If a permanent Employee is absent on his/her last regularly scheduled work day and the first regularly scheduled work day of the following year for unrelated reasons, the allocation outlined above will be provided on the first day of the fiscal year, provided the employee submits medical documentation to support the absence, in accordance with paragraph (h).

Employees on Long-Term Supply Assignments

Employees completing long term supply assignments may only access sick leave and short-term disability leave in the fiscal year in which the allocation was provided. Any remaining allocation may be used in subsequent long-term supply assignments, provided these occur within the same fiscal year.

Employees employed in a long-term supply assignment which is less than the ordinary period of employment for the position shall have their sick leave and short-term disability allocations pro-rated accordingly.

Where the length of the long-term supply assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/short-term disability leave to occur. If a change is made to the length of the assignment, an adjustment will be made to the allocation and applied retroactively.

e) Refresh Provision for Permanent Employees

Permanent Employees returning from LTD or workplace insurance leave to resume their regular working hours must complete eleven (11) consecutive working days at their regular working hours to receive a new allocation of sick/short-term disability leave. If the Employee has a recurrence of the same illness or injury, s/he is required to apply to reopen the previous LTD or WSIB claim, as applicable.

The Local union and Local school board agree to continue to cooperate in the implementation and administration of early intervention and safe return to work processes as a component of the Short-Term Leave and Long Term Disability Plans.

In the event the Employee exhausts his/her sick/short-term disability leave allocation from the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee's working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to the illness/injury that had been the reason for the employee's previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee's obligation to provide medical confirmation that the appointment was related to the illness/injury.

f) WSIB & LTD

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under an LTD plan, is not entitled to benefits under a school board's sick leave and short-term disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.

For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short-term leave and disability coverage. A reconciliation of sick leave deductions made and payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short-term leave and disability plans.

g) Graduated Return to Work

Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee's regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim, and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee's wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;
- and is working less than his/her regular hours of work;
- and has sick leave days and/or short-term disability days remaining from the previous year.

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,
- and has no sick leave days and/ or short-term disability days remaining from the previous year,

The employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee's hours of work increase during the graduated return to work, the employee's sick leave will be adjusted in accordance with the new schedule. In accordance with paragraph c), the Employee will also be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

h) Proof of Illness

Sick Leave Days Payable at 100%

A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is to be provided by the Employee for absences of five (5) consecutive working days or longer. The medical confirmation may be required to be provided on the form contained in Appendix C.

Short-Term Disability Leave

In order to access short-term disability leave, medical confirmation may be requested and shall be provided on the form attached as Appendix "C" to this Agreement.

In either instance where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board's choice at the Board's expense.

In cases where the Employee's failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

i) Notification of Sick Leave Days

The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11 days allocation of sick leave at 100% of salary.

j) Pension Contributions While on Short Term Disability

Contributions for OMERS Plan Members:

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

Contributions for OTPP Plan Members:

- i. When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member's regular pay.
- ii. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long-Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short-term sick leave provision and qualification for Long-Term Disability (LTD)/Long-Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

k) Top-up Provisions

Employees accessing short-term disability leave as set out in paragraph c) will have access to any unused sick leave days from their last fiscal year worked for the purpose

of topping up wages to one hundred percent (100%) under the short-term disability leave.

This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked.

Each top-up to 100% from 90 to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short-Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short-term disability leave.

When employees use any part of a short-term disability leave day they may access their top up bank to top up their salary to 100%.

I) Sick Leave to Establish EI Maternity Benefits

If the Employee will be able to establish a new EI Maternity Benefit claim in the six weeks immediately following the birth of her child through access to sick leave at 100% of her regular salary, she shall be eligible for up to six weeks leave at 100% of her regular salary without deduction from the sick days or short-term disability leave days (remainder of six weeks topped-up as SEB).

Agenda items should be of general concern to the parties as opposed to personal concerns of individual employees. It is not the mandate of the Committee to deal with matters that have been filed as central disputes. With mutual consent, additional items may be added prior to, or at the meeting.
- b) The minutes will be produced by the CTA and agreed upon by the parties on an item-by-item basis. The minutes will reflect the items discussed and any agreement or disagreement on solutions. Where the matter is deferred, the minutes will reflect which party is responsible for follow-up. The minutes will be translated into the French language and authorized for distribution to the parties and the Crown once signed by a representative from both parties.

C7.6 Without Prejudice or Precedent

The parties to the Committee agree that any discussion at the Committee will be on a without-prejudice and without-precedent basis, unless agreed otherwise.

Required attendance outside of regular working hours may include, but is not limited to school staff meetings, parent/teacher interviews, curriculum nights, Individual Education Plan and Identification Placement Review Committee meetings, and consultations with board professional staff.

C10.00 CASUAL SENIORITY EMPLOYEE LIST

On or before September 1, 2016, school boards shall establish a seniority list for casual/temporary employees, where a list does not currently exist. This will be a separate list from permanent employees and shall have as its sole purpose to track length of service with the Board. Further, the list shall have no other force or effect on local collective agreements other than those that may already exist for casual/temporary employees in the 2008-12 local collective agreement.

* "General Nature of Illness" (or injury) suggests a general statement of a person's illness or injury in plain language without any technical medical details, including diagnosis. Although revealing the nature of an illness may suggest the diagnosis, it will not necessarily do so. "Nature of illness" and "diagnosis" are not congruent terms. For example, a statement that a person has a cardiac or abdominal condition or that s/he has undergone surgery in that respect reveals the essence of the situation without revealing a diagnosis.

Additional or follow up information may be requested as appropriate.

(Hereinafter the 'CTA/CAE')**

Re: Status Quo Central Items and Items Requiring Amendment and Incorporation

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo or are altered as outlined below. The following language must, however, be aligned with current local provisions. The following issues are not subject to local bargaining or amendment by the local parties. Any disputes arising from these provisions may form the subject of a central dispute.

PREGNANCY/PARENTAL LEAVES OF ABSENCE/SEB – EI WAITING PERIOD

The parties agree that the issue of the statutory amendment to the *Employment Insurance Act* resulting in a reduction of the employment insurance waiting period has been addressed at the central table and the intent of any existing local collective agreement provisions shall remain status quo. Therefore, where a school board's local collective agreement language references a two-week waiting period and required payment for the two-week waiting period, the board shall ensure that the funds payable from the board to a permanent employee taking an approved leave of 12 months or greater, shall reflect the full sum that would have been payable prior to the reduction of the waiting period.

Provisions with regard to waiting periods and/or payments during such waiting periods shall not be subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein and to accord with the relevant statutory change that reduced the waiting period to one week.

STATUTORY/PUBLIC HOLIDAYS

School boards shall ensure that within their local collective agreement terms, Family Day is included as a statutory/public holiday.

WSIB TOP-UP

If a class of employee was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties who have not yet do so must incorporate those same provisions without deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) months shall be included in the 2019-2022 collective agreement.

For parties who have yet to incorporate or aligned local language into the 2014-2017 collective agreement, the following shall apply:

Common Central Provisions

Maternity Benefits/SEB Plan

- a) A full-time and part-time permanent Employee who is eligible for pregnancy leave pursuant to the Employment Standards Act, shall receive *100% salary through a Supplemental Employment Benefit (SEB) plan for a total of *eight (8) weeks (or local superior provision reflecting status quo) immediately following the birth of her child with no deduction from sick leave or the Short Term Leave Disability Program (STLDP).
- b) Full-time and part-time permanent Employees not eligible for a SEB plan as a result of failing to qualify for Employment Insurance will be eligible to receive 100% of salary from the employer for a total of eight (8) weeks with no deduction from sick leave or STLDP.
- c) Where any part of the eight (8) weeks falls during the period of time that is not eligible for pay (i.e. summer, March Break, etc.), the full eight (8) weeks of top up shall continue to be paid.
- d) Full-time and part-time permanent Employees who require longer than the eight (8) week recuperation period shall have access to sick leave and the STLDP subject to meeting the requirements to provide acceptable medical verification.
- e) Employees completing a long-term supply assignment of 6 months or more shall be eligible for the SEB as described herein for a maximum of eight (8) weeks or the remaining number of weeks in their current assignment after the birth of her child, whichever is less.
- f) Employees not defined above have no entitlement to the benefits outlined in this article.

SHORT-TERM PAID LEAVES

The parties agree that the issue of short-term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of 5 days per school year. For further clarity, those boards that had 5 or less shall remain at that level. Boards that had 5 or more days shall be capped at 5 days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short-term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short-term paid leaves shall not subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

RETIREMENT GRATUITIES

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall

govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix B - Retirement Gratuities.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

An Employee who has applied for long-term disability is eligible for additional short-term disability leave days up to the maximum difference between the long-term disability waiting period and 131 days. The additional days shall be payable at 90% and shall be used only to bridge the employee to the long-term disability waiting period if, under a collective agreement in effect on August 31, 2012, the employee was required to wait more than 131 days before being eligible for benefits under a long-term disability plan and the collective agreement did not allow the employee the option of reducing that waiting period.

Re: Job Security: Protected Complement

The parties acknowledge that education workers contribute in a significant way to student achievement and well-being.

1. Effective as of the date of central ratification, the Board undertakes to maintain its Protected Complement, except in cases of:
 - a) A catastrophic or unforeseeable event or circumstance;
 - b) Declining enrolment;
 - c) Funding reductions directly related to services provided by bargaining unit members; or
 - d) School closure and/or school consolidation.
2. Where complement reductions are required pursuant to 1. above, they shall be achieved as follows:
 - a) In the case of declining enrolment, complement reductions shall occur at a rate not greater than the rate of student loss, and
 - b) In the case of funding reductions, complement reductions shall not exceed the amount of such funding reductions, and
 - c) In the case of school closure and/or school consolidation, complement reductions shall not exceed the number of staff prior to school closure/consolidation at the affected location(s).

Local collective agreement language will be respected, regarding notification to the union of complement reduction. In the case where there is no local language the board will notify the union within twenty (20) working days of determining there is to be a complement reduction.
3. For the purpose of this Letter of Understanding, at any relevant time, the overall protected complement is equal to:
 - a) The FTE number (excluding temporary, casual and/or occasional positions) as at date of central ratification. The FTE number is to be agreed to by the parties through consultation at the local level. Appropriate disclosure will be provided during this consultation.

Disputes with regard to the FTE number may be referred to the Central Dispute Resolution Process.

- b) Minus any attrition, defined as positions that become vacant and are not replaced, of bargaining unit members which occurs after the date of central ratification.
- 4. Once the FTE number has been established in accordance with paragraph 3, above, the local parties shall jointly report the number to the Central Labour Relations Committee.
 - 5. Notwithstanding the provisions of the School Boards Collective Bargaining Act (SBCBA) requiring the ratification of both local and central terms for a collective agreement to be effective, the parties agree that CUPE locals and School Boards will meet within 30 days of ratification of the central agreement to establish and maintain the protected complement.
 - 6. Reductions as may be required in 1. above shall only be achieved through lay-off after consultation with the union on alternative measures, which may include:
 - a) priority for available temporary, casual and/or occasional assignments;
 - b) the establishment of a permanent supply pool where feasible;
 - c) the development of a voluntary workforce reduction program (contingent on full provincial government funding).
 - 7. The above language does not allow trade-offs between the classifications outlined below:
 - a) Educational Assistants
 - b) DECEs
 - c) Secretaries
 - d) Custodians
 - e) Cleaners
 - f) Information Technology Staff
 - g) Library Technicians
 - h) Instructors
 - i) Supervisors
 - j) Central Administration
 - k) Professionals
 - l) Maintenance/Trades
 - 8. The parties agree that where local collective agreement language currently exists that provides a superior benefit specifically with regard to protected complement FTE number, that language will prevail.
 - 9. This Letter of Understanding expires on August 30, 2026.

- 2.01 The Union recognizes and accepts that all rights of the Employer to manage the affairs of and administer the school system of the Dufferin–Peel Catholic District School

Board are reserved to the Employer exclusively and without limiting in any way this generality, subject to any other provision of this Agreement, it is the exclusive function of the Employer to:

- a) maintain order, discipline, and efficiency;
- b) hire, promote, demote, classify, transfer, retire, rehire, lay off, recall, discipline, suspend or discharge any employee for just cause, provided that a claim by a seniority employee of discharge, suspension or discipline without just cause may be the subject of a grievance and dealt with as hereinafter provided;
- c) deploy the working forces of the Employer or its equipment and properties;
- d) program and utilize technology in order to meet the Board's operational needs.

2.02 The Employer agrees that the rights set forth in this Article shall be exercised in a fair and reasonable manner which would not violate the express provisions of this Agreement, and recognizes the right of the Union to the grievance procedure in the manner and to the extent hereinafter provided.

ARTICLE 3 – UNION SECURITY

3.01 Membership in Union

All employees hired after the signing of this Agreement shall become and remain members of the Union. Current employees who are members shall remain members of the Union. Newly hired employees shall sign an application for membership and begin paying dues immediately.

The Board will inform the Union of all members appointed to Acting Assignments outside the bargaining unit. Members who fulfil such roles will continue to remain members of the bargaining unit, pay Union dues and be covered by Articles 2, 3, 4, 7 and relevant articles of the Central Collective Agreement.

3.02 Deduction of Dues

All employees shall be deducted the regular bi-weekly dues which shall be remitted to the Treasurer of the Union in the month in which follows such deductions, accompanied by a list of all employees from whom such deductions are made. Such list will be forwarded electronically to the Treasurer and President, and shall include the employee's name, dues paid, wages earned, assigned home location and tenure.

The Union shall indemnify and save the Board harmless in respect to all claims and demands made against the Employer by an employee as a result of the deduction and remittance of dues by the Employer pursuant to this article.

3.03 Notification of Amount

The Union shall notify the Employer **in writing of any change in the amount** of the regular dues of the Union.

ARTICLE 4 – NO DISCRIMINATION

4.01 Neither the Union nor the Employer will discriminate against any employee;

- a) by reason of membership in the Union;
- b) within the meaning of the Ontario Human Rights Code and all applicable statutes as amended.

ARTICLE 5 – UNION REPRESENTATION

5.01 a) The Union will not engage in Union activities during working hours or hold meetings at any time on the premises of the Employer without the permission of the Manager of Employee Relations or designate. When entering a department other than **their** own, a Union officer will first contact the Supervisor of that Department, or **their** deputy, and inform **them** as to the general nature of **their** business.

- b) The Union may appoint or otherwise select up to seven (7) stewards, one (1) of whom may be designated the Chief Steward.

ARTICLE 6 – NO STRIKES – NO LOCKOUTS

6.01 So long as this Agreement continues to operate, there will be no strikes or lockouts as those terms are defined in the Ontario Labour Relations Act.

ARTICLE 7 – SENIORITY

7.01 Definition of Seniority

- a) Seniority, as referred to in this Agreement, shall mean length of continuous service in the employ of the Employer as a member of the Bargaining Unit. The Employer shall provide to each Employee and to the Union an updated seniority list in electronic form. Such seniority list shall contain the Employee's name and seniority. An additional seniority list for the Union will also contain job classification and location.

Up-to-date seniority information shall be requested by the Union President, in writing to the Superintendent of Human Resources & Employee Relations or designate, and will be made available to the Union.

- b) The following conditions will apply for the purpose of calculating seniority. Seniority will be calculated based on 1.0 FTE (Full Time Equivalent) for 10 and 12 month employees. Employees employed less than 1.0 FTE (part-time) will have their

seniority calculated on a pro-rated basis. Part Time Employees who perform acting assignments on a full time basis for not less than 4 consecutive working days shall receive full time credit for seniority purposes for the term of the acting assignment. All seniority attained as of June 30, 2007 will remain intact. For posting purposes, the seniority lists will be published March 1 of each year based on seniority accrued to December 31 of the previous year.

7.02 Probation

An employee shall be on probation for the first three (3) months of continuous employment, and will have no seniority rights during that period. After successfully completing the three (3) month probation, the seniority of such employee will date back to the date of last hire. An employee who has successfully completed the probationary period shall be called a "seniority" employee. Probationary employees will not have access to the grievance or arbitration process.

7.03 Seniority Upon Promotion or Transfer

- a) A Member of the bargaining unit who accepts a temporary position with the employer for a maximum period of two (2) years, shall have the right to return to **their** former position within the bargaining unit. Such member shall continue to accumulate seniority during such period. Under extenuating circumstances, the above-noted timeline may be extended by mutual agreement.
- b) A seniority employee transferring into the scope of this Agreement from a position with a different CUPE bargaining unit within this Board shall be allowed to transfer **their** seniority.
- c) In cases where two or more employees have the same seniority, the original date of hire will be the deciding factor in determining the Employee with greater seniority. If the Employee's seniority remains tied, the date and time the offer of employment was accepted by the employee will be the deciding factor in determining the employee with greater seniority.

7.04 a) Layoff

In the event circumstances require the layoff of seniority employees, the Employer shall endeavour to provide as much notice of impending layoff as may be possible by providing the member and Union copies of the layoff notice. Both parties recognize that job security should increase in proportion to length of service, therefore, in the event of a lay-off, employees shall be laid off in the reverse order of their seniority list, subject to those employees who are retained being qualified and willing to perform the work required. The matter of qualifications is a decision of the Employer, which shall not be exercised in an unfair or unreasonable manner. **The Board will request an updated resume from affected employees.**

b) Temporary Employees During Lay-off

No Bargaining Unit member shall be laid off until all temporary employees have been laid off subject to such Bargaining Unit member being qualified and willing to perform

the job of the temporary employee. The Familiarization Period set out in Article 7.06 would apply.

7.05

Bumping

Surplus (Annual Process)

Employees who are to be surplus for the following school year shall take part in the Annual Process and will be notified by May 30 of each year. The Board and the Union agree to meet to discuss holding postings for positions at the same job classification level, tenure (12-month vs. 10-month) and percentage of time (full-time vs. part-time) where there is surplus at the March Break; this is to increase the number of vacant positions into which the surplus employees may be placed. This date may be changed by mutual agreement between the Board and the Union. Surplus employees will attend a meeting in June at which time the list of vacant positions will be provided. Employees will be asked to rank in order the positions to identify their first choice and subsequent choices. Positions will then be awarded by the Human Resources Department based on seniority with the most senior employee being placed in **their** first choice etc. until the least senior employee has been placed, provided at all times that the individual meets the basic qualifications of the position. The Board and the Bargaining Unit agree to waive the requirements under Articles 7.12 and 8.02. If a vacancy cannot be found that meets the criteria above, then the employee is entitled to access the bumping procedure as outlined below.

Bumping

Employees who are laid off due to lack of work or where a position has been deemed redundant by the Employer may:

- a) elect to accept layoff rather than exercise the bumping rights set out below; or
- b) displace the least senior bargaining unit employee in the same job classification level, same tenure (i.e. 12-month vs. 10-month), and same percentage of time (i.e. full-time vs. part-time) for which the individual is qualified to perform; or
- c) if unable to bump under (b) above, displace the least senior bargaining unit employee in the same job classification level, lower tenure, and the same percentage of time for which the individual is qualified to perform; or
- d) If unable to bump under (c) above, displace the least senior bargaining unit employee in the same job classification level, same tenure, and lower percentage of time for which the individual is qualified to perform.**
- e) if unable to bump under **(d)** above, displace the least senior employee in successively lower classification levels with the same tenure, and percentage of time as their previous position, for which the individual is qualified to perform; or

- f)** if unable to bump under (b), (c), (d) **or (e)** above, displace the least senior employee in successively lower classification levels with different tenure, and the same percentage of time as their previous position, for which the individual is qualified to perform.
- g)** if unable to bump under **(f)** above, displace the least senior employee in successively lower classification levels with the same tenure, and different percentage of time as their previous position, for which the individual is qualified to perform; or
- h)** if unable to bump under (b), (c), (d), (e), (f) **or (g)** above, displace the least senior employee in successively lower classification levels with different tenure, and different percentage of time whose position the individual is qualified to perform; or
- i)** If unable to bump under (b), (c), (d), (e), (f), (g) **or (h)** above, exercise rights under Article 7.04 a).

In the event of layoff, members of the Local Executive, Grievance Committee, and Area Stewards shall be the last to be laid off, regardless of where they may be employed. The Union shall keep the Employer informed of the names of the members of the Local Executive, Grievance Committee and Local Area Stewards. In the event of any dispute, the latest list of names as received by the Employer shall govern.

7.06 Familiarization Period

In all cases where, under Articles 7.04 a) or 7.05, an employee replaces a less senior member, the individual "bumping in" to the position will be given thirty (30) working days to become familiar with the new job. This period is not to be considered a training period. An employee not capable of carrying out the duties of the position after thirty (30) working days will be laid off.

7.07 Recall Rights

Seniority employees with more than one (1) year's service who are laid off because of lack of work shall have recall rights for rehiring for thirty (30) months from the date of layoff. Seniority employees with no more than one (1) year's service who are laid off because of lack of work shall have recall rights for rehiring for twelve (12) months from the date of layoff.

7.08 Recall to Work

Recall to work shall be electronically by Board email with copy to the Union. It shall be the duty of the employee to notify the Employer promptly of any change of address. Should the employee fail to do this, the Employer shall not be responsible for failure of such notice to reach the employee. An employee who is recalled to work must signify intent to return within three (3) working days after a notice of recall has been delivered and must return on the date specified or give valid reason why this is not possible, and shall return within ten (10) working days of the Employer's

acceptance of such delay in any event, or forfeit right to recall. It is understood that this process will not prevent the Board from meeting its operating requirements by filling the job temporarily with a bargaining unit employee who is recalled from lay-off, a Casual Support Staff, or a temporary employee.

Employees affected by a lay-off shall be recalled in order of seniority, to an equal position or lesser job classification, same tenure (12-month vs. 10-month), and same percentage of time (full-time vs. part-time), provided the employee has the qualifications to perform the job. If an employee is recalled to a position of lower classification level, tenure, or percentage of time, they must accept the position but will remain on the recall list.

If more than one position is available to employees on the recall list, the Board will allow recalled employees to choose among positions for which they are qualified.

An employee must accept any recall to a permanent vacancy, provided the employee meets the basic qualifications of the position. In this case, the Board and the Bargaining Unit agree to waive the requirements under Articles 7.12 and 8.02.

7.09 Seniority previously accumulated will be lost and an employee's services will be terminated whenever an employee:

- a) voluntarily leaves the employ of the Employer;
- b) is discharged and not reinstated through the grievance or arbitration procedure;
- c) upon being declared surplus if unable to be placed in accordance with Article 7.05; after a period of twelve (12) or thirty (30) consecutive work months from the date of layoff, as per Article 7.07;
- d) refuses the Board's offer of recall from lay-off to a permanent position regardless of tenure for which the employee has the required qualifications.

7.10 If new technology is introduced to the office or new or greater skills are required of the employees, the affected employees will be provided with the required training at the expense of the Board.

The Board agrees to notify the Union, in advance, of any technological changes that would result in the loss of a job classification. Such discussion will occur no later than thirty (30) days prior to any redundancy. The Board also agrees to discuss any staffing implications resulting from this loss.

7.11 School year employees who are laid off during the summer while school is not in session, will be recalled not later than school reopening in September, or earlier if needed, and subject to the employee reporting to work as specified after a reasonable notice.

7.12 Lateral Transfer

Employees shall be entitled to one (1) lateral transfer only per year. Notwithstanding the preceding, such restriction may be waived by the mutual agreement of the Union, the Manager of Employee Relations, and the employee.

7.13 Experience and Increments

All employees will receive increment increases on the basis of continuous service.

When the assignment is terminated, the employee shall be returned to **their position or to a comparable (i.e. same level, tenure, and percentage of time) position if it no longer exists.** If an Acting twelve (12) month position has been posted as a temporary assignment, and spans the March Break period, but is not filled by an existing member of the Bargaining Unit, the March Break period is not then required to be offered as assignments to ten (10) month employees.

While in a temporary assignment, Employees will not be eligible to apply for or accept a different temporary assignment.

- j) **Notifications**
 - i) Within ten (10) working days of the date of appointment to a vacant position, the name of the successful candidate shall be sent to each applicant. The Union shall be notified of all promotions, demotions, hirings, lay-offs, transfers, recalls, resignations, retirements, temporary assignments exceeding two (2) months, replacing permanent employees, deaths or other terminations of employment affecting seniority employees.

The Union has raised concerns regarding contracting out. The Board agrees that it will discuss, with the Union, any future contracting out that would result in the displacement of CUPE Local 2026 members before any final decision is made by the Board. These discussions will take place through an Ad Hoc Committee comprised of up to three (3) representatives of the Employer and three (3) representatives of the Union, plus appropriate resources, at time to be determined by the Employer.

The recommendations of this Ad Hoc Committee will be considered by the Board before any final decision is made by the Board.

LETTER OF UNDERSTANDING #2

Re: Job Evaluation/Terms of Reference/Maintenance Tool

The parties will meet to finalize the Job Evaluation tool and the Job Evaluation Terms of Reference within **ninety (90)** days of the **ratification of the Collective Agreement**, or at a time otherwise agreed to by the parties.

LETTER OF UNDERSTANDING #3

Re: Training Committee

The parties agree that a **Training** Committee comprised of **up to** three (3) representatives of the Union and **up to** three (3) representatives of the Employer, will meet to discuss professional development activities for members of CUPE Local 2026, no later than sixty (60) days following the date of ratification, **and thereafter shall meet a maximum of twice per school year.**

The Committee will be responsible for reviewing the professional development and training **needs** that is in support of the Board's goals and directions for CUPE Local 2026 members, and report their **recommendations** to the Superintendent of Human Resources & Employee Relations.

LETTER OF UNDERSTANDING #4

Re: OMERS Contributory Earnings

The parties agree that this Letter of Understanding, which contains an excerpt only from the OMERS website regarding the definition of Contributory Earnings, is for information purposes only and is not grievable.

As a reference for Employees, the parties have agreed to include the current definition of contributory earnings under the OMERS Pension Plan, as amended from time to time. For more information, employees may access the OMERS website at: www.omers.com

Definition of Contributory Earnings:

Contributory earnings must include all regular recurring earnings for all plan members including the following:

- Base wages or salary.
- Regular vacation pay if there is corresponding service.
- Normal vacation pay for other-than-continuous full-time members. Include vacation hours in credited service.
- Retroactive pay (including any pay equity adjustment) that fits with OMERS definition of earnings for all members, including active, terminated, retired and disabled members.
- Lump sum wage or salary benefits which may vary from year to year but which form a regular part of the compensation package and are expected normally to occur each year (for example, payment based on organizational performance, some types of variable pay, merit pay, commissions).
- Market value adjustments (for example, percentage paid in addition to a base wage as a result of market conditions, including retention bonuses if they are part of your ongoing pay strategy and not a temporary policy).
- Ongoing special allowances (for example, flight allowance, canine allowance).
- Pay for time off in lieu of overtime.
- Pay in lieu of benefits (for example, when an employer has a flexible benefit program and the employee receives compensation in lieu of the benefit option).
- Salary or wages for period of suspension where a member is reinstated with full pay and seniority (for example, a grievance settlement specifically reinstates a terminated employee with full pay and seniority).
- Danger pay.
- Acting pay (pay at a higher salary rate for acting in place of an absent person).
- Shift premium (pay for shift work).
- Ongoing long service pay (extra pay for completing a specified number of years of service).
- Sick pay deemed to be regular wages or salary.

- Salary or wage extension for any reason, provided service is extended (the member must be kept whole for example, continuation of salary and benefits). If the member becomes employed in another position and begins contributing to another registered pension plan (except CPP), the balance of the extension period becomes unpurchasable service.
- Stand-by pay/call-in pay (pay for being on call, not pay for hours worked when called in) where this pay is in relation to duties that are an extension of the member's normal job.
- Living accommodation premiums provided (if paid as a form of compensation and not as a direct expense reimbursement).
- Ongoing taxable payments to pay for costs (for example, educational or car allowance).
- Taxable premiums for life insurance.
- Taxable value of provided vehicle or car allowance (for example, if an employer provides an allowance (that is, expenses that are not reimbursed) then the allowance is considered part of contributory earnings. If an employer reimburses mileage, this reimbursement represents payment for gasoline, maintenance, insurance, wear and tear on the vehicle and license fees and should not be included as part of contributory earnings).
- Payments for unused accumulated sick days or vacation time, only on retirement and only if credited service is extended. When you include lump-sum payments for unused sick days or vacation time as contributory earnings, you must also extend the retirement date and the credited service by the number of days covered by the payment. The members pension will begin on the first day of the month following the revised retirement date.

LETTER OF UNDERSTANDING #5

Re: Bumping: Surplus (Annual Process)

This Letter of Understanding (LOU) is intended to compliment the current language in Article 7.04 and Article 7.05 of Part B of the Collective Agreement between the parties. For greater clarity, it does not replace the language in Article 7.05, and is applicable to school-based positions only.

Where the Board must declare more than five (5) Full-time Equivalent (FTE) surplus in a job classification, the Board agrees to hold postings for the same job classification.

The Board will begin holding postings as of April 1st. Any positions for the same job classification that become vacant from April 1st, will be held for the surplus process in June.

The most junior incumbents in the job classification equivalent to the number of FTE being declared surplus will be notified that they may be affected.

In the event that there are not enough vacancies for the surplus employees held from April 1st, the bumping process outlined in Article 7.05 will be triggered. For clarity, the most junior incumbents in the affected job classification will be utilized for bumping.

Surplus employees will be invited to a meeting in seniority order, starting with the most senior affected employee, to select a position from the list of available positions. Available positions include held vacancies and positions occupied by the most junior incumbents (if necessary), totaling the number of positions to be surplus.

If five (5) or fewer FTE are to be declared surplus, the terms of Article 7.05 shall apply as written.

This LOU shall expire on August 31, 2026, and shall have no further force and affect as of the date of expiration.
