ARTICLE 1: PREAMBLE

WHEREAS it is the desire of both parties to this Agreement:

1. To promote the harmonious relations and settle conditions of employment between the Employer and the Union;
2. To recognize the mutual value of joint discussion and negotiations in all matters pertaining to working conditions, hours of work and scale of wages, etc.;
3. To encourage efficiency in operation;
4. To promote the morale, well-being and security of all the employees in the bargaining unit of the Union;

AND WHEREAS it is desirable that methods of bargaining and all matters pertaining to the working conditions of the employees be drawn up in an agreement;

NOW, THEREFORE, the parties agree as follows:

ARTICLE 2: RECOGNITION AND NEGOTIATIONS

(a) Recognition of Union

The Employer or anyone authorized to act on its behalf recognizes the Union as the sole collective bargaining agency for its employees classified and covered by this Agreement and hereby consents and agrees to negotiate with the Union or anyone authorized to act on behalf of the Union, in any and all matters affecting the relationship between the parties to this Agreement, looking forward to a peaceful and amicable settlement to any differences that may arise between them.

(b) Negotiations Committee

The Employer agrees to the appointment of a Negotiations Committee consisting of four (4) appointees of the Employer and four (4) appointees of the Union. If any of the four (4) Union appointees are from other school districts, the Employer agrees to pay the Union for their wages and benefits, upon receipt of invoice, in accordance with Letter of Understanding #7.

(c) Additional Representatives

Each party to this Agreement shall have the right to have the assistance of a representative when dealing or negotiating with the other party.

(d) Meeting of the Negotiations Committee

In the event of either party wishing to call a meeting of the Negotiations Committee, the meeting shall be held at a time and place fixed by mutual agreement, however, such meeting must be held not later than six (6) calendar days after the request has been given.

(e) Time Off for Meetings

Any representative of the Union on this Negotiations Committee, who is in the employ of the Employer, shall have the privilege of attending meetings of the Committee held within working hours without loss of remuneration provided the supervisor has prior notice.

(f) Agreement Printing

The cost of printing the collective agreement in booklet form shall be equally shared by both parties. The collective agreement will also be made available electronically to all employees.

(g) No Other Agreement

No employee shall be required or permitted to make any written or verbal agreement with the Employer or its representative which may conflict with the terms of this Collective Agreement, without the consent of the Union.

(h) Student Mentorship

The Union supports the mentoring of students through leadership and employment skills training and experience. To this end the Union will not oppose student participation in employment duties that may overlap with CUPE positions so long as students are provided with mentoring in the form of instruction and direct supervision. No CUPE member shall be required to perform such mentoring duties should they not feel comfortable doing so.

ARTICLE 3: RIGHTS OF EMPLOYER

The Union recognizes the rights of the Employer to operate and manage the schools in accordance with its commitments and responsibilities, and to make and alter from time to

time rules and regulations to be observed by employees; such rules and regulations shall not be contrary to any provisions of this Agreement.

The Employer shall always have the right to hire, assign, discipline and discharge employees for proper cause, and such right shall not be exercised in a manner inconsistent with the provisions of this Agreement.

Job descriptions shall not be eliminated without prior written notification to the Union.

ARTICLE 4: NO DISCRIMINATION

(a) Discrimination

The Employer, its servants and agents agree that there shall be no discrimination, interference, restriction or coercion exercised or practiced with respect to any employee in the matter of hiring, wage rates, training, upgrading, promotion, transfer, layoff, discipline, discharge or otherwise by reason of grounds protected by the *BC Human Rights Code* nor by reason of membership in a labour union, and the employees shall at all times and in like manner act in good faith toward the Employer.

This does not apply with respect to a refusal, limitation, specification or preference based on a bona fide occupational requirement.

(b) Harassment

(i) The Employer and the Union recognize the right of employees to work in an environment free from all harassment and agree to cooperate in attempting to resolve, in a confidential manner, any complaints of harassment which may arise in the workplace. These complaints shall be addressed in accordance with Board Policy.

(ii) An employee may initiate a grievance under this clause at any step of the grievance procedure. Grievances under this clause will be handled with all possible confidentiality and dispatch.

ARTICLE 5: UNION SECURITY

Every employee who is now or hereafter becomes a member of the Union shall maintain membership in the Union as a condition of employment and every new employee whose employment commences hereafter shall within thirty (30) days after the commencement of employment, apply for and maintain membership in the Union as a condition of employment.

ARTICLE 6: DEDUCTION OF UNION DUES

The Employer agrees to deduct from the pay of each employee any monthly dues or assessments levied, in accordance with the Union By-Laws and owing to the Union. Deductions shall be made from the payroll of each month and shall be forwarded to the Secretary-Treasurer of the Union not later than the 10th day of the month following, accompanied by a list of all employees from whose wages the deductions have been made.

A statement of the total gross earnings of the bargaining unit on which the dues have been assessed shall be included.

ARTICLE 7: THE EMPLOYER SHALL ACQUAINT NEW EMPLOYEES

The Employer agrees to acquaint all new employees with the fact that an Agreement between the parties is in effect and with the conditions of employment set out in Articles 5 and 6 dealing with Union Security and Union Dues Deduction.

The Employer shall present new employees on commencement of their employment with access to an electronic copy or a physical copy of the Collective Agreement as requested, a Local 523 beneficiary form, a membership card and the name and contact information of the shop steward.

ARTICLE 8: DISTRICT LABOUR MANAGEMENT COMMITTEE

(a) Committee Structure

The parties shall appoint a District Labour Management Committee composed of not more than four (4) members of management and four (4) members of the Union with the understanding that additional knowledgeable and appropriate people may attend to speak on specific issues. The committee chair will alternate between the Employer and the Union.

(b) Meeting of the Committee

On the request of either party, the parties shall meet at least once every two (2) months for the purpose of discussing issues relating to the workplace that affect the parties or any employee bound by this Agreement. Participants will be paid straight time wages for attendance at meetings.

(c) Purpose of the Committee

The purpose of the Committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

ARTICLE 9: DEFINITION OF EMPLOYEES

(a) Regular Employees

Regular employees are those employees who have been assigned to a regular position and who have completed probation in accordance with Article 10(b). This includes full and part-time employees.

(b) Temporary Employees

Temporary employees are those employees who replace regular employees on leave or who are hired for specific projects.

ARTICLE 10: SENIORITY

(a) Definition

Seniority is length of service with the Employer and, except as provided for in Articles 10(b) and 10(c) with respect to temporary employment, shall date from the original date of commencing work.

The Employer shall maintain a seniority list showing the commencement date of each employee's seniority. An up-to-date seniority list shall be sent to the Union and posted on all bulletin boards and electronically in April and November of each year. The Employer shall be notified within thirty (30) days of any errors. The determination of seniority shall be in accordance with the earning system in effect at the time of the alleged error.

Seniority shall operate on a bargaining-unit-wide basis.

A random process mutually agreed upon by the Employer and the Union shall be used for determining seniority tie breakers.

(b) Probation Period

Employees will only serve one probation period. Employees appointed to their first regular position, or to their first temporary position that is sixty-five (65) days or more, shall be on probation for sixty-five (65) of the employee's working days or six (6) calendar months, whichever comes sooner from the date of commencing work in the regular or temporary position. During the probationary period employees shall be entitled to all rights and privileges of this Agreement unless otherwise provided, except with respect to discharge. The standard of discharge for newly hired employees or temporary employees without seniority shall be lack of general suitability for continued employment during the probationary period.

Temporary employees with seniority who prove unsuitable in the probationary period shall be returned to their former position without loss of seniority or former hourly wage rate, and any other employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position without loss of seniority or former hourly wage rate.

(c) Attainment of Seniority

On completion of probation, employees without seniority shall have their seniority be effective from the original date of commencing work in the posted position and any days actually worked as a temporary employee within the preceding twelve (12) months shall also be counted by adding the number of temporary working days to the date of commencing work in the posted position.

Temporary employees who do not obtain seniority per Article 10(b) shall be placed on the seniority list when they have completed one hundred nine (109) days in the preceding twelve (12) months. Prior to attaining seniority, the standard for discharge is lack of general suitability for continued employment.

The date of commencing work for seniority purposes shall be twenty-one (21) weeks and four (4) calendar days prior to the day on which the employee became eligible for inclusion on the seniority list.

(d) Seniority During Absence

If an employee is absent from work because of sickness, accident, layoffs, or leave of absence approved by the Employer, seniority rights shall not be lost. It shall be the responsibility of the employee to keep the Employer informed of their current contact information.

(e) Loss of Seniority

An employee shall lose seniority in the event the employee:

- (i) is discharged for proper cause and is not reinstated;
- (ii) resigns;
- (iii) is absent from work in excess of five (5) working days without notifying the Employer unless such notice was not reasonably possible;
- (iv) is laid off and does not accept offered work for a minimum of ten (10) shifts per year;
- (v) Is not on approved leave and does not accept offered work for a minimum of twenty (20) shifts per year.

(f) Transfers and Seniority Outside the Bargaining Unit

No employee shall be transferred to a position outside the bargaining unit without their consent. If an employee is transferred to a position outside of the bargaining unit, seniority acquired at the date of leaving the unit shall be retained for two (2) years, but no further accumulation shall occur. Should the employee return within two (2) years, this will not result in any layoff, bumping or reduction of hours of any employee(s).

(g) Retention of Seniority Rights

In the event that the Employer shall merge, amalgamate or combine any of its operations or functions with another Employer, the Employer agrees to the retention of seniority rights for all employees coming within the new bargaining unit of the successor Employer.

ARTICLE 11: LAYOFF, BUMPING AND RECALL

(a) General

Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, reduction of hours, bumping and recall, the governing principle shall be seniority, except as otherwise provided.

Temporary employees not on the seniority list shall not be entitled to bumping and recall rights.

(b) Procedure

The Employer shall determine which positions are to be terminated or reduced in hours. Where positions are interchangeable and not tied to geographic location, the positions occupied by the most junior employee shall be terminated or reduced.

(c) Notice

In the event of reduction in the workforce, the Employer shall serve written notice on those employees who will be laid off or have their hours of work reduced, as follows:

- (i) Regular employees - not later than thirty (30) calendar days prior to the effective date of layoff or reduction of hours.
- (ii) Regular employees on layoff who accept temporary work and temporary employees on the seniority list - not later than seven (7) calendar days prior to the effective date of layoff.

Such notice shall advise the employee of their right to bump and shall contain a copy of the seniority list.

(d) Bumping

An employee whose position is subject to layoff or reduction of hours shall be entitled to bump a junior employee provided the employee is qualified to perform the duties of the position occupied by the junior employee. If the junior employee holds more than one position, the senior employee may bump one or more of the positions held by the junior employee provided that the senior employee is qualified to perform the duties of the position(s). The displaced employee has the right to bump one junior employee provided that the employee is qualified to perform the duties of the position(s). If an employee is in the process of preparing for the required qualifications at the time of notice of layoff or bumping, the employee shall be allowed to bump provided the qualifications are achieved before the scheduled date of assuming the position. The laid off employee, whether part-time or full-time, may bump either a part-time or full-time employee. Where a temporary position occupied by a regular employee is terminated, the employee shall revert to their previous position.

The employee shall exercise bumping rights by informing the Employer of choice(s) within seven (7) calendar days of receiving notice under (c) above. Where an employee declines to exercise their right to bump, the right shall be forfeited for that layoff or reduction.

Where an employee exercises the right to bump into a different job number and subsequently is unable to perform adequately the duties of the position, the employee shall have the right to bump only the most junior employee whose position the employee is qualified to fill.

(e) Recall

- (i) Employees who are laid off or bumped shall be recalled to their former position when it becomes vacant. "Former position" shall mean the last regular position previously held.
- (ii) Where the former incumbent on layoff is not the senior person on layoff, the most senior laid-off employee shall be recalled to the position subject to recall.
- (iii) Where hours are increased to their former level or higher and the previous incumbent exercised the right to bump, that employee shall have the right to recall. Where the former incumbent declines recall, the present incumbent will be maintained in the position with increased hours.
- (iv) Where a position becomes vacant and the former incumbent is no longer available or declines the recall, the vacancy shall be posted in accordance

with Article 12. Vacant positions which were not affected by layoff or bumping shall be posted per Article 12.

(v) Subject to Article 10(e), recall rights shall be maintained by an employee for a period of two (2) years.

(vi) Recall rights will be lost when:

- (a) The recall period expires, or
- (b) An employee loses their seniority according to Article 10(e), or
- (c) An employee posts into a regular position, or
- (d) An employee declines recall to their former position.

(vii) Temporary vacancies will not be subject to recall.

(f) Temporary Work

Employees who are laid off shall be called for unposted temporary work in seniority order so that no qualified employee is involuntarily without work while a more junior employee is working.

Employees whose temporary work ceases shall have the right to displace another employee whose temporary work will continue for a further two (2) weeks or more.

(g) Continuation of Benefits

The Employer agrees to pay its share of the monthly premium of the medical, extended health, dental and group life plans up to two (2) months for regular employees who have been laid off, provided employees continue to contribute their portion of the premiums.

On expiration of the two-month period, a regular employee on layoff may opt to continue the regular benefit plans provided the plan permits. In such case the employee shall be responsible for advance monthly payments of both shares of the premium costs (see Article 30: Benefits).

Effective July 1, 2024, the Employer will pay its share of the monthly premiums for up to four (4) months after which, the employee may opt to continue benefits per above.

(h) Annual Summer Layoff

Except for (g) above, this Article shall not apply to the annual summer layoff of less than twelve (12) month employees. The availability of summer work for such employees shall be determined in accordance with the Summer Replacement Workers LOU #9.

(i) Resignation Pay After Layoff

A laid off employee who resigns, forfeits their recall rights and shall be paid one (1) weeks' pay for each completed year of service up to a maximum of twenty (20) weeks' pay, provided that the employee:

- a) has at least one (1) year of service, and
- b) has exhausted their bumping rights, and
- c) provides their notice of resignation within thirty (30) days of layoff.

ARTICLE 12: POSTINGS AND STAFF CHANGES

(a) Job Posting

When a vacancy occurs the Employer shall notify the Union and post notice of the position on the district website and in the Employer's office, shops and on all Union designated bulletin boards for a minimum of five (5) working days in order that all regular employees will know about the position and be able to make written or electronic application therefor. Such notice shall contain the following information: location of work site (where identified), nature of position, required knowledge and education, ability and skills, expected start date, shift and wage and salary rate or range.

If a position is to have an increase in regular hours to become full time then the Employer must post the position.

(b) Posting of Temporary Vacancies and Positions of a Temporary Nature

- (i) In the event of a temporary vacancy in excess of eight (8) weeks that the Employer wishes to fill or in the event of the Employer establishing a position of a temporary nature that will exist for more than eight (8) weeks, that vacancy (position #1) will be posted in the normal manner.
- (ii) Should a regular employee be the successful applicant for position #1, that employee's job (position #2) shall be posted temporarily. Should a regular employee be the successful applicant for position #2, that employee's job (position #3) shall not be posted. Position #3 shall be available to employees with the required qualifications, fitness and ability on layoff first, then to such temporary employees with seniority.
- (iii) If the posted temporary position again becomes vacant within thirty (30) days of the successful applicant commencing work, the next most senior person with the required qualifications, fitness and ability that had originally bid on the temporary position will be awarded the vacancy. In the event there is no other

applicant with the required qualifications, fitness and ability who had originally bid on the position then the Employer may fill without posting.

- (iv) At the end of the temporary position, unless the former position has been eliminated or reduced in hours, the regular employees shall return to their former positions. There are no bumping rights at the end of temporary postings.
- (v) Employees in temporary positions will be required to complete their temporary positions before being eligible for an appointment to a subsequent temporary position. All employees may apply for a regular position at any time.

(c) (i) Method of Making Appointments

Both parties recognize that job opportunity should increase in proportion to length of service. Therefore, in making staff changes, appointment shall be made of the applicant having the greatest seniority, and having the required qualifications, fitness and ability.

(ii) Trial Period

An employee who has completed probation and who is appointed to a position in a different job number, shall be placed on trial for a period of sixty-five (65) of the employee's working days. In the event the successful applicant proves unsatisfactory in the position during the aforementioned trial period, or so chooses, they shall be returned to their former position without loss of seniority or hourly wage rate, and any other employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position without loss of seniority and hourly wage rate.

(d) Relinquish Regular Position

An employee holding a regular position may elect to relinquish their regular position and maintain their seniority. They shall be placed on the temporary employee list and be offered temporary assignments according to normal procedures. This option shall not be available to permit employees to work with another employer. Employees shall declare their intention to exercise this option by May 1 in each calendar year to take effect July 1 for the subsequent school year. In such an event the employee shall have no recall rights. The employee may use their seniority and qualifications to bid vacancies that subsequently arise.

(e) Union Notification

The Union shall be notified in writing within a reasonable time of all resignations, appointments, hirings, layoffs, rehiring, job classification changes, increase to temporary and regular hours, and terminations of employment.

(f) Disabled Employees' Preference

Any employee covered by this Agreement who has given good and faithful service to the Employer and who, through advancing years or temporary disablement is unable to perform their regular duties, may be given the preference of any light work available at the salary payable at the time for the assigned position.

(g) Preparing for Qualifications

In cases of promotion requiring higher qualifications or certification, the Employer shall give consideration to employees who do not possess the required qualifications, but are preparing for qualification prior to filling of a vacancy. Such employees will be given an opportunity to qualify within a reasonable length of time and to revert to their former positions if the required qualifications are not met within such time.

(h) Transfers

By mutual agreement between the Employer and the Union, an employee may be transferred from one position to another in the same classification within the school district:

- (i) if it is considered the employee can better serve the Employer in the new situation, or it is proven that a move will be beneficial to the employee;
- (ii) an employee may be temporarily transferred for training in an appropriate school; or
- (iii) in cases where there is a duty to accommodate or findings of workplace harassment or bullying.

(i) Summer Posting Process

Vacancies arising in the summer which the Employer intends to fill shall be posted for ten (10) days commencing August 15. Vacancies will be posted on the district website. Electronic applications will be acceptable.

ARTICLE 13: GRIEVANCE PROCEDURE

- (a) The Employer shall recognize Shop Stewards or Union executive appointed or otherwise selected by the Union bargaining unit, whose duties shall be to investigate and to attempt to settle disputes and process any grievance in accordance with the grievance procedure. The number of Shop Stewards shall be seven (7).
- (b) The Union shall notify the Employer, in writing, of the name of each Shop Steward before the Employer shall be required to recognize any Shop Steward.

- (c) In order that the work of the Employer shall not be unreasonably interrupted, the Shop Steward shall not leave work without obtaining permission of their supervisor, which permission shall not be unreasonably withheld.
- (d) Should a dispute arise between the Employer and any employee(s) or the Union regarding the interpretation, meaning, operation, or application of this Agreement, including any questions as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, or should any other dispute arise, an earnest effort shall be made to settle the dispute in the following manner:

Step 1: The aggrieved employee(s), together with the Shop Steward, shall attempt to settle the grievance with the employee's supervisor with all dispatch but at all times within sixty (60) days of the date of the incident causing the employee's concern or the date the employee first became reasonably aware. The supervisor shall attempt to resolve the dispute within five (5) working days of being advised of the grievance.

Step 2: Failing satisfactory settlement of the grievance after the completion of Step 1, the Union will submit to the Secretary-Treasurer within ten (10) working days, a written statement of the particulars of the complaint and the redress sought. In an attempt to resolve the dispute a meeting shall be held with the Secretary-Treasurer or designate and the Union within seven (7) working days of receipt of the written grievance. In any event, the Secretary-Treasurer or designate shall render the Employer's written decision within ten (10) working days after the meeting.

 - 1.4 A Committee member shall be excused from rating their own job, the position of a direct subordinate, or any employee where the rating of that job may place them in a conflict of interest.
2. Evaluations
 - 2.1 Creating of a new position
 - 2.1.1 It is the responsibility of the Employer to prepare a job description whenever a new job is created.

- 2.1.2 The job description shall be referred to the Committee which will determine the appropriate rating and advise the Employer.

 - 2.1.5 After six months, a questionnaire shall be completed by the incumbent and referred to the Committee.
- 2.2 Changes to existing positions

Job descriptions shall not be construed as prohibiting the Employer from requiring incumbents to perform comparable or transient duties within the area of knowledge and skills required by the job description. However, if such additional assignments become a continuing responsibility, or they become recognized as part of the job requirement and they are of sufficient importance to potentially influence the job rating, the following procedures apply:

- 2.2.1 The Employer or incumbent shall complete a Request for Review Form, forwarding copies to the Committee to review as soon as possible.
- 2.2.2 The Committee shall review and confirm or revise the evaluation, if necessary, ensuring the adequacy of the job description and/or application of the evaluation manual.

2.2.7 Any employee affected by downward adjustment shall be red-circled as of the date in 2.2.6 above.

Joint Job Evaluation Committee Maintenance Procedures cont'd.

3. Appeal Procedures

3.1 The appeal procedure may be used by incumbents, the Union, or the Employer after the job description and job rating has been completed as per section 2 (Evaluations) and either party feels that the job description is inadequate or the rating for the job is incorrect.

Steps in the Appeal Procedure are as follows:

3.1.1 When there is a concern that the job description is inadequate or the rating is incorrect, it shall be referred to the Committee, who may discuss the matter with the incumbent(s) and the Employer. Concerns should be referred to the Committee as soon as possible after they become apparent.

3.1.2 If the Committee agrees to a change in the evaluation, it shall be revised and implemented accordingly.

3.1.3 If the Committee does not agree that a discrepancy exists, the Committee will so advise the parties.

3.1.4 If the parties involved do not accept the Committee's decision, the Union or Employer may pursue the matter through the arbitration process.

3.1.5 When a job evaluation is changed by the foregoing process, it shall be implemented retroactively to the date as in 2.2.6.

4. Arbitration Procedures

4.1 When agreement cannot be reached in the Committee on matters involving the accuracy of job descriptions and evaluations and/or the interpretation and application of the job evaluation rating manual, the matter shall be referred to a mutually-agreed upon mediator.

StrongStart Facilitator

1. In recognition of the character of the StrongStart Program, similar to the recognition given to the distinct character of some other programs and positions under the collective agreement, the Union and Employer have agreed that in addition to the terms contained within Article 11(d), the following shall apply to StrongStart Facilitators:

The employer reserves the right to deny an employee to bump into a StrongStart Facilitator position if this would create a negative impact on the StrongStart Program.

It is agreed that as a ten-month program, leaves for StrongStart Facilitators are to be scheduled to minimize interruption with the delivery of the program.

2. Any employee not notifying the managers by the above date will not be considered for such work that summer.
3. The available work shall be granted to the most senior qualified employee available from the seniority list.
4. No bumping of working employees will occur unless a junior employee is scheduled more than two (2) weeks longer than a more senior employee.
5. Vacation pay for regular part-time employees shall be the same as during the regular year.

9. The past practices and numbers of student workers can continue in spite of the summer replacement Letter of Understanding agreed to.

Ministry of Finance and Corporation Relations Ref. No. 116240

Dear Irene Holden and Vince Ready:

Re: Industrial Inquiry Commission concerning settlement Collective Agreement
Between British Columbia Public School Employers' Association
(and Member School Districts) and School District Support Staff Trade Unions
(IIC #2)

I am writing concerning IIC #2 and your recommendations for settlement dated May 30, 2000 (the "Report") and provided to the parties and government. Some of these issues were also referenced in the Commission's letter of May 31, 2000 to CUPE representative Gary Johnson.

I understand that you intend to use these recommendations for the basis of your binding decision in accordance with your powers under the Public Education Support Staff Collective Bargaining Assistance Act (the "Act").

I note, as well, that you make reference to certain items which the government has agreed to fund. I wish to affirm, for all parties to the collective agreement or to the documents deemed to be a collective agreement under the Act, that the government commits to fund as follows:

1. The monies committed by government and recommended by IIC #2 for the Four Hour Minimum Work Day Fund (\$5 million, annually) on each of July 1, 2000, July 1, 2001 and July 1, 2002, as described in the IIC #2 Report.
2. Should the \$5 million in the fund identified in paragraph #1 above not be entirely expended for purposes related to the Four Hour Minimum Work Day Fund, any surplus will be transferred to the employment security fund on a yearly basis. That fund is identified in paragraph #3 below. This arrangement is also recommended by IIC #2 and described in the Report.
3. The monies committed by government and recommended by IIC #2 for employment security (\$3.5 million, annually) on each of July 1, 2000, July 1, 2001 and July 1, 2002 to the Support Staff Job Security Fund as described in the IIC #2 Report.
4. The monies committed by government and recommended by IIC #2 to fund the LTD plan (\$11.8 million, annually) on January 1, 2002, January 1, 2003 and each January 1, thereafter, to the Joint Benefits Trust fund mentioned in the IIC #2 Report and the Accords.

The government also agrees that it would be appropriate for IIC #2 to retain jurisdiction regarding implementation of these items over the course of the collective agreement.

Sincerely,

Memorandum: To All Member School Districts and Support Staff Unions

Settlors Statement on Accepted Policy and Practices of the PEBT

The Public Education Benefits Trust Fund (PEBT) was created in June 2002 and is sponsored by both the British Columbia Public School Employers' Association (BCPSEA) and the Canadian Union of Public Employees (CUPE). The program is governed by a Board of Trustees representing both School Districts and Support Staff workers in the K-12 sector. Currently, there are 59 school districts, 67 union locals, and over 20,000 plan members participating in the trust.

The Settlers to the PEBT are BCPSEA and CUPE. The PEBT holds a Settlers meeting annually where the Settlers are provided with an annual report and update from the Board. The Settlers also have an opportunity to raise issues and give input to the Board.

The PEBT sponsors a confidential Joint Early Intervention Service (JEIS) as an integral part of the disability program to assist plan members in their return to work. The program is supported by Unions, School Districts and the PEBT and is provided through funding from the provincial government for the "Core" LTD.

The PEBT is now entering its eighth year and members are more familiar with the plan and its operations. However, the PEBT Board has asked the Settlers to remind their respective constituents of the importance of following the policies and practices applied by the PEBT in providing the various benefits.

The Settlers recognize the value and importance of the PEBT in the K-12 Public Education Sector. The Settlers also recognize and support following the policies and procedures of the PEBT (outlined at www.PEBT.ca). The Settlers agree to work with and encourage their respective parties to adhere to the policies and procedures of the PEBT.

For further clarification please contact your BCPSEA or CUPE representative.

This Memorandum initially formed part of the Letter of Understanding entered into between BC Public School Employers' Association and School Boards and Signatories to this LOUR and Support Staff Unions who are Signatories to this LOU. The LOU was signed on December 14, 2011.

The Memorandum was subsequently adopted into the Provincial Framework Agreement signed on September 18, 2013, that is attached to this Collective Agreement as Appendix B

Appendix B

Provincial Framework Agreement ("Framework")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.
- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
 - b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the

Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;

- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020-

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.

12. Committee Funding

There will be a total of \$150,000 of annual funding allocated for the purposes of the Support Staff Education Committee, the Provincial Labour Management Committee and the Provincial Joint Health and Safety Committee.

13. Public Education Benefits Trust

- a. PEBT Annual Funding Date: The established ongoing annual funding payment of \$19,428,240 provided by the Ministry of Education will continue to be made each April 1. This payment shall be made each April 1 of the calendar year to provide LTD and JEIS benefits in accordance with the Settlers Statement on Accepted and Policy Practices of the PEBT.
- b. The Parties agree that decisions of the Public Education Benefits Trust medical appeal panel are final and binding. The Parties further agree that administrative review processes and the medical appeal panel will not be subject to the grievance procedure in each collective agreement.
- c. Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEBT.

14. Benefits

- a. Effective July 1, 2023, provide \$3 million dollars as ongoing annual funding to explore enhancements to the Standardized Extended Health Plan, including dental coverage, counselling and other improvements to benefits.

A one-time joint committee of up to four representatives appointed by BCPSEA and up to four representatives appointed by support staff unions will determine the enhancements to be implemented.

Any residual from the benefits standardization will be allocated to the Job Evaluation Fund.

- b. Effective July 1, 2023, provide \$1,000,000 one-time money to the PEBT to be utilized for addiction treatment support programs. The PEBT will determine appropriate terms of use for accessing the funds which will include, but not be limited to: priority access for support staff employees (vs. School Districts), treatment cost considerations, and relapse response.

15. Production of Local Collective Agreements

BCPSEA commits to providing a draft 2022 local collective agreement which includes all negotiated updates, within 30 days of ratification by the local parties. The draft collective agreement will be provided in editable format with changes tracked for the local parties to review.

16. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

17. Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

18. Education Assistant Credential Standardization

19. Provincial Framework Bargaining 2025

The Parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding to the K-12 Presidents Council to facilitate the next round of provincial bargaining. \$250,000 will be allocated as of July 1, 2023.

20. Provincial Dispute resolution

The provincial parties may mutually agree to refer a dispute under Provincial Framework Agreement to final and binding arbitration.

21. Funding

Funding for the Provincial Framework Agreement will be included in operating grants to Boards of Education.

22. Employee Support Grant

The Parties agree to the principle that Support Staff union members who have lost wages as a result of not crossing lawful picket lines during full days of a BCTF strike/BCPSEA lockout will be compensated in accordance with the letter of agreement in Appendix A.

23. Adoption of the Provincial Framework Agreement

The rights and obligations of the local parties under this Provincial Framework

Agreement are of no force or effect unless the collective agreement has been ratified by both parties no later than January 25, 2023, or a later date as established by the provincial parties if the local parties are engaged in mediation.

Dated this 15th day of September, 2022.

The undersigned bargaining representatives agree to recommend this letter of understanding to their respective principals.
