on August 31, 2012, the employee was required to wait more than 131 days before being eligible for benefits under a long-term disability plan and the collective agreement did not allow the employee the option of reducing that waiting period.

RE: Job Security: Protected Complement

The parties acknowledge that education workers contribute in a significant way to student achievement and well-being.

1. Effective as of the date of central ratification, the Board undertakes to maintain its Protected Complement, except in cases of:
 - a. A catastrophic or unforeseeable event or circumstance;
 - b. Declining enrolment;
 - c. Funding reductions directly related to services provided by bargaining unit members; or

(b) (i) Permanent Seniority List - A new employee shall be listed by name and seniority date, on the seniority list and shall henceforth be considered a permanent employee with all of the rights and obligations of this Agreement.

(ii) New employees hired on the same day will have their Seniority ranked on the seniority list by means of a lottery. At least one union officer will be present for the process.

L10.05 The selection and promotion of employees to positions outside the bargaining unit are not governed by this Agreement. In the event an employee is or has been promoted to any such position and is, within two (2) years, returned to a position within the bargaining unit, they shall be credited with the seniority attained at the time of their promotion but shall not accumulate further seniority during the period outside the bargaining unit and upon their return they shall be placed in a position consistent with their qualifications and seniority. The provisions of Article L11.09 will also apply to this Article.

L10.06 (a) The Employer agrees to provide, to the Union, in duplicate, plus one copy to each location, an accurate Seniority List by the 15th day of April and the 15th day of October of each year to include, employee name, job classification and seniority date and regularly scheduled hours of work per week.

(b) Occasional Seniority List:

One seniority list for occasional employees will be provided to the Union by April 15th and October 15th each year. Seniority will be accrued based on date of hire. An occasional employee will be removed from the list in the event they do not work a minimum of five (5) days in twelve (12) consecutive months. The purpose of this list is to provide an accurate list of all employees available for supply purposes in all occupational groups.

L10.07 Lay-Off

(a) Seniority shall be the determining factor in cases of lay-off subject to Articles L10.09 through L10.18.

(b) A lay-off shall be defined as a reduction in the work force or a reduction in the regular hours of work as defined in this Agreement or the elimination of an encumbered position.

(c) No full time employee under the Bargaining Unit shall be laid off by reason of their duties being assigned to one or more part time employees.

L10.08 Notice of lay-off shall be in writing forty (40) working days before the lay-off is to take place and signed by a duly authorized representative of the Employer.

L10.09 This lay-off process is qualified with the provision that individuals have the necessary skill, ability, and qualifications for the job in question. A full time employee (more than 24 hours per week) can bump a part-time employee (24 hours or less) in each of the following steps provided they have no option to bump another full-time employee in that same step. Part time employees are not eligible to bump full time jobs. The laid off employee(s) shall be provided with a list of all options in which the employee may bump.

(a) The employee may choose to accept the lay off or have the following options:
Pre Step.

Employees with fifteen (15) years or more of bargaining unit seniority have the option to displace any employee in their zone, with less than fifteen (15) years bargaining unit seniority, provided they have the same or lower pay level and the same or more annual hours and they are qualified to do the job. If an employee has decided to waive the pre-step option above and move to Step 1 bumping below, the pre-step option is no longer available.

Step 1 - Same Title/Same Level

Displace the least senior employee in their same job title within a zone of the employee's choice who has the same or more annual hours unless the employee chooses to bump the least senior employee with less annual hours. (5 zones as per Appendix A)

If this condition does not exist or if the employee's only option(s) would require the employee to travel more than 60 km from their home and they choose not to do so then:

Step 2 - Same Occupational Group/Same Level

Displace the least senior employee in their same occupational group in the same level within a zone of the employee's choice, who has the same or more number of annual hours unless the employee chooses to bump the least senior employee with less annual hours.

If this condition does not exist or if the employee's only option(s) would require the employee to travel more than 60 km from their home and they choose not to do so then:

Step 3 - Same Occupational Group/Lower Level

Displace the least senior employee in their same occupational group within a zone of the employee's choice, at a lower level in a sequential manner (i.e. 5, 4, 3, etc) who has the same or more number of annual hours unless the employee chooses to bump the least senior employee with less annual hours.

If this condition does not exist or if the employee's only option(s) would require the employee to travel more than 60 km from their home and they choose not to do so then:

Step 4 - Any Occupational Group/ Lower Level

Displace the least senior employee in any occupational group within a zone of the employee's choice, at a lower level in a sequential manner (i.e. 5, 4, 3 etc.) who has the same or more number of annual hours unless the employee chooses to bump the least senior employee with less annual hours.

- L10.10 (a) Employees who change jobs as a result of the layoff and resultant displacement procedure, shall be paid at the prevailing rate for the job they are doing, however, no employee who changes jobs shall suffer a reduction of hourly wages due to such procedure for a period of twelve working months. An employee refusing a suitable assignment, that is same hours, same wage and within 60 km of the employee's home, surrenders hourly wage protection and is paid at the prevailing rate.
- (b) The employee shall retain recall rights to their own job title, at their own location, for a period of twelve (12) working months. An employee refusing recall to their own job surrenders rights to their own job. For the purpose of applying for other positions and with respect to lateral moves, as outlined in L11.09 (b)(i), the Employee will be considered for a lateral move in the job title that they were displaced from; for a period of twelve (12) working months from the date of displacement, not from the job title they were displaced to.
- L10.11 Notwithstanding any other provisions of this Collective Agreement:
- (a) Employees who are Officers of the Union being President, Vice-President, Secretary and Treasurer, Chief Stewards under Article L8.03, shall be the last to be laid off in the Union.

- L10.12 A grievance concerning a lay-off by reason of reduction in the work force may be taken up at Step 2 of the Grievance Procedure (refer to Article L12.03).
- L10.13 Recall from Lay-Off
Persons on layoff will be eligible to apply for positions. Provisions under "Selection for Vacancy" would apply; should there be no applicants for the posted position, the following process for recall would be used.
- Seniority shall be the determining factor in cases of recall from lay-off so that the last person to be laid off will be the first person recalled, provided that the employee affected has the necessary skill, ability, and has the qualifications to do the work available.
- L10.14 Notice of recall shall be by registered mail directed to the last address of the employee of which the Employer has record. Employees are responsible for notifying the Employer in writing regarding changes in mailing address.
- L10.15 An employee who fails to report for work within seven (7) working days after receiving delivery of notice of recall by registered letter shall cease to be an employee, unless such failure is proven to the satisfaction of the Employer to be due to causes beyond control of the employee.
- L10.16 In case the Employer contacts a person who is on lay-off and requests them to come to work on a temporary basis and the person declines or does not report for work, the Employer shall then contact the next laid-off person, offering the temporary assignment, until all laid-off persons have had the opportunity for temporary assignments provided that each has the necessary skill, ability and qualifications, to do the work available. Such person by reason of declining this temporary assignment shall not lose their seniority rights under Article L10.03(e). The Employer may then hire outside the Union to do such temporary work.

- L10.17 Employees who change jobs as a result of the recall procedure shall be classified at the prevailing rate for the job they are doing, maintaining the same step on the wage grid they were entitled to prior to the layoff.
- L10.18 No person, including students or government project employees will be hired until employees on lay-off have been given an opportunity to work through recall procedure, provided each has the necessary skill, ability, and has the qualifications to do the work available. No overtime shall be worked on a regular basis for normally scheduled duties.
- L10.19 Ten (10) month employees are acknowledged to be employees for the definite term of each school year.
- L10.20 Mutually agreed lateral transfers will be considered under extenuating circumstances.

L10.21 Educational Assistant Staffing Process

(a) Purpose

The purpose of the Educational Assistant Staffing Process is to provide opportunities for professional growth through the availability of transfer while at the same time ensuring stability and consistency wherever possible for our special needs students. To that end, the following guiding principles have been established in order to develop an effective staffing process.

- (i) Keep students at the forefront
- (ii) Fairness to all employees
- (iii) Minimize disruption

(b) Timetable – Approximately April through June

- (i) Email is sent to all EA staff advising them of the process and timetable of events
- (ii) Student Support Services/Well-Being department develops allocations
- (iii) If applicable, redundant staff are identified by seniority
- (iv) Principals identify surplus EA staff (taking into consideration program needs):
 - i) due to reductions and/or
 - ii) those who filled positions mid-year
- (v) Email is sent to all EA staff advising them of identified vacancies

Normally, the least senior at a location would be identified as surplus (unless very specific qualifications needed); however, Principal may deem an EA who is not least senior surplus with mutual agreement of all parties concerned. Identified EAs would be confirmed in writing.

(c) Lateral Transfer Request Process

- (i) The EA lateral transfer request posting will be emailed to the system indicating the deadline, which will be prior to the end of the school year
- (ii) EAs who are surplus should complete the online Lateral Transfer Request
- (iii) Any other permanent EAs interested in a transfer should complete the online Lateral Transfer Request
- (iv) EAs indicate on the online Lateral Transfer Request any location to which they would accept a transfer
 - EAs rank preferences in groups of three
- (v) EAs indicate on the online Lateral Transfer Request if they are requesting a change to their FTE
- (vi) Staffing Meeting will consist of the following:

- (vii) Letters sent to EAs to confirm placement for September, noting that student movement could occur resulting in some change of placement which would be enacted in accordance with the terms of this process
- (d) Process for Filling Vacancies During School Year
- (i) Once assigned in September - EA placement would be effective for the entire school year (September-June); unless:
- Student movement creates a resulting need;
 - System demands create a resulting need;
 - and/or specific qualifications are needed in a specific location
- (ii) Process for New Vacancies During School Year September - June
- If there are any redundant EA staff, they are recalled in order of seniority (these vacancies would be listed, if they exist, in the Lateral Transfer Request process and these recalled EAs would be surplus to their location);
 - If there are no redundant EA staff, the vacancy is filled with a temporary EA for the remainder of the school year and the permanent position, if it exists, will be included in the Lateral Transfer Request process
- (iii) Process for New Vacancies Prior to the Start of the School Year
- If there are any redundant EA staff, they are recalled in order of seniority
 - If there are no redundant EA staff, the vacancy will be filled with an EA who had requested the location but who had not been assigned during the Lateral Transfer Request Process
 - If there are any permanent, part-time EAs who have requested an increase through the Lateral Transfer Request process, they will be assigned
 - If none of the above apply, a new permanent EA will be hired from the Spring posting open to occasional EAs who want a permanent position
- (e) Process for Staffing Changes Created as a Result of Student Movement During School Year
- Student movement during the school year has a potential of creating surplus and/or vacancies.
- (i) New placement to a school which requires an additional EA (which would be an addition to complement) would use the above process.
It should be noted that the possibility of this condition is remote as funding issues are involved.
- (ii) Process for Placements as a Result of Students Moving "in or out", System Demands, and/or Specific Qualifications

If student moves to a location where there is a need for EA support, if it is geographically reasonable, the EA assigned to the student would move with the student

** if it is not geographically reasonable, administration would have some latitude to make reasonable reassignments, keeping in mind the guiding principles and priorities of both parties

- If student moves to a location where there is adequate support, the EA associated with this student would be declared surplus and if no other reasonable alternatives for placements, bumping could occur as per Article L10.09 of the current CUPE 1238 Collective Agreement

- Newly created openings will be part of the Lateral Transfer Request staffing process

L10.22 Early Childhood Educator Staffing Process

(a) Purpose

The purpose of the Early Childhood Educator Staffing Process is to provide opportunities for professional growth through the availability of transfer while at the same time ensuring stability and consistency wherever possible for our early years students. APPENDIX E - STRUCTURE AND FUNCTION OF THE JOINT WORKPLACE HEALTH AND SAFETY COMMITTEE

The Parties agree to implement the Guidelines for the Structure and Function of the Joint Workplace Health and Safety Committee as agreed between the Lambton Kent District School Board and the Members of CUPE 1238, as revised or as amended by the Parties. Dispute resolution will be in accordance with the process outlined in the Guidelines. Copies of the Guidelines will be made available on the internal web site and/or the Health & Safety Department.

APPENDIX F - TEMPORARY VACANCIES GUIDELINES

1. Temporary postings are open to Permanent CUPE 1238 employees only.
2. Temporary vacancy is defined as being a minimum of four (4) months.
3. There will be a five (5) working day posting period for temporary vacancies.
4. Eligibility for the position must be for reasons of promotion, increase in hours, in a different experience. Lateral moves will not be considered.
5. Employees who have been in a position for less than 6 months will not be eligible to apply for temporary vacancy postings.
6. Selection of the successful candidate will be based on seniority, provided the applicant has the necessary skill, ability, and qualifications to do the posted job.
7. Principals/supervisors will have final approval as to the release of an applicant; which would not be unreasonably withheld; however, circumstances may be such that, i.e.: workload during peak times may prevent individuals from being allowed to move.
8. There will be no subsequent temporary postings as a result of the filling of the posted temporary vacancy; however, the terms of Article L11.13 will apply for locations/departments where there is more than one CUPE 1238 employee. Upon fulfillment of Article L11.13 obligation, if applicable, principals/supervisors will then be able to fill the resulting temporary vacancy by selecting an individual from the occasional list.
9. An employee taking a temporary transfer from a 10-month to 12-month position or a 12-month to 10-month position assumes the practices of the group they are assigned to.
