Deductions shall be made in respect of all subsequent months, provided an employee works any part of the month.

2.3 Method

discriminatory promotion or demotion, or a claim that a seniority employee has been discharged or disciplined without proper cause, may be the subject of a grievance and dealt with under the provisions of Article 15 of this Agreement.

- (a) MLHU confirms that it does not intend to use the Article 3.1 wording to routinely assign or re-assign CUPE employees outside their own team or division. If such broader assignments/re-assignments are going to occur, MLHU shall advise CUPE fifteen (15) working days in advance and discuss the reasons. In any assignment/re-assignment situation, MLHU and CUPE confirm their mutual commitment to productive dialogue regarding employee or CUPE concerns.

Such release as identified in (i), (ii), or (iii) above shall not be the subject matter of a grievance or Arbitration Procedure.

- (e) A **school year employee** is a full-time or part-time employee who works for a standard school year and who is not temporary and has completed the probationary period. A school year employee is paid on an hourly basis. A school year employee may be required to do occasional work during school breaks to cover for other employees.
- (f) A **student employee** is a student employed during the regular school vacation or during a work term for a period not to exceed six (6) months. A student is not covered by the terms of this Agreement. It is understood that students are supernumerary and their utilization will not result in the layoff of any employee

covered by this Agreement nor will students be used to fill established positions within the Bargaining Unit.

- (g) A student enrolled full time in an educational institution employed to work on special projects or programs (e.g. Youth Leaders, Test Shoppers, Vector Borne Disease students) or during the school term to fulfill requirements of their academic program (e.g. Public Health Inspector students) will not be covered by this Agreement. The employment of students in any capacity will not result in the layoff of any employee covered by this Agreement.
- (h) A **casual employee** is an employee who is hired on a permanent basis and who works on an interim replacement or on an occasional basis, and is paid an hourly rate, but is not guaranteed a minimum number of hours of work on an ongoing basis. A casual employee who is assigned to a full-time temporary position as a leave replacement retains casual status.
- (i) Temporary employees are considered external candidates for the purposes of job posting. Those temporary employees who have worked for the Employer for multiple consecutive contracts and greater than eighteen (18) consecutive months will be considered internal candidates for the purpose of postings of full-time and part-time positions within their program team or Division.

7.2 **Job Postings**

Whenever a new position is established or there is a vacancy in any of the positions covered by this Agreement, and the Employer proposes to fill the vacancy, the position/vacancy shall be posted for five (5) working days in Divisions. The posting will contain a summary of the job description for the position, the number of new or vacant positions to be filled, the respective Division and office location for each initial assignment, the salary range, the date of closing of the posting and where applications are to be directed. A vacancy may be posted internally and externally at the same time, with all internal candidates being considered before external applicants. The successful applicant will be selected within a reasonable time after such posting as follows:

- (a) each applicant will be considered in accordance with their seniority as defined in Article 8.1 of this Agreement and seniority will govern in making the appointment provided that the senior employee possesses the necessary skill, ability and qualifications to perform the duties involved. Employees who successfully pass a test, but are not appointed to the position, will not be required to repeat the same test for the same position for a period of three (3) years;
- (b) if there is no applicant or no successful applicant from the Bargaining Unit, the Employer may then fill the vacancy from outside the Bargaining Unit;
- (c) for the purposes of these provisions, seniority shall be applied on a Health Unit wide basis.

In this Agreement the expression “**vacancy**” means that the position is vacant due to events such as promotion, resignation, retirement or discharge and is indefinite or long lasting in nature and does not include a vacancy caused by approved or authorized absence from work of any employee. Temporary opportunities of four (4) months or more will be posted as per Article 7.2.

- 7.3** Permanent employees promoted or awarded new positions shall be given one (1) month (twenty (20) working days), as a trial period. If during the trial period the employee is unable to perform the duties of the position, the employee shall be returned to their former position without loss of seniority to such position.
- 7.4** A Director, the Union, or an employee shall be entitled to recommend re-evaluation of a position if added responsibilities/accountabilities so warrant. The recommendation is to be submitted to the Associate Director, Human Resources and Labour Relations and/or designate for formal evaluation by the Joint Job Evaluation Committee pursuant to the Job Evaluation Procedures set out in Schedule B.
- 7.5** A manual of position descriptions shall be provided to the Union once (1) a year if requested, and a supplement showing each new and/or revised position description shall be provided as new and/or revised positions are approved, rated and classified.
- 7.6** When any employee is promoted or a posted position is filled, notice of the promotion, stating the name of the employee promoted, the position affected and the effective date of the promotion, shall be posted and the Unit Chair shall be notified, in writing, as soon as possible after confirmation by the Health Unit.
- 7.7** If a vacant full-time or vacant part-time position is not going to be posted as full-time or part-time, the Employer and the Union will meet to discuss the rationale.
- 7.8** When an employee is promoted to another position in a different salary band, the employee shall be placed on the salary step which represents an increase to their current salary based on experience, skills, and ability as determined by the Employer.

ARTICLE 8 – SENIORITY

- 8.1** Full-time, part-time, full-time school year, part-time school year and casual employees shall accumulate seniority based upon the length of continuous service within the Health Unit. Seniority shall be accumulated on the calendar year basis commencing with the employee's date of last hire with the Health Unit.
- 8.2** Employees who start their permanent employment with the Employer on the same date will have their sub-seniority clarified by following this procedure:
- (a) employees will participate in a draw within the first three (3) months of their permanent employment to establish sub-seniority. The draw will be overseen by a member of Human Resources and a Union Representative;
 - (b) the employee whose name is drawn first will have first sub-seniority over other employees with the same hire date, and so forth;

- (c) all employees participating in the draw will sign a memo indicating their agreement with the process and their sub-seniority date.
- 8.3** Seniority shall be broken and employment will be terminated for the following reasons only:
- (a) if the employee resigns in a written statement;
 - (b) if the employee is discharged and is not reinstated through the Grievance Procedure;
 - (c) if the employee is absent from work without permission from the Director or CEO or designate for five (5) or more than five (5) consecutive working days unless such absence is proven to the satisfaction of the Employer to have been due to causes beyond the employee's control;
 - (d) if the employee retires in a written statement;
 - (e) if the employee uses any leaves of absence for purposes other than for which the leave was granted, or fails to report for work following the end of an approved leave of absence without providing a reason satisfactory to the Employer;
 - (f) if the employee is laid off for a period in excess of twelve (12) consecutive months.
- 8.4** In determining the length of service for the purpose of seniority, continuity of service shall not be considered interrupted if:
- (a) absence from the Health Unit service is due to leave of absence granted by the Health Unit in accordance with Article 19.1, or that falls within the statutory leaves prescribed by the *Employment Standards Act, 2000*, as amended from time to time;
 - (b) a layoff where the period involved is less than twelve (12) consecutive months.
- 8.5**
- (a) Any employee who is successful in being selected for a temporary non-union position will retain their seniority acquired to the start date of the assignment for a period of up to a total of twelve (12) consecutive months, or in the case of pregnancy or parental leave, eighteen (18) consecutive months, but will not accumulate any further seniority under the Collective Agreement during the temporary period. The Employer shall adjust the seniority list accordingly.
 - (b) If the successful candidate is a Bargaining Unit member, the Union shall be notified in writing within five (5) days of the selection. The Employer shall provide the transfer offer letter and the name of the successful applicant, their permanent position, start and end date of the assignment, title of the temporary position, and the nature of the temporary position (i.e. special funding).
 - (c) During the assignment, the employee shall not continue to pay Union dues as per Article 2, and shall not be covered by the terms of the Collective Agreement

except they shall be treated for the purpose of benefits as per Article 13 and vacation as per Article 12 as if they had not left the Bargaining Unit.

- (d) In the event the employee returns to a Bargaining Unit position within twelve (12) consecutive months, or in the case of pregnancy and/or parental leave, eighteen (18) consecutive months, the employee shall be credited with the seniority that they held at the start of the assignment and will resume accumulation of seniority from the date they return to the Bargaining Unit. For clarity, the employee shall not accumulate any seniority while in a temporary non-union position.
- (e) If the employee does not return to the Bargaining Unit within twelve (12) consecutive months from the commencement of the assignment, or in the case of pregnancy and/or parental leave, eighteen (18) consecutive months, the employee shall forfeit all Collective Agreement rights, including accumulated seniority and shall no longer be a member of the Bargaining Unit.
- (f) The Employer may request an extension beyond twelve (12) consecutive months. Such extension shall be by mutual agreement between the Parties in writing as a Letter of Agreement.
- (g) No employee shall be transferred to a non-union position without their consent.

ARTICLE 9 – REMUNERATION

- 9.1 The scale of remuneration set out in Schedule A shall apply during the term of the Agreement.
- 9.2
 - (a) All the rights, benefits and privileges which the employees now enjoy, receive or possess, shall continue to be enjoyed, possessed and held by the employees. In any reclassification and evaluation, the present incumbent will not receive a decrease in earnings but, if present salary is greater than what is laid out in Schedule A for that classification, they will be red circled.
 - (b) The Employer shall provide the Union with a current seniority list by January 31st of each year, and up to two (2) additional lists annually at the special request of the Union. The seniority list of all employees covered by this Agreement will show:
 - (1) length of service with the Health Unit;
 - (2) present classifications;
 - (3) notice that it is the responsibility of all employees to bring to the attention of the Employer any inaccuracies in the seniority list within thirty (30) days of the posting of same.
 - (c) Positions in the salary grid shall be determined through a method of job evaluation and job classification as may from time to time be agreed upon between the parties.

- (d) An employee required to perform the duties of a higher rated position shall be paid the higher rate for the time so occupied, whether it is their own or that of the employee replaced, except that this Article shall not apply when replacing a senior employee in their own department during the first (1st) month's sick leave or during the annual vacation period of the said senior employee.
- 9.3 School year, part-time, temporary and casual hourly rated employees shall be paid on an hourly basis in accordance with the hourly rates set out in Schedule A.
- 9.4 Where a shift for a part-time or casual employee is cancelled with less than twenty-four (24) hours notice, they shall be paid a minimum of three (3) hours of regular pay.

Should work be required on a Saturday, the Employer will ask employees who are qualified to meet the demands of the required service to volunteer for the Saturday work, failing which the Employer will assign the work. Saturday work will be assigned to qualified employees in a manner that does not unduly burden any individual employee. A shift premium of four (\$4.00) dollars per hour will be paid for normal hours of work on Saturday.

Employees who work Saturdays pursuant to this provision will be granted either two (2) consecutive days off (e.g. Sunday & Monday) or Sunday and an alternate day off during the week. Should an employee wish to take their time off at a later date it will be taken at a mutually agreeable time no later than three (3) months following the day worked.

The normal lunch will be a one (1) hour unpaid lunch period commencing no later than five (5) hours after the start of the employee's scheduled shift. Where the normal lunch cannot be taken due to service provision or schedule requirements, the meal break shall be in accordance with the *Employment Standards Act, 2000*, as amended from time to time. Employees may request to flex thirty (30) minutes of their one (1) hour lunch with pre-approval from their Manager or designate, which will not be unreasonably denied.

The schedule of work shall normally be established by the Employer on a monthly basis no less than fifteen (15) days prior to the commencement of each month.

Notwithstanding their established schedule of work, an employee may request the opportunity to change their schedule including working more than seven (7) hours per day to accumulate time within the pay period, or compensatory time, both of which will be paid at straight time, with approval from their Manager which will not be unreasonably denied provided programming needs are met.

10.2 Overtime

Overtime shall mean any period of time worked in excess of seven (7) hours a day or thirty-five (35) hours a week, or on Sundays and holidays, excepting those hours worked on Sunday as part of the normal hours of work of a part-time or casual Family Home Visitor or Tobacco Enforcement Officer. Where compensating time off is chosen for Saturday work, overtime will not be paid. Hours worked in excess of thirty-five (35) hours a week pursuant to Article 10.1 above shall not be paid at overtime rates.

- 10.3** Overtime compensation at the rate of time and one-half (1/2) will be paid for all overtime hours worked from Monday to Saturday inclusive. Double time will be paid for all hours worked on a Sunday or holiday, except those hours worked on Sunday as part of the normal hours of work of a part-time or casual Family Home Visitor or Tobacco Enforcement Officer. Authorization for hours worked other than detailed in Article 10.1 must be given by the Director/Manager in advance and confirmed in writing.

The Director/Manager may, at their discretion, give time off in lieu of overtime compensation, which time off shall reflect the applicable overtime rate.

10.4 Meal Allowance

Where any employee covered by this Agreement is required to work on-site or in the community ten (10) continuous hours or more in one (1) day, the employee shall be entitled to a meal allowance for one (1) individual meal of up to eighteen dollars (\$18.00) as receipted.

10.5 Call-in

An employee who is called in and is required to work outside their regular working hours shall be paid a minimum of three (3) hours at the applicable overtime rate. Should the employee be called in to work on a pre-approved vacation day, the employee will be paid at time and one-half (1/2), and the employee will be entitled to reschedule their vacation day.

10.6 On-call

The

ARTICLE 15 – GRIEVANCE & ARBITRATION

15.1 General

It is the mutual desire of the Employer and the Union that a complaint shall be adjusted as quickly as possible.

All meetings at which grievances are processed shall be in camera.

The time limits fixed in both Grievance and Arbitration Procedures may be extended by consent of both the parties to this Agreement. Employees of the Employer who are members of the Bargaining Unit (as defined in Article 1 and Article 2.1) shall be required to follow the procedures hereinafter detailed.

Whenever an employee is to be disciplined, suspended, dismissed or is requested to resign, Human Resources will notify the applicable member of the Senior Leadership Team and/or designate, who may elect to be present with Human Resources and the 2nd Vice-President Sub-Unit when the discipline, suspension, dismissal or request takes place. The Union Steward or any other employee representing the union at any meeting under this Article shall give advance notice to their Supervisor of the intention to attend such a meeting during the regular work schedule. Permission to attend shall not be unreasonably withheld.

opportunity to resolve the dispute before filing a grievance. Complaints involving the employee's Manager shall be brought to the employee's Director. In discussing such complaint, the employee may be accompanied by the 2nd Vice-President Sub-Unit or their appointed representative at the request of either party. Grievances may be filed in writing at Step 1 after five (5) working days of receiving a response from the Manager in accordance with this paragraph.

- (b) A grievance filed by a group of employees or a policy grievance shall be submitted to the CEO or designate within and not after fifteen (15) working days after the date of the incident giving rise to the grievance or when the aggrieved party ought reasonably to have been aware of such incident or circumstances.

A grievance filed by a group of employees and a policy grievance of the Union shall be taken up at Step 2 of the Grievance Procedure.

- (c) A policy grievance of the Employer shall be in writing and may be initiated by the Employer delivering the grievance to the 2nd Vice-President Sub-Unit, or, in their absence, to another Officer of the Union. If any such grievance is not settled within fifteen (15) working days of the date of such delivery, the Employer may refer the grievance to Arbitration.

Step 1

A complaint which is not settled by the immediate Supervisor, shall be reduced in writing, and shall be filed with the Associate Director, Human Resources and Labour Relations and/or designate under the direction of the Union's Grievance Committee. The Associate Director, Human Resources and Labour Relations and/or designate may call a meeting within ten (10) working days, notice of which will be given at least five (5) days prior to the meeting. Those in attendance shall be the employee, their Union representatives, the Supervisor and Human Resources. The Associate Director of Human Resources and Labour Relations and/or designate shall deal with the grievance and render their decision thereon in writing not later than five (5) working days following the day on which they received the grievance or following the meeting under this section, whichever is the latest. The Union shall reply to the Employer's decision in writing not later than five (5) working days following the day on which they received the decision.

Step 2

A complaint which is not settled by Human Resources, shall be reduced in writing, and shall be filed with the CEO or designate under the direction of the Union's Grievance Committee. The CEO or designate may call a meeting within five working days to hear from the employee, their Union representatives, the Supervisor or the Associate Director, Human Resources and Labour Relations and/or designate. The CEO or designate shall deal with the grievance and render their decision thereon in writing not later than five (5) working days following the day on which they received the grievance or following the meeting under this section, whichever is the latest.

A referral to Arbitration will be made by either party in writing within thirty (30) days of the receipt of the final decision in Step 2.

15.3 Arbitration

Where a difference arises between the Parties relating to the interpretation, application or administration of this Agreement, including any question as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the Parties may, after duly exhausting the Grievance Procedure established by this Agreement, notify the other Party in writing of its desire to submit the difference or allegation to Arbitration. The notice shall contain the names of three (3) persons selected by the first party as being appropriate to act as the Sole Arbitrator herein. The recipient of the notice shall, within five (5) days, inform the other party as to whether or not any of the three (3) names submitted by the first party are acceptable to it as Sole Arbitrator, and in the event that the recipient of the notice is not able to accept any of the three (3) names so put forward, it shall name three (3) persons deemed appropriate by it to act as Sole Arbitrator herein. Within five (5) working days after such suggestions are received from the recipient of such notice, and in the event that none of the six (6) names so put forward are acceptable to both parties to act as Sole Arbitrator, the parties jointly agree to request the appropriate government agency for the province of Ontario to appoint a Sole Arbitrator to hear such grievance. The Sole Arbitrator shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any employee affected by it.

The Sole Arbitrator shall not have any authority to alter or change any of the provisions of this Agreement or to substitute any new provisions in lieu thereof, or to give any decision contrary to the terms and conditions of this Agreement, or in any way modify, add to or detract from any provisions of this Agreement. Each of the parties to this Agreement will share equally the fees and disbursements of the Sole Arbitrator.

- 15.4** The Employer agrees that the record of disciplinary action placed against an employee shall not be used against that employee after the lapse of twenty-four (24) months from the date of issue provided the employee has been discipline free. Leaves of absence in excess of thirty (30) continuous calendar days will not count towards the twenty-four (24) month period referenced above.

Letters of expectation will be removed from the employee's record no later than eighteen (18) months following receipt of the letter and will be replaced with a document outlining only the expectations that were provided to the employee and the date of the original letter. The Union and the employee shall be provided with a copy of the new document prior to replacing the Letter of Expectation.

ARTICLE 16 – PROTECTION OF EMPLOYEE'S POSITION

- 16.1** The Employer agrees that it will not put out for tender or contract or employ a person or persons or group of persons for any job now filled by an employee falling within the scope of this Agreement, so as to have the effect of depriving any employee covered by this Agreement of their job.

Currently, the reimbursement rates will be sixty-nine cents (\$0.69) for the first five thousand (5000) kilometres per calendar year, and sixty-three cents (\$0.63) per kilometre thereafter. Subsequent rate changes will take effect on January 31st of each year.

Employees will submit mileage or business-related claims on a monthly basis in accordance with the policies as provided by the Assistant Director, Finance. Claims that are submitted more than three (3) months late, or that are submitted more than one (1) month after the end of the calendar year will not be accepted. The Employer shall reimburse mileage no later than one (1) month after the end of the month in which the mileage or business-related claim is submitted.

- 17.2** The Employer shall provide any additional cost of passenger hazard insurance required to cover employee's cars. All drivers shall carry a minimum of One Million Dollars Public Liability and Property Damage Insurance.
- 17.3** Part-time employees, when required to provide a car as a condition of their employment, shall receive an allowance in cents per kilometre as set out in Article 17.1.

- 17.5** Mileage for employees under Hybrid Work Arrangement, or otherwise permitted to work remotely, to a point of call other than the employee's normal place of work at the start or end of their work day (designated office location) shall be paid from either:
- (a) the employee's home to the point of call; or
 - (b) the employee's main designated office location; whichever is the lesser distance.

Mileage driven from the employee's home to the designated normal work location at the start or end of their work day will not be paid as work mileage.

ARTICLE 18 – PREGNANCY/PARENTAL LEAVE

- 18.1** The Employer will grant pregnancy and parental leaves in accordance with the provisions of the *Employment Standards Act, 2000*, as amended from time to time.
- 18.2** Employees wishing to take pregnancy or parental leave shall apply in writing, as far in advance as possible, but no later than one (1) month before the date of leave is to begin, unless circumstances beyond the control of the employee are involved, stating the start and end dates of the pregnancy and parental leaves. The request shall be accompanied by a certificate from the employee's attending physician attesting to the pregnancy and indicating the probable date of delivery.
- 18.3** The employee may cease work at any time during the pregnancy, upon recommendation of the employee's attending physician. If, prior to four (4) weeks before the estimated date of delivery or the date requested by the employee for commencement of their pregnancy leave, whichever is earlier, an employee becomes ill as a result of complications arising out of a pregnancy, Article 13.5 and Long-Term Disability (LTD) provisions shall apply. If the employee stops working due to complications caused by the pregnancy or because the birth takes place earlier than the due date, the employee shall give notice of when the leave began within two (2) weeks of stopping work.
- 18.4** The Employer agrees to implement a Supplementary Employment Benefit (SEB) Plan. An employee who qualifies for pregnancy or parental leave, as set out above, will be eligible to receive SEB benefits during the leave if they have applied for and are in receipt of Employment Insurance Benefits. The SEB benefits for which an employee may be eligible include:
- (a) A supplemental employment insurance benefit equal to eighty percent (80%) of the employee's normal basic earnings for the mandatory employment insurance waiting period stipulated in the *Employment Insurance Act*; and
 - (b) A supplemental employment insurance benefit equivalent to the difference between eighty percent (80%) of the employee's regular weekly earnings and the earnings of the employee's weekly rate of employment insurance benefits and any other earnings, for a maximum of sixteen (16) weeks of pregnancy/parental leave.

Such payments shall be contingent upon the employee providing proof that they are eligible for, or in receipt of, Employment Insurance pregnancy or parental leave benefits during the period of payment. Regularly weekly earnings for full-time employees shall be based on employee's salary on the last day worked prior to the commencement of the leave. Regular weekly earnings for part-time or casual employees who take pregnancy or parental leave will be based on the insurable earnings paid in the twenty-eight (28) weeks immediately preceding the pregnancy or parental leave.

Employees have no vested rights to payments under the Plan except to payments during a period of unemployment specified in the Plan. The payment of SEB benefits will not reduce or increase the employee's entitlement to other remuneration or benefits related to their employment, such as paid vacation time, paid sick time, pension contributions, or severance pay.

- 18.5** When the employee returns to work from the authorized leave(s), they shall be entitled to return to the position most recently held if it still exists, or to a comparable position and wage rate, if it does not.
- 18.6** Where it is not possible for an employee on pregnancy or parental leave to return to work at the end of the approved leave for health reasons, they must produce a certificate from the employee's attending physician in order to qualify for sick leave consideration.
- 18.7** In cases where an employee's absence qualifies as either pregnancy or parental leave, credit for service for the purpose of vacation, sick leave, seniority and for the purpose of salary increment and for any other benefit under the Collective Agreement or otherwise, shall continue to accumulate during the leave. The Employer will continue to provide its share of group insurance benefits in accordance with Article 13 to employees on pregnancy or parental leave during such leave.
- 18.8** A parent includes the natural mother or father of the child, a person with whom a child is placed for adoption and a person who is in a relationship with the parent of a child and who intends to treat the child as their own.
- 18.9** Notwithstanding Article 7.1 (d), should an employee elect to extend their absence from work to care for their child(ren) on a full-time basis, the Employer may extend the temporary assignment of the temporary employee.
- 18.10** Effective the first (1st) of the month following ratification, an employee who begins pregnancy/parental leave will receive pro-rated vacation credits based on paid time (including SEB payments) for the year the employee goes on pregnancy/parental leave and will receive unpaid vacation time relating to the unpaid portion of their leave.

ARTICLE 19 – GENERAL LEAVE OF ABSENCE

- 19.1** An employee may make application to the Employer for leave of absence without pay for personal reasons that fall outside the statutory leaves prescribed by the *Employment Standards Act, 2000*, as amended from time to time, for a maximum of twelve (12) months. - (l) The employee shall give ninety (90) days' notice of intent to return.
- (m) The employee will be reinstated to their former position unless the position has been discontinued, in which case the employee shall be given a comparable job.
- (n) Final approval for entry into the pre-paid leave program will be subject to the employee entering into a formal Agreement with the Employer in order to authorize the Employer to make the appropriate deductions from the employee's pay. Such Agreement will include:

SCHEDULE B – JOB EVALUATION MAINTENANCE PROCEDURES

The following procedures apply to ensure that all new or changed positions are evaluated and included in the salary grid for Job Evaluation and Pay Equity maintenance.

All positions within the Bargaining Unit as of August 2005 were evaluated in early 2006. A new salary grid structure with nine (9) bands was negotiated in January 2007.

INDEX:

PART A: Definitions

PART B: New Jobs/Positions

PART C: Changed Jobs

PART D: Joint Job Evaluation Maintenance Committee (JJEMC)

PART E: Settlement of Disagreements

PART A: DEFINITIONS:

JOB EVALUATION – a process of ranking jobs based upon the skill, effort, responsibilities and working conditions of a job or position's duties as assigned by the Employer.

POSITION – defined duties and responsibilities that describe the range of work to be performed either wholly or in part by individuals holding the position. The duties and responsibilities are summarized in a Position Description, each of which has a Position Title. All Position Titles will appear on the salary grid in Schedule A.

JOB – the duties and responsibilities within a Position Description, assigned to an individual. A descriptive name may be used informally to distinguish one (1) job from another where both are described by the same Position Description.

SALARY BAND – a collection of Positions that have been evaluated by a point factor system to have a total score within the established range for that band.

SUBSTANTIAL CHANGE TO A POSITION – may include but is not limited to:

- the addition of duties different in nature from those described in the position description;
- a change that could affect the skill, effort, responsibility or working conditions of a position

A substantial change does not necessarily result in a change in evaluation.

Substantial change does not include:

- temporary assumption of duties of another position for employee development or training purposes or to temporarily replace another employee;
- volunteering to serve on committees;
- being required to use new or updated software used to perform the existing duties of a position;
- providing new or additional examples to illustrate the responsibilities of the position;

- a change in the performance standards for a position;
- duties assumed as a result of an emergency; and/or,
- applying new processes or procedures to produce the same or similar work.

RED-CIRCLING – occurs when the pay rate of an employee is frozen at its current rate until such time wage rates for the band at which the job has been evaluated salary grid exceed the employee's pay rate.

PART B: JOB EVALUATION PROCEDURES FOR NEW JOBS/POSITIONS

When the Employer establishes a new job/position that is to be posted under Article 7.2, the following procedures shall apply:

1. When the Health Unit establishes a new job, a Position Description (PD) will be provided. The Employer will draft a Job Analysis Questionnaire (JAQ) for the new job/position.
2. The Employer will submit the PD and draft JAQ to the co-chairs of the Joint Job Evaluation Maintenance Committee (JJEMC), who shall meet and establish a temporary pay level for the new job/position based on the PD and draft JAQ provided by the Employer.
3. The new job/position shall be posted and the posting will indicate that the rate of pay is subject to final evaluation by the JJEMC. The posting of the new position shall not be delayed by the requirement that the Co-chairs of the JJEMC meet to establish the temporary pay rate.
4. Any employee(s) appointed to the new job shall receive a copy of the PD and draft JAQ. The employee(s) will be paid at the temporary rate of pay set by the Co-chairs of the JJEMC until the final evaluation is completed by the JJEMC.
5. After the new job/position has been continuously occupied by the same employee(s) (i.e. the incumbents) for nine (9) months, a JAQ will be completed by the incumbent(s) and the Manager/Director, with the assistance of the Co-chairs of the JJEMC, and with reference to the PD and draft JAQ. Changes to the draft JAQ and PD will be noted clearly and if there are any differing opinions about aspects of the job, those will be resolved by the CEO or designate. The JAQ shall be signed by the incumbent(s) and the Employer, including the CEO or designate. These documents will then be submitted to the JJEMC to complete the final evaluation of the job/position.
6. When the JJEMC has completed the final rating of the new job/position, it will provide the Employer and the incumbent(s) with a copy of the final rating results. If necessary, the PD will be revised to reflect the final evaluation and copies will be provided to the incumbent(s) and the JJEMC.
7. If either the incumbent(s) or the Manager/Director believe that the final evaluation results are not consistent with the job/position's skill, knowledge, effort and working conditions, the incumbent(s) and the Manager/Director shall complete a Final Review Request Form and submit it to the JJEMC Co-chairs within three (3) weeks of receipt of notification of the job evaluation results. The JJEMC will meet to consider the request and decide whether to re-open the evaluation. The JJEMC will inform the incumbent(s) and the Employer of its decision in writing.

8. If the pay level increases as a result of the final rating of the job, such increase shall be paid to each incumbent(s) effective the date of their appointment to the job, not to exceed twelve (12) months should job evaluation be delayed. In the event that the pay rate of the job/position decreases as the result of this final rating, the pay rate for the incumbent(s) shall be red-circled until it is within the salary band for the position.

PART C: JOB EVALUATION PROCEDURE FOR CHANGED JOBS

When the Employer makes substantial changes to the duties and responsibilities of a job or Position Description (PD), or when the incumbent(s)/Union feels that the duties and responsibilities of a job have been changed substantially, the following procedures shall be followed:

- 1) The incumbent(s) may request a Reconsideration Form noting changes to the position. The Employer and incumbent(s) shall meet to review the existing Job Analysis Questionnaire(s), rating sheet(s) and Position Description.
- 2) If the Employer confirms that changed duties and responsibilities identified by the incumbent(s)/Union are not a required part of the PD, the Employer may direct the incumbent(s) to immediately cease performing the changed duties and responsibilities. The duties identified will still be submitted to the JJEMC for consideration. If the job is evaluated at a higher rate on the salary grid, the incumbent(s)'s pay will be adjusted in accordance with 4(b). The higher rate will only be effective to the date the Employer directs the incumbent(s) not to perform the duties.
- 3) If the Employer confirms that duties and responsibilities not previously described are a required part of the job and fall outside the PD, the Reconsideration Form shall be completed and signed by the incumbent(s) and the Employer, including the CEO or designate. The Reconsideration Form will comment only on those aspects of the job identified as having been added, removed or changed.
- 4) The completed Reconsideration Form shall be submitted to the JJEMC for consideration along with the original JAQ and PD. When the Committee has completed the reconsideration of the rating of the job; it will provide the Employer and the incumbent(s) with a copy of the results. The decision will not be subject to further reconsideration for at least twelve (12) months.
 - a) If the job remains within the PD and consequently is at the same band on the salary grid as a result of the reconsideration, the Employer will update the PD and the JAQ to include the changes. Copies will be given to the incumbent(s) and to the JJEMC for their files.
 - b) If the job is evaluated at a higher band on the salary grid,
 - i) the pay rates for the incumbent(s) will be adjusted retroactively back to the date that the Reconsideration Form was signed by the incumbent(s) and given to the Employer. The incumbent(s)'s rate of pay shall remain on the same step on the grid. As necessary, the Employer will update the JAQ and the PD, or create a new PD. Copies will be given to the incumbent(s) and to the JJEMC for their files.

PART D: THE JOINT JOB EVALUATION MAINTENANCE COMMITTEE (JJEMC)

1. The JJEMC shall have equal representation and participation from the parties, consisting of three (3) representatives plus one (1) alternate from the Employer and three (3) representatives plus one (1) alternate from the Local Union.
2. The Employer and the Union shall each designate one (1) of its representatives to act as Co-chair person. The Co-chairpersons are responsible for:
 - a) The chairing of committee meetings;
 - b) The scheduling of regular committee meetings and ensuring that members have notified their Supervisors and confirmed their availability to ensure a quorum;
 - c) Establishing the priority of matters to be acted upon by the Committee.
 - d) Conducting the interim evaluation of new positions to establish a temporary pay rate.
3. Each party may appoint alternate representatives to serve as replacements for absent members. Alternate members shall have the right to vote only when replacing a regular committee member who is absent.
4. A committee member shall be excused from rating their own job, the position of a direct subordinate, or any position where the rating of that job may place them in a conflict of interest situation.
5. The Employer will provide administrative support services to the Committee. The person performing these functions will be a non-voting member of the Committee. These services shall be under the direction of the Co-chairs and shall include:
 - a) The distribution of all committee correspondence to the Committee Co-chairpersons;
 - b) The preparation and distribution of meeting agendas prior to the meeting;
 - c) The preparation and distribution of minutes;
 - d) The preparation and distribution of committee documents, including individual rating sheets for each job;
 - e) The maintenance of committee files.
6. The Committee shall meet as necessary at a mutually agreed upon time and place. Either party may call a meeting by giving notice and this meeting shall take place within seven (7) working days of the notice to the other party's Co-chairperson.
7. Routine business decisions of the Committee shall be made by a simple majority. Job rating decisions shall require a consensus decision of the full Committee and shall be final and binding on the parties, subject to the appeal process. Until the JJEMC has communicated its decision to the parties involved, the business of the Committee shall be held confidential.
8. Where the JJEMC feels that further information is required in addition to the JAQs and PDs, the JJEMC may interview the incumbent(s) and the Employer.

9. The JJEMC shall ensure that the rating sheet clearly provides substantiating data to support the rating.
10. Either party to the Agreement may engage advisors to assist its representatives on the JJEMC. Any such Advisor shall be entitled to voice but not to vote and shall not be considered to be a member of the Committee.

PART E: SETTLEMENT OF DISAGREEMENTS

1. In the event the JJEMC is unable to reach agreement on any matter relating to the interpretation, application or administration of the Job Evaluation Program, the Co-chairpersons of the Committee shall request, within ten (10) working days, that each party designate an Advisor to meet with the Committee. The two (2) Advisors shall meet with the Committee and attempt to assist the Committee in reaching a decision.

If, after meeting with the two (2) Advisors appointed pursuant to Article 7.1, the Committee remains unable to agree upon the matter in dispute, the Co-chairpersons shall advise the Union and the Employer of this fact, in writing, within fifteen (15) working days.

2. In the event the JJEMC is unable to reach agreement on any matter relating to the interpretation, application or administration of the Job Evaluation Process, Article 6.1(a) shall apply.

THE CANADIAN UNION OF PUBLIC EMPLOYEES – LOCAL 101

RE: JOB SHARING

- A. The parties have agreed to participate in job sharing to allow employees greater flexibility in work arrangements than is currently provided in the Collective Agreement.
- (i) “Job Sharing” is defined as an arrangement whereby with the approval of the Director two (2) employees are assigned to share the hours of work of what would otherwise be one (1) full-time position. Generally, only employees who have worked as full-time or part-time employees for more than a year will be considered for job sharing. Approval of job sharing shall not be unreasonably denied. Employees wishing to job share will sign a Job Sharing Agreement with the Employer and the Union.
 - (ii) Either the Union or the Employer may discontinue the job sharing arrangement with ninety (90) days’ notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation of the job sharing arrangement and the re-assignment of the job sharers. It is understood and agreed that such discontinuance shall not be unreasonable or arbitrary. Upon such termination of a job sharing arrangement, the position will revert to a regular full-time position.
 - (iii) Where two (2) full-time employees jointly request to job share, and the Employer agrees, the job share position does not need to be posted. Where one (1) full-time employee requests a job sharing arrangement, and the Director agrees, the job share position will be posted, and selection will be made in accordance with the provisions of the Collective Agreement. If there is no successful applicant, then the Director’s approval will be rescinded.
 - (iv) Neither job sharer has the right to terminate the Job Sharing Agreement. A job sharer may apply for other vacancies if circumstances change and the job sharer no longer wishes to be a job sharer.

If one (1) of the job sharers leaves the arrangement, the remaining job sharer will be given the option to assume the position on a full-time basis. Otherwise, the job share position will be posted. If there is no successful applicant to the posting, the shared position must revert to a full-time position and the position must be posted in accordance with the Collective Agreement.
 - (v) There will be no more than five (5) job sharing arrangements. Nothing in this Letter of Understanding shall be interpreted to imply the creation of two (2) part-time positions out of the sharing of one (1) full-time position.

- B. The Union agrees to modify specific aspects of the Collective Agreement for the purpose of job sharing arrangements, with the understanding that the employees involved in job sharing are entitled to all provisions of the Collective Agreement as provided for a regular full-time employee on a pro-rated basis, except as herein amended.

HOURS OF WORK

Each employee involved in the job sharing program will work one half (1/2) the hours of a regular full-time employee. The manner and/or method of job sharing and distributing the hours involved must be in accordance with the Job Sharing Agreement and will be decided upon in accordance with the scheduling provisions under Article 10.1.

SALARIES & BENEFITS

Each employee will be paid one half (1/2) the annual salary rate at which level the employee is presently being paid. A job sharer will not be entitled to overtime rates until the employee works in excess of seven (7) hours per day or on Sundays and holidays.

The Employer cost for the group insurance benefits provided for the two (2) job sharers shall not exceed the Employer's cost for benefits for a full-time employee. Each job sharer is entitled have no more than fifty percent (50%) of the cost of group insurance premiums paid by the Employer.

RE: UNPAID VACATION FOR PART-TIME, SCHOOL YEAR, & CASUAL EMPLOYEES

Whereas the Collective Agreement does not provide guidance on the matter of unpaid vacation time for part-time and casual employees, the parties agree as follows:

1. Part-time and school year employees shall be entitled to unpaid vacation time on a pro-rated basis equivalent to two (2) work weeks in each calendar year. Part-time employees may request unpaid vacation time at any time during the calendar year. School year employees will use their unpaid vacation time during the school year.
2. Generally, school year employees will have time when they are not scheduled to work at Christmas and during the spring school break. Excluding statutory and office holidays, time off during these school breaks will be counted towards their unpaid vacation time, on a pro-rated basis.
3. In addition to unpaid vacation, part-time and school year employees with less than ten (10) years of service may request up to one (1) week leave of absence without pay, those with ten (10) years or more of service but less than twenty (20) years of service may request up to two (2) weeks leave of absence without pay, and those with twenty (20) years or more of service may request up to three (3) weeks leave of absence without pay. These requests for leave of absence without pay may be made for time during summer school breaks when school year employees might otherwise be required to cover for other employees. Unpaid vacation time must be booked and approved before unpaid leave is requested.

THE CANADIAN UNION OF PUBLIC EMPLOYEES – LOCAL 101

RE: CLOSING THE EMPLOYER'S OFFICES BETWEEN DECEMBER 25TH & JANUARY 1ST

Without prejudice or precedent:

The parties agree that the Employer's offices between December 25th and January 1st will be closed each of the years of this Agreement. Both parties recognize this initiative will require certain roles to remain either on-call or actively at work in order to provide essential services. In the event that a public health emergency is declared the office will remain open and employees may be called back to work. The Employer will share the specific team requirements, including the required positions, with the Union prior to the annual closure period by October 1st of each year.

The office will remain open from 8:30 a.m. to 12:00 p.m. on the last business day preceding Christmas Day.

The "float day holiday" will be replaced with the business day following Boxing Day. All non-essential employees will be off for the business days that fall between the day after Boxing Day and New Year's Day, except for the half (½) of the day preceding New Year's Day, which will continue to be a paid holiday, as previously negotiated.

Employees will have the option to take the time between December 25th and January 1st as paid vacation plus the float day, or as unpaid time plus the float day. If the employee elects to take vacation, the vacation time in the time and attendance system will be deducted by the required vacation days. If an employee is electing to take the days unpaid, they will need to identify this by April 1st of the respective year.

If there is a requirement to work, those shifts shall be offered by seniority to those employees who normally perform the job. If no senior employee indicates their willingness to work, the least senior employee who normally performs the job shall be required to work.

FOR GREATER CLARITY:

In 2025

- December 24 - half (0.5) work day.
- December 29, 30 and 31 (0.5) - office closed. Time off would equate to two and a half (2.5) vacation days (one (1) float day and one and a half (1.5) vacation or unpaid days).
- January 2 - office open for regular business hours.

In 2026

- December 24 - half (0.5) work day.
- December 29, 30 and 31 (0.5) - office closed. Time off would equate to two and a half (2.5) vacation days (one (1) float day and one and a half (1.5) vacation or unpaid days).
- January 4 - office open for regular business hours.

In 2027

- December 24 - half (0.5) work day.
- December 29, 30 and 31 (0.5) - office closed. Time off would equate to two and a half (2.5) vacation days (one (1) float day and one and a half (1.5) vacation or unpaid days).
- January 4 - office open for regular business hours.

This Letter of Understanding will impact Article 11 with respect to the float day entitlement and also impacts Article 8 – the utilization of the Vacation accrued as outlined above.

The parties will also have the ability to meet and adjust accordingly in the event issues arise within the term of this Letter of Understanding.
