The Arbitrator shall not have jurisdiction or the authority to add, delete or modify any provisions of this Agreement. Where the Arbitrator determines that an Employee has been disciplined or discharged by the Employer for just cause, the Arbitrator has power to substitute for the discharge or discipline any other penalty that to the Arbitrator seems just and reasonable in the circumstances.

APPENDIX “E”

Letter of Understanding – Joint Provincial Committee - WCB

Guidelines to ensure that Employees are supplemented correctly from their sick leave credits:

Top Up Supplement on Benefits

1. Where sufficient sick leave credits are available an employee will be topped up to the net pre accident earning. The top up is to bring the temporary earning replacement benefits (TERB) received by WCB to the net pre accident earning.
2. If the Employer pays only the supplement from the sick leave bank, the sick leave bank should be debited by the amount necessary to bring the TERB to the net pre accident earning.
3. If the Employer pays employees from the sick leave bank for the entire WCB leave and then collects from WCB, the Employer must ensure that Employees are only paid the net pre accident earning amount for sick days and that when the TERB is received from WCB by the Employer the sick leave bank of the Employee is credited with the amount equal to the TERB received by WCB. If the sick leave bank is maintained in hours (not dollars) the Employer must convert the amount received by WCB into hours.

Waiting Period

4. In addition to the supplement to the WCB TERB, Employees will also receive sick leave entitlements for the first two days associated with the WCB claim. The two initial days are unpaid by WCB and accordingly the employee will be paid from sick leave banks.
5. In the event that an Employee is in receipt of TERB from WCB for a period in excess of five weeks, the Employee will be paid by WCB for the initial two unpaid days after five weeks. If the Employee is paid directly from WCB they are required to provide the Employer with reimbursement of the WCB TERB for the 2 sick days previously paid. The Employer will then credit the sick leave bank of the Employee with the number of credits equivalent to the TERB for that 2 day period.

6. If the Employer is paying the Employee directly and accepting reimbursement from WCB the Employer must adjust the sick bank in accordance with the receipt of the reimbursement for TERB for the two day waiting period.
7. Any Employee who goes on WCB will be advised that they will be provided top up in accordance with the collective agreements provided that they have sufficient sick leave in their bank. Employees will be advised of any remission or reporting obligations that they may have while in receipt of WCB benefits.
8. If requested by the Employee and upon return to work from a period of WCB during which the Employee received top up, the Employee will be advised of the balance in their sick leave bank and the total hours or dollars of sick time used to provide top up during their absence on WCB.
