## **ARTICLE 1 – PREAMBLE**

### **1.01 - PREAMBLE**

The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Hospital and the employees covered by this Agreement; to provide for ongoing means of communication between the Union and the Hospital and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory wages, hours of work and other conditions of employment in accordance with the provisions of this Agreement.

It is recognized that the employees wish to work efficiently together with the Hospital to secure the best possible care and health protection for patients.

## **ARTICLE 2 – DEFINITIONS**

### **2.01 – TEMPORARY EMPLOYEE**

Employees may be hired for a specific term not to exceed six (6) months, to replace an employee who will be on approved leave of absence, absence due to WSIB disability, sick leave, long term disability or to perform a special non recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital or by the Hospital on its own up to twelve (12) months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the collective agreement and any successful applicant who has completed their probation period will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

### **2.02 – PART-TIME COMMITMENT**

The Hospital shall not refuse to accept an offer from an employee to make a written commitment to be available for work on a regular predetermined basis solely for the purpose of utilizing casual employees so as to restrict the numbers of regular part time employees.

### **2.03 - REGULAR PART-TIME EMPLOYEE**

Part-time employees shall be considered those that regularly work twenty-four (24) hours or less per week, it being understood that such employees may work more than twenty-four (24) hours in emergencies or under other circumstances.

## **2.04 - CASUAL EMPLOYEE**

Casual employees are to be utilized only when part-time employees are not available, and during emergency situations.

## **ARTICLE 3 - RELATIONSHIP**

### **3.01 – NO DISCRIMINATION**

The parties agree that there shall be no discrimination within the meaning of the Ontario Human Rights Code against any employee by the Union or the Hospital by reason of race, creed, colour, age, sex, marital status, nationality, ancestry or place of origin, family status, handicap, sexual orientation, political affiliation or activity, or place of residence. The Hospital and the Union further agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practised by either of them or their representatives or members, because of an employee's membership or non-membership in a Union or because of their activity or lack of activity in the Union.

The Union shall be provided a copy of any written notice provided to an employee that they may be subject to termination, demotion, transfer, or other adverse impact for innocent absenteeism.

### **3.02 – ATTENDANCE MANAGEMENT**

Days of absence arising out of a medically-established serious chronic condition, an on-going course of treatment, a catastrophic event, absence for which WSIB benefits are payable, medically necessary surgical interventions, or days where the employee is asymptomatic and is under a doctor's care from the commencement of symptoms for a confirmed communicable disease (and has provided medical substantiation of such symptoms) but is required to be absent under the Hospital or public health authority protocol, will not be counted for the purposes of being placed on, or progressing through, the steps of an attendance management program.

Leaves covered under the *Employment Standards Act*, and leaves under Article 12 will not be counted for the purposes of being placed on, or progressing through, the steps of an attendance management program.

## **ARTICLE 4 – STRIKES & LOCKOUTS**

The Union agrees there shall be no strikes and the Hospital agrees there shall be no lockouts so long as this Agreement continues to operate. The terms "strike" and "lockout" shall bear the meaning given them in the Ontario Labour Relations Act.

## **ARTICLE 5 – UNION SECURITY**

### **5.01 – T4 SLIPS**

The Hospital will provide each employee with a T-4 supplementary slip showing the dues deducted in the previous year for income tax purposes where such information is available or becomes readily available through the Hospital's payroll system.

### **5.02 – NOTIFICATION TO UNION**

- (a) The Hospital will provide the union with a list, monthly, of all hirings, lay-offs, recalls, and positions which have been vacated within the bargaining unit where such information is available or becomes readily available through the Hospital's payroll system.
- (b) The Hospital will provide the Union with the current mailing address, personal email address if available and phone number(s) it has on record of all members of the bargaining unit twice a year in electronic form.

### **5.03 – EMPLOYEE INTERVIEW**

A new employee will have the opportunity to meet with a representative of the Union in the employ of the Hospital for a period of up to 15 minutes during the employee's orientation period without loss of regular earnings. The purpose of the meeting will be to acquaint the employee with such representative of the Union and the collective agreement.

Such meetings may be arranged collectively or individually for employees by the Hospital as part of the orientation program.

### **5.04 – NO OTHER AGREEMENTS**

No employee shall be required or permitted to make any written or verbal agreement with the Hospital or its representative(s) which conflicts with the terms of this agreement.

No individual employee or group of employees shall undertake to represent the union at meetings with the Hospital without proper authorization from the union.

## **ARTICLE 6 – UNION REPRESENTATION AND COMMITTEES**

### **6.01 – UNION ACTIVITY ON PREMISES AND/OR ACCESS TO PREMISES**

The Union agrees that neither it, nor its officers, agents, representatives and members will engage in the solicitation of members, holding of meetings or any other Union activities on Hospital premises or on Hospital time without the prior approval of the Hospital, except as specifically provided for in this Agreement. Such approval will not be unreasonably denied.

## **6.02 – LABOUR-MANAGEMENT COMMITTEE**

- (a) Where the parties mutually agree that there are matters of mutual concern and interest that would be beneficial if discussed at a Labour Management Committee Meeting during the term of this Agreement, the following shall apply.
- (b) An equal number of representatives of each party as mutually agreed shall meet at a time and place mutually satisfactory. A request for a meeting hereunder will be made in writing prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of grievance or negotiations for the amendment or renewal of this agreement.

Any representative(s) attending such meetings during their regularly scheduled hours of work shall not lose regular earnings as a result of such attendance.

- (c) It is agreed that the topic of a rehabilitation program for drug and alcohol abuse is an appropriate topic for the Labour-Management Committee.

It is also agreed that the topic of the utilization of full-time and part-time staff is an appropriate topic for the Labour-Management Committee. The committee shall have access to work schedules and job postings upon request.

- (d) It is understood that joint meetings with other Labour-Management Committees in the Hospital may be scheduled concerning issues of mutual interest if satisfactory to all concerned.
- (e) Where two or more agreements exist between a Hospital and CUPE the Committee may be a joint one representing employees under both agreements, unless otherwise agreed.

## **6.03 – LOCAL BARGAINING COMMITTEE**

The Hospital agrees to recognize a negotiating committee comprised of hospital employee representatives of the Union for the purpose of negotiating a renewal agreement (as set out in the Local Provisions Appendix). The Hospital agrees to pay members of the negotiating committee for straight time wages lost from their regularly scheduled working hours spent in direct negotiations for a renewal agreement, up to but not including arbitration. Nothing in this provision is intended to preclude the Union negotiating committee from having the assistance of any representatives of the Canadian Union of Public Employees when negotiating with the Hospital.

When direct negotiations begin or end within ten (10) hours of a negotiating team member's scheduled shift, the Hospital will endeavour to provide a one day's leave of absence without pay, to provide a sufficient rest break if the employee so requests. Such request shall not be unreasonably denied. Such leave shall be considered leave of absence for union business, but shall not be deducted from the Union entitlement under Article 12.02.

#### **6.04 – CENTRAL BARGAINING COMMITTEE**

- (a) In central bargaining between the Canadian Union of Public Employees and the participating hospitals, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from their normal straight time working hours at their regular rate of pay and without loss of leave credits for attending central negotiating meetings with the Hospitals' Central Negotiating Committee in direct negotiations up to the point of arbitration. In addition, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from their normal straight time working hours at their regular rate of pay and without loss of leave credits for two (2) days of preparation time for such central negotiating meetings with the Hospital's Central negotiating Committee. Upon reference to arbitration, the Negotiating Committee members shall receive unpaid time off for the purpose of attending arbitration hearings.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be eight (8), and in no case will more than one employee from a hospital be entitled to such payment.

The Union shall advise the Hospitals' Central Negotiating Committee, before negotiations commence, of those employees to be paid under this provision. The Hospitals' Central Negotiating Committee shall advise the eight (8) Hospitals accordingly.

- (b) Vice-Presidents of the Ontario Council of Hospital Unions shall be granted leave of absence by their employers in accordance with (a) above or Article 12.02 as the case may be, in order to fulfil the duties of their position.

#### **6.05 – UNION STEWARDS**

- (a) The Hospital agrees to recognize Union stewards to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.
- (b) A Chief Steward or designate may, in the absence of any steward, assist in the presentation of any grievance, or with any steward function.
- (c) The Union shall keep the Hospital notified in writing of the names of Union stewards appointed or selected under this Article as well as the effective date of their respective appointments.
- (d) It is agreed that Union stewards have their regular duties and responsibilities to perform for the Hospital and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of their duties, a Union steward is required to enter an area within the Hospital in which they are not originally employed, they shall report their presence to the supervisor in the area immediately upon entering it.

Such permission shall not be unreasonably withheld. When resuming their regular duties and responsibilities, such steward shall again report to their immediate supervisor. A Union steward shall suffer no loss of earnings for time spent in performing the above duties during their regular scheduled working hours.

- (e) Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice-versa.
- (f) The number of stewards and the areas which they represent, are to be determined locally.

#### **6.06 – GRIEVANCE COMMITTEE**

The Hospital will recognize a Grievance Committee composed of the Chief Steward and not more than (as set out in Local Provisions Appendix) employees selected by the Union who have completed their probationary period. A general representative of the Union may be present at any meeting of the Committee. The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.

The Union shall keep the Hospital notified in writing of the names of the members of the Grievance Committee appointed or selected under this Article as well as the effective date of their respective appointments.

A Committee member shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to, but not including arbitration. The number of employees on the Grievance Committee shall be determined locally.

#### **ARTICLE 7 – GRIEVANCE AND ARBITRATION PROCEDURE**

- 7.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.
- 7.02 At the time formal discipline is imposed or at any stage of the grievance procedure an employee shall have the right upon request to the presence of their steward. In the case of suspension or discharge the Hospital shall notify the employee of this right in advance.
- 7.03 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until they have first given their immediate supervisor the opportunity of adjusting their complaint. The grievor may have the assistance of a union steward if they so desire. Such complaint shall be discussed with their immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of their immediate supervisor's decision in the following manner and sequence:

### **Step No. 1**

The employee, who may be accompanied by a steward, may submit a written grievance signed by the employee to (designated by Hospital). The grievance shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The Union and the Hospital may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. The (designate) will deliver their decision in writing within nine (9) calendar days following the day on which the grievance was presented to them. Failing settlement or response, then:

### **Step No. 2**

Within nine (9) calendar days following the decision in Step No.1, the grievance may be submitted in writing to the (designated by Hospital). A meeting will then be held between the (designate) and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 2 unless extended by agreement of the parties. It is understood and agreed that a representative of the Canadian Union of Public Employees and the grievor may be present at the meeting. It is further understood that the (designate) may have such counsel and assistance as they may desire at such meeting. The decision of the Hospital shall be delivered in writing within nine (9) calendar days following the date of such meeting.

- 7.04 A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which such employee could themselves institute and the regular grievance procedure shall not be thereby bypassed.
- 7.05 Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing identifying each employee who is grieving to the Department Head or their designee within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.
- 7.06 The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration. A claim by an employee who has completed their probationary period that they have been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the employee with the Hospital at Step No. 2 within seven (7) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:
- (a) confirming the Hospital's action in dismissing the employee; or
  - (b) reinstating the employee with or without full compensation for the time lost; or
  - (c) by any other arrangement which may be deemed just and equitable.

Wherever the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing. The Hospital agrees that it will not suspend, discharge or otherwise discipline an employee who has completed their probationary period, without just cause.

- 7.07 (a) Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within eighteen (18) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within sixteen (16) calendar days after the decision under Step No. 2, it will be deemed to have been received within the time limits.
- (b) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.
- 7.08 All agreements reached under the Grievance Procedure between the representatives of the Hospital and the representatives of the Union will be final and binding upon the Hospital and the Union and the employees.
- 7.09 When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking Arbitration Procedure. The two nominees shall attempt to select by agreement a chairperson of the Arbitration Board. If they are unable to agree upon such a chairperson within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairperson.
- 7.10 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 7.11 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 7.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 7.13 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and, where there is no majority the decision of the chairperson will be final and binding upon the parties hereto and the employee or employees concerned.

- 7.14 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairperson of the Arbitration Board.
- 7.15 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 48 (16) of The Labour Relations Act.
- 7.16 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

## **ARTICLE 8 – ACCESS TO FILES**

### **8.01 – ACCESS TO PERSONNEL FILE**

Each employee shall have reasonable access to their personnel file for the purpose of reviewing any evaluations or formal disciplinary notations contained therein, in the presence of the Director of Personnel or designate. An employee has the right to request copies of any evaluations in this file.

### **8.02 – CLEARING OF RECORD**

Any letter of reprimand, suspension or any other sanction will be removed from the record of an employee eighteen (18) months following the receipt of such letter, suspension or other sanction provided that such employee's record has been discipline free for one year. All leaves of absence in excess of ten (10) calendar days will not count toward either of the above periods.

## **ARTICLE 9 – SENIORITY**

### **9.01 – PROBATIONARY PERIOD**

A new employee will be considered on probation until they have completed sixty (60) days of work (or 450 hours of work for employees whose regular hours of work are other than the standard work day), within any twelve (12) calendar months. Upon completion of the probationary period they shall be credited with seniority equal to sixty (60) working days. With the written consent of the Hospital, the probationary employee and the President of the Local Union or designate, such probationary period may be extended. Any extensions agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration unless the probationary employee is released for reasons which are arbitrary, discriminatory, in bad faith, or for exercising a right under this Agreement.

### **9.02 – DEFINITION OF SENIORITY**

Full-time employees will accumulate seniority on the basis of their continuous service in the bargaining unit from the last date of hire, except as otherwise provided herein.

Part-time employees, including casual employees, will accumulate seniority on the basis of one (1) year's seniority for each 1725 hours worked in the bargaining unit as of the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

A part-time employee cannot accrue more than one year's seniority in a twelve (12) month period. The twelve (12) month period shall be determined locally.\*

### **9.03 – LOSS OF SENIORITY**

An employee shall lose all seniority and service and shall be deemed to have terminated if they:

- (a) resign;
- (b) are discharged and not reinstated through the grievance/arbitration procedure;
- (c) have retired;
- (d) are absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing to the Hospital a satisfactory reason;
- (e) have been laid off for forty-eight (48) months;

### **9.04 – EFFECT OF ABSENCE**

((a), (b) and (c) of the following clause are applicable to full-time employees only)

- (b) During an unpaid absence exceeding thirty (30) continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Collective Agreement or elsewhere, shall be suspended for the period of the absence in excess of thirty (30) continuous calendar days, the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly. In addition, the employee will become responsible for full payment of any subsidized employee benefits in which they are participating for the period of absence, except that the Hospital will continue to pay its share of the premiums up to thirty (30) months while an employee is in receipt of WSIB benefits or L.T.D. benefits. Such payment shall also continue while an employee is on sick leave (including the Employment Insurance Period) to a maximum of thirty (30) months from the time the absence commenced.

Notwithstanding this provision, service shall accrue for a period of fifteen (15) weeks if an employee's absence is due to a disability resulting in WSIB benefits or L.T.D. benefits.

- (c) It is further understood that during such unpaid absence, credit for seniority for purposes of promotion, demotion, transfer or lay-off shall be suspended and not accrue during the period of absence. Notwithstanding this provision seniority shall accrue for the duration of the absence, if an employee's absence is due to a disability resulting in WSIB benefits or L.T.D. benefits, or while an employee is on paid or unpaid sick leave (including the Employment Insurance Period).

- (f) The name of the successful applicant will be posted on the bulletin board for a period of seven (7) calendar days.
- (g) Where there are no successful applicants from within this bargaining unit for vacant positions referred to in this Article, employees in other CUPE bargaining units at the Hospital will be selected in accordance with the criteria for selection above, prior to considering persons who are not members of CUPE bargaining units at the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with this Article, and selection shall be made in accordance with this Article.

- (h) The successful applicant shall be allowed a trial period of up to thirty (30) days, during which the Hospital will determine if the employee can satisfactorily perform the job. **9.06 – TRANSFER AND SENIORITY OUTSIDE THE BARGAINING UNIT**

- (a) It is understood that an employee shall not be transferred by the Hospital to a position outside the bargaining unit without their consent except in the case of temporary assignments not exceeding six (6) months. This period may be extended a further six (6) months upon the agreement of the employee and the Hospital. Such employees on temporary assignments shall remain members of the bargaining unit.
- (b) An employee who is transferred to a position outside the bargaining unit shall not, subject to (c) below, accumulate seniority. In the event the employee is returned by the Hospital to a position in the bargaining unit within twenty-four (24) months of the transfer they shall be credited with the seniority held at the time of transfer and resume accumulation from the date of their return to the bargaining unit. An employee not returned to the bargaining unit within 24 months shall forfeit bargaining unit seniority.
- (c) In the event an employee transferred out of the bargaining unit under (a) or (b) above is returned to the bargaining unit within a period of nine (9) calendar months, they shall accumulate seniority during the period of time outside the bargaining unit.

Within this period the employee may voluntarily return, or be returned without loss of seniority to their former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had they not transferred.

### **9.07 (B) – PORTABILITY OF SERVICE**

An employee hired by the Hospital with recent and related experience may claim consideration for such experience at the time of hiring on a form to be supplied by the Hospital. Any such claim shall be accompanied by verification of previous related experience. The Hospital shall then evaluate such experience during the probationary period following hiring. Where in the opinion of the Hospital such experience is determined to be relevant, the employee shall be slotted in that step of the wage progression consistent with one (1) year's service for every one (1) year of related experience in the classification upon completion of the employee's probationary period. It is understood and agreed that the foregoing shall not constitute a violation of the wage schedule under the collective agreement.

### **9.07 (C) – TRANSFORMATION IN HEALTH CARE**

#### **Seniority Recognition**

Without prejudice to the Union's or Hospitals' rights under the collective agreement or the Labour Relations Act and/or the Public Sector Labour Relations Transition Act, the parties agree that non-unionized employees who are affected (via relocation/transfer\*) shall, when entering the bargaining unit, be afforded seniority and service in accordance with the anniversary of their date of hire (or hours worked) from their original Hospital. Such anniversary date shall be calculated in accordance with the relevant provisions of the relevant collective agreement.

#### **Right to Return or Transfer**

Employees who are relocated/transferred\* to another employer by the Hospital will retain their seniority and service at their original hospital for a 48-month period.

### **9.08 (A) – NOTICE AND REDEPLOYMENT COMMITTEE**

#### **(a) Notice**

In the event of a proposed layoff at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

- (i) provide the Union with no less than five (5) months' written notice of the proposed layoff or elimination of position; and
- (ii) provide to the affected employee(s), if any, who will be laid off with no less than five (5) months' written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

- (b) A layoff shall not include a reassignment of an employee from their classification or area of assignment who would otherwise be entitled to notice of layoff provided:
  - (I) reassignments will occur in reverse order of seniority;
  - (II) the reassignment of the employee is to an appropriate permanent position with the employer having regard to the employees skills, abilities, qualifications and training or training requirements;
  - (III) the reassignment of the employee does not result in a reduction of the employees wage rate or hours of work;
  - (IV) the job to which the employee is reassigned is located at the employee's original work site or at a nearby site in terms of relative accessibility for the employee;
  - (V) the job to which the employee is reassigned is on the same or substantially similar shift or shift rotation; and
  - (VI) where more than one employee is to be reassigned in accordance with this provision, the reassigned employees shall be entitled to select from the available appropriate vacancies to which they are being reassigned in order of seniority provided no such selection causes or would cause a layoff or bumping.

The Hospital bears the onus of demonstrating that the foregoing conditions have been met in the event of a dispute. The Hospital shall also reasonably accommodate any reassigned employee who may experience a personal hardship arising from being reassigned in accordance with this provision.

- (c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.
- (d) Redeployment Committee

At each Hospital a Redeployment Committee will be established not later than two (2) weeks after the notice referred to in 9.08(A)(a) and will meet thereafter as frequently as is necessary.

- (i) Committee Mandate

The mandate of the Redeployment Committee is to:

- (1) Identify and propose possible alternatives to the proposed layoff(s) or elimination of position(s), including, but not limited to, identifying work which would otherwise be bargaining unit work and is currently work contracted-out by the Hospital which could be performed by bargaining-unit employees who are or would otherwise be laid off;
- (2) Identify vacant positions in the Hospital or positions which are currently filled but which will become vacant within a twelve (12) month period and which are either:
  - (a) within the bargaining unit; or
  - (b) within another CUPE bargaining unit; or
  - (c) not covered by a collective agreement.
- (3) Identify the retraining needs of workers and facilitate such training for workers who are, or would otherwise be, laid off.
- (4) Subject to article 9.11, the Hospital will award vacant positions to employees who are, or would otherwise be laid off, in order of seniority if, with the benefit of up to six (6) months retraining, an employee has become able to meet the normal requirements of the job.
- (5) Any dispute relating to the foregoing provisions may be filed as a grievance commencing at Step 2.

(ii) Committee Composition

The Redeployment Committee shall be comprised of equal numbers of representatives of the Hospital and of the Union. The number of representatives will be determined locally. Where for the purposes of HTAP (the Ontario Hospital Training and Adjustment Panel) there is another hospital-wide staffing and redeployment committee created or in existence, Union members of the Redeployment Committee shall serve on any such hospital wide staffing committee established with the same or similar terms of reference, and the number of Union members on such committee will be proportionate to the number of its bargaining unit members at the particular Hospital in relation to other staff groups.

Meetings of the Redeployment Committee shall be held during normal working hours. Time spent attending such meetings shall be deemed to be work time for which the representative(s) shall be paid by the Hospital at their regular or premium rate as may be applicable.

Each party shall appoint a co-chair for the Redeployment Committee. Co-chairs shall chair alternative meetings of the Committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

(iii) Disclosure

The Hospital shall provide to the Redeployment Committee all pertinent staffing and financial information.

(iv) Alternatives

The Redeployment Committee or where there is no consensus, the committee members shall propose alternatives to cutbacks in staffing to the Hospital's Chief Executive Officer and to the Board of Directors.

At the time of submitting any plan concerning rationalization of services and involving the elimination of any position(s) or any layoff(s) to the District Health Council or to the Ministry of Health, the Hospital shall provide a copy, together with accompanying documentation, to the Union.

**9.08 (B) – RETIREMENT ALLOWANCE**

Prior to issuing notice of layoff pursuant to article 9.08(A)(a)(ii) in any classification(s), the Hospital will offer early retirement allowance to a sufficient number of employees eligible for early retirement under HOOPP within the classification(s) in order of seniority, to the extent that the maximum number of employees within a classification who elect early retirement is equivalent to the number of employees within the classification(s) who would otherwise receive notice of layoff under article 9.08(A)(a)(ii).

An employee who elects an early retirement option shall receive, following completion of the last day of work, a retirement allowance of two (2) weeks' salary for each year of service, plus a prorated amount for any additional partial year of service, to a maximum ceiling of fifty-two (52) weeks' salary.

**9.08 (C) – VOLUNTARY EXIT OPTION**

If after making offers of early retirement, individual layoff notices are still required, prior to issuing those notices the Hospital will offer a voluntary early exit option in accordance with the following conditions:

- (i) The Hospital will first make offers in the classifications within department(s) where layoffs would otherwise occur. If more employees than are required are interested, the Hospital will make its decision based on seniority.
- (ii) If insufficient employees in the department affected accept the offer, the Hospital will then extend the offer to employees in the same classification in other departments. If more employees than are required are interested, the Hospital will make its decision based on seniority.
- (iii) In no case will the Hospital approve an employee's request under (i) and (ii) above for a voluntary early exit option, if the employees remaining are not qualified to perform the available work.

- (iv) The number of voluntary early exit options the Hospital approves will not exceed the number of employees in that classification who would otherwise be laid off. The last day of employment for an employee who accepts a voluntary early exit option will be at the Hospital's discretion and will be no earlier than thirty (30) calendar days immediately following the employee's written acceptance of the offer.

An employee who elects a voluntary early exit option shall receive, following completion of the last day of work, a separation allowance of two (2) weeks' salary for each year of service, to a maximum of fifty-two (52) weeks' pay.

#### **9.09 – LAYOFF AND RECALL**

An employee in receipt of notice of layoff pursuant to 9.08(A)(a)(ii) may:

- (a) accept the layoff; or
- (b) opt to receive a separation allowance as outlined in Article 9.12; or
- (c) opt to retire, if eligible under the terms of the Hospitals of Ontario Pension Plan (HOOPP) as outlined in Article 9.08(B); or
- (d) displace another employee who has lesser bargaining unit seniority in the same or a lower or an identical-paying classification in the bargaining unit if the employee originally subject to layoff has the ability to meet the normal requirements of the job. An employee so displaced shall be deemed to have been laid off and shall be entitled to notice in accordance with Article 9.08(A)(a).

An employee who chooses to exercise the right to displace another employee with lesser seniority shall advise the Hospital of their intention to do so and the position claimed within seven (7) days after receiving the notice of layoff.

For purposes of the operation of clause (d), an identical-paying classification shall include any classification where the straight-time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.

- (e) In the event that there are no employees with lesser seniority in the same or a lower or identical-paying classification, as defined in this article, a laid-off employee shall have the right to displace another employee with lesser seniority in a higher-paying classification provided they are able to meet the normal requirements of the job, with orientation but without additional training.
- (f) In addition, in combined full-time/part-time collective agreements, a full-time employee shall also be entitled to displace another full-time employee with lesser seniority in a higher-paying classification provided that they are able to meet the normal requirements of the job, with orientation but without additional training, when there are no other full-time employees in the same or a lower or similar-paying classification with lesser seniority, prior to being required to displace a part-time employee.
- (g) An employee who is subject to layoff other than a layoff of a permanent or long-term nature including a full time employee whose hours of work are, subject to Article 14.01, reduced, shall have the right to accept the layoff or displace another employee in accordance with (a) and (d) above.
- (h) No full-time employee within the bargaining unit shall be laid off by reason of their duties being assigned to one or more part-time employees.

- (i) In the event of a layoff of an employee, the Hospital shall pay its share of insured benefits premiums for the duration of the five-month notice period provided for in Article 9.08(A)(a).
- (j) The Hospital agrees to post vacancies during the recall period, as per the job posting procedure, allowing employees on recall to participate in the posting procedure. Should the position not be filled via the job posting procedure, an employee shall have opportunity of recall from a layoff to an available opening, in order of seniority, provided they have the ability to perform the work.
- (k) In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.
- (l) An employee recalled to work in a different classification from which they were laid off shall have the privilege of returning to the position held prior to the layoff should it become vacant within six (6) months of being recalled.
- (m) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.
- (n) The Hospital shall notify the employee of recall opportunity by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to be received on the second day following the date of mailing). The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for their proper address being on record with the Hospital.

#### **9.10 – BENEFITS ON LAYOFF**

(The following clause is applicable to full-time employees only)

In the event of a lay-off of a full-time employee the Hospital shall pay its share of insured benefits premium up to three (3) months from the end of the month in which the lay-off occurs or until the laid off employee is employed elsewhere, whichever occurs first.

#### **9.11 – RETRAINING**

- (a) Retraining for Positions within the Hospital

Where, with the benefit of retraining of up to six (6) months, an employee who has either accepted the layoff or who is unable to displace any other employee could be redeployed to a hospital position identified by the Redeployment Committee in accordance with Article 9.08(A)(d)(i):

- (i) Opportunities to fill vacant positions identified by the Hospital Redeployment Committee through retraining shall be offered to employees who apply and would qualify for the position with the available retraining in order of their seniority until the list of any such opportunities is exhausted. Opportunities to fill vacancies outside of CUPE bargaining units may be offered by the Hospital in its discretion.
- (ii) The Hospital and the Union will cooperate so that employees who have received notice of permanent layoff and been approved for retraining in order to prevent a layoff will have their work schedules adjusted in order to enable them to participate in the retraining, and scheduling and seniority

requirements may by mutual agreement be waived. The Redeployment Committee will seek the availability of any federal or provincial retraining program funds to cover the cost of tuition, books and travel, as well as any wages eligible under the terms of such program.

- (iii) Apart from any on-the-job training offered by the Hospital, any employee subject to layoff who may require a leave of absence to undertake retraining in accordance with the foregoing shall be granted an unpaid leave of absence which shall not exceed six (6) months.
- (iv) Laid-off employees who are approved for retraining in order to qualify for a vacant position within the Hospital will continue to receive insured benefits.

(b) Placement

Upon successful completion of their training period, the Hospital and the Union undertake to waive any restrictions which might otherwise apply, and the employee will be placed in the job identified in 9.11(a)(i).

An employee subject to layoff who applies but later declines to accept a retraining offer or fails to complete the training will remain subject to layoff.

**9.12 – SEPARATION ALLOWANCES**

- (a) Where an employee resigns within 30 days after receiving notice of layoff pursuant to article 9.08(A)(a)(ii) that their position will be eliminated, they shall be entitled to a separation allowance of two (2) weeks' salary for each year of continuous service to a maximum of sixteen (16) weeks' pay, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of three thousand (\$3,000) dollars.
- (b) Where an employee resigns later than 30 days after receiving notice pursuant to Article 9.08(A)(a)(ii) that their position will be eliminated, they shall be entitled to a separation allowance of four (4) weeks' salary, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of one thousand two hundred and fifty (\$1,250) dollars.

**9.13 – TECHNOLOGICAL CHANGE**

The Hospital undertakes to notify the Union in advance, so far as practicable, of any technological changes which the Hospital has decided to introduce which will significantly change the status of employees within the bargaining unit.

The Hospital agrees to discuss with the Union the effect of such technological changes on the employment status of employees and to consider practical ways and means of minimizing the adverse affect, if any, upon employees concerned.

Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six months.

Employees with one (1) or more years of continuous service who are subject to lay-off under conditions referred to above, will be given notice of the impending change in employment status at the earliest reasonable time in keeping with the notification to the Union as above set forth and the requirements of the applicable law.

The parties recognize their joint responsibility in and commitment to active participation in the area of professional development, including scope of practice.

- i. At the time the workload issue occurs, discuss the issue within the unit/program to develop strategies to meet patient care needs using current resources.
  - ii. If necessary, using established lines of communication as identified by the hospital, seek immediate assistance from an individual(s) (who could be within the bargaining unit) who has responsibility for timely resolution of workload issues.
  - iii. Failing resolution of the workload issue at the time of occurrence or if the issue is ongoing the RHP(s) will discuss the issue with their Manager or designate on the next day that the Manager (or designate) and the RHP are both working or within five (5) calendar days whichever is sooner.

In the event that within ten (10) calendar days, the workload concern is not resolved to the employee's satisfaction, the employee, or group of employees, may, within forty-eight (48) hours, submit their concerns in writing (with a copy to their immediate supervisor) to either the Joint Health and Safety Committee (as constituted under the collective agreement's local appendix) or the Labour Management Committee (as constituted under Article 6.02) through their union representative using the template workload complaint form attached at appendix B. This form may be modified by the mutual agreement of the local parties.

### **ARTICLE 10 – CONTRACTING OUT**

#### **10.01 – CONTRACTING OUT**

The Hospital shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a layoff of any employees other than casual part-time employees results from such contracting out.

#### **10.02 – CONTRACTING OUT**

Notwithstanding the foregoing, the hospital may contract out work usually performed by members of the bargaining unit without such contracting-out constituting a breach of this provision if the hospital provides in its commercial arrangement contracting out the work that the contractor to whom the work is being contracted, and any subsequent such contractor, agrees:

- (1) to employ the employees thus displaced from the hospital; and
- (2) in doing so to stand, with respect to that work, in the place of the hospital for the purposes of the hospital's collective agreement with the Union, and to execute into an agreement with the Union to that effect.

In order to ensure compliance with this provision, the hospital agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting-out arrangement.

### **10.03 – CONTRACTING IN**

Further to Article 9.08(A)(d)(i)(1) the parties agree that the Redeployment Committee will immediately undertake a review of any existing sub-contract work which would otherwise be bargaining unit work and which may be subject to expiry and open for renegotiation within six (6) months with a view to assessing the practicality and cost-effectiveness of having such work performed within the Hospital by members of the bargaining unit.

## **ARTICLE 11 – WORK OF THE BARGAINING UNIT**

## **ARTICLE 12 – LEAVES OF ABSENCE**

### **12.01 – PERSONAL LEAVE**

Written request for a personal leave of absence without pay will be considered on an individual basis by the Hospital. Such requests are to be submitted to the employee's immediate supervisor at least four (4) weeks in advance, unless not reasonably possible to give such notice, and a written reply will be given within fourteen (14) days except in cases of emergency in which case a reply will be given as soon as possible. Employees needing personal leave days for appointments with medical practitioners may utilize the personal leave language. Such leave shall not be unreasonably withheld.

### **12.02 – UNION BUSINESS**

- (a) The Hospital shall grant leave of absence without pay to employees to attend Union conventions, seminars, education classes and other Union business in connection with the administration of the collective agreement provided that such leave will not interfere with the efficient operation of the Hospital. Upon completion of the process the employee shall be returned to that point on their former schedule that is considered appropriate by the Hospital. It is understood and agreed that the local parties may agree to different scheduling arrangements for the first week of jury and witness duty.

In addition to the foregoing, where a full-time employee is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the Hospital on their regularly scheduled day off, the Hospital will attempt to reschedule the employee's regular day off. Where the employee's attendance is required during a different shift than they are scheduled to work that day, the Hospital will attempt to reschedule the shift to include the time spent at such hearing. It is understood that any rescheduling shall not result in the payment of any premium pay.

Where the Hospital is unable to reschedule the employee and, as a result, they are required to attend during other than their regularly scheduled paid hours, they shall be paid for all hours actually spent at such hearing at their straight time hourly rate subject to (a), (b) and (c) above.

The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six months.

#### **20.03 – PROMOTION TO A HIGHER CLASSIFICATION**

An employee who is promoted to a higher rated classification within the bargaining unit will be placed in the range of the higher rated classification so that they shall receive no less an increase in wage rate than the equivalent of one step in the wage rate of their previous classification (provided that they do not exceed the wage rate of the classification to which they have been promoted).

Whereas the current collective agreement makes reference to the Blue Cross Plans in effect as of September 28, 1993;

And Whereas the semi-private, extended health care and dental benefits are now being provided by various carriers at the different hospitals;

And Whereas the Participating Hospitals ("the Hospitals") and the Ontario Council of Hospital Unions/CUPE ("the Union") wish to ensure that the collective agreement entitlements to semi-private, extended health care and dental benefits are comparable;

And Whereas the Hospitals and the Union are desirous of considering whether, without reducing the level of benefits provided at each individual participating hospital, savings can be achieved in the provision of semi-private, extended health care and dental benefits;

And Whereas the Hospitals and the Union wish to ensure that eligible employees receive comprehensive and accurate information about their coverage and entitlements;

And Whereas the Hospitals and the Union recognize the importance of working collaboratively to achieve the objectives outlined above, it is agreed as follows:

1. Within thirty days of the ratification by the Hospitals and the Union of the collective agreement, a provincial Joint Benefits Committee ("the Committee") will be established.

5. The Committee will immediately request from all participating hospitals a copy of their current benefit plan master policies as they pertain exclusively to CUPE and booklets to be provided within 90 days of the request.
6. The Committee will review those plans and determine what, if any, variations exist among the plans.

7. The Committee will also consider whether, without reducing the level of benefits provided at each individual participating hospital, there are cost saving mechanisms available to the parties.
8. The Committee may retain expert assistance, the cost of which shall be borne equally by the Hospitals and the Union. Should the Hospitals and the Union not agree on retaining expert assistance, the decision of the facilitator shall be binding.
9. The Committee shall complete its work and prepare a final report within eighteen months, unless the parties agree otherwise. The parties agree that this memorandum of agreement and the report of the Committee shall not be introduced or relied upon by either party in any proceedings whatsoever.
