- e) Upon mutual agreement between the Employer and the Union, postings may be posted internally and externally at the same time.

16.02 Role of Seniority in Filling Vacancies

- a) In filling vacancies appointment shall be made to the applicant with the greatest seniority providing always the applicant has the required knowledge, ability and qualifications necessary for the position.

- d) Temporary positions will be posted and filled in accordance with Articles 16.01 and 16.02; except when a secondary vacancy occurs due to a Full-Time, Seasonal or Part-Time Employee being awarded the initial temporary vacancy, in which case the second and subsequent posting shall be posted for a period of seven (7) working days. External postings may be done after the initial fourteen (14) day period if there are no qualified employees presently employed.
- e) After the termination of a temporary position, the employee returns to their former position.

- a) An employee may be granted a leave of absence with pay to a maximum of five (5) working days per year, without loss of seniority and benefits, to upgrade their current employment qualifications and to write relevant examinations.
- b) To further encourage employee development, an employee may request a leave of absence, without pay and without loss of seniority, for up to one (1) year for education that may be relevant to the operation of the Employer. Any requests will not be unreasonably denied.

16.06 Unsuccessful Application

In the situation of an employee who has been provided notice regarding an application for any job posting and/or who has been told at any time that they will not be considered or awarded as a result of being deemed unqualified/not suitable, at the employee's request, the Employer will discuss the rationale for such decision in person.

16.07 Trial Period

- a) In the event an employee is promoted or transferred to another position they shall be placed on trial for a period of sixty (60) working days. Upon successful completion the appointment shall become permanent. Time spent on leave of absence, sick, or vacation will not be counted towards completion of this trial period.
- b) Should the employee be unable to satisfy the requirements of the position or does not want that position, they shall be returned to their former position, and wage rate, without loss of seniority. Any other employee promoted or transferred because of the re-arrangement of positions shall also be returned to their former position, wage or salary rate, without loss of seniority.

ARTICLE 17 - LAYOFFS AND RECALLS

A layoff shall be defined as a reduction in the work force or a reduction in the hours of work.

17.02 Layoffs and Recalls

Although the Employer does not desire to reduce the work force or a reduction in the regular hours of work as defined in this Agreement, it is recognized that circumstances may require such action. In making such reductions the Employer and the Union will consult to ensure that such actions are orderly and taken so that seniority is applied.

17.03 The Employer agrees that in the event of a layoff employees shall be laid off in the reverse order of their seniority. An employee about to be laid off may displace a less senior employee. When it is necessary to recall employees, laid off employees shall be re-employed in order of seniority. The right to bump shall include the right to bump up. The abilities and qualifications of any employee will also be a determining factor. Employees who are laid off shall be placed on a recall list for twelve (12) months.

17.04 No new employees will be hired until regular employees who have been laid off and remain on the seniority list, and are qualified and have the ability to fill the vacancy have been given an opportunity for re-employment.

17.05 Advance Notice of Layoff

RE: JOB EVALUATION

The parties agree to jointly negotiate, implement and maintain a gender-neutral job evaluation plan as follows:

The Labour-Management Committee will serve as the Joint Job Evaluation Steering Committee. The Committee may utilize advisors to assist in the project. The Committee will oversee the establishment of the Job Evaluation Program, including:

Jobs that are paid higher than their value as assessed by the evaluation system will be assigned the evaluated wage when the position becomes vacant on an incumbent-by-incumbent basis.

Members of the Committee will be granted the necessary paid time during normal working hours to conduct the review and will meet as required to complete the review by October 1, 2026. The Parties may revise the timelines by mutual agreement.

The Joint Job Evaluation Committee will meet to begin their work no later than February 1, 2026.
