Secondly, the length of continuous service with the Corporation, as an employee within the jurisdiction of Local 82 measured from the date which seniority becomes effective in accordance with Article 4.04 of this agreement.

It is agreed and understood that seniority within Local 543 shall be maintained on two separate seniority lists, that of regular full-time and regular part-time.

Seniority for regular part-time employees shall be established on the basis of hours worked. With regard to job postings the seniority of regular part-time employees shall be considered as **of the last date of the pay period prior to** the closing date of the job posting.

Effective the first day of the month immediately following the date of ratification by Council of this Collective Agreement, should a regular part time employee be successful in obtaining a regular full-time position, such employee will receive credit for seniority accrued prior to such appointment, based on the normal work week for position/positions worked, on the basis that 33.75 hour work week = 1,755 hours = 1 year of seniority, 35 hour work week = 1,820 hours = 1 year seniority, 37.5 hour work week = 1,950 hours = 1 year seniority, 40 hour work week = 2,080 hours = 1 year seniority, 41.25 hour work week = 2,145 hours = 1 year seniority.

Should a regular full-time employee be successful in obtaining a regular part-time position the employee shall accumulate seniority as a regular part-time employee and such seniority shall be added to the full-time seniority attained to date of the appointment. At no time shall the seniority equate beyond the employee's hiring date.

4.08 Each year the Corporation shall cause a separate seniority list to be made of all regular full-time and regular part-time employees covered by this agreement readily showing their length of service with the Corporation, and their length of service in Locals 543 and 82 from the first day of the last period of continuous service in the bargaining units. Such list shall be placed on the bulletin board of each department and a copy thereof shall be sent to the Secretary of the Union in January of each year.

Seniority for regular part-time employees shall be shown in hours worked.

4.09 Whenever an employee is transferred from one department to another department within the jurisdiction of Local 543 or Local 82, they shall not lose the right to exercise seniority based upon their length of service with the Corporation within the said Local Unions.

4.10 An employee who is assigned to a position outside the Bargaining Unit shall be entitled to return to their former **regular/permanent** position within the Bargaining Unit without loss of seniority, **however, they will not accrue seniority or pay dues during the period,**

(i) if they were not confirmed in the new position at the expiration of the confirmation period, or,

(ii) if they were assigned to such a new position for a specified temporary period only.

Effective January 1, 2017, any new assignment outside the bargaining unit shall not be in excess of eighteen (18) months unless mutually agreed upon by the Corporation and the Union.

4.11 The following procedures shall be followed with respect to lay-off and rehiring:

Whenever it becomes necessary to reduce the workforce, employees shall be laid off in reverse order of seniority within their regular full-time or regular part-time seniority list.

The Corporation agrees to give written notice of lay off with the provisions of the Employment Standards Act. This notification shall consist of eight (8) weeks, with day one being the date when the employee is provided with their individual lay off notice. The employee must make a decision of the position that they have chosen to exercise their right to bump into within three weeks of receiving notification of layoff, the employee will not be compensated for the position they have chosen until they move into said position, unless the request to remain in their current position for a longer period of time is made by the Corporation. The Union agrees that if any such employee is absent from work without just cause after receiving notice as aforesaid, they shall not be entitled to participate in any way whatsoever, in the Sick Leave Benefits provided under this agreement, for the time they are so absent.

Displaced employees may exercise their rights to displace another employee with less seniority that occupies any classification provided they meet the qualifications.

A displaced employee may choose to accept a placement in a vacant position prior to the vacant position being posted for the consideration of other employees within the bargaining unit. The displaced employee must meet the qualifications of the vacant position before being placed in said position.

Once a displaced employee had made their position choice to the Corporation, this decision is considered to be final and cannot be reconsidered.

All employees who have been laid off shall be entitled to be rehired in order of seniority within their respective full-time or regular part-time seniority list, and the Corporation shall not hire any new employees in priority thereto, in any classification in which such laid off employees are qualified.

In the event that a displaced employee does not have the seniority to displace an

employee in any classification, the following order of placement shall apply:

The displaced employee shall be placed into any vacant classification provided they meet the qualifications of the position.

Should no vacant position be available per above, the displaced employee shall bump any temporary employee who is performing duties on a temporary basis that the displaced employee meets the qualifications of the position. The displaced employee shall continue to replace temporary employees as above, until such time as their seniority permits them to displace an employee in any classification provided that they meet the qualifications.

The Corporation shall provide to the laid off employee, at the time the employee is served with their lay-off notice, the current vacancy list, all available job postings/job descriptions and a current seniority list for all positions held by Union members with less seniority.

During period of lay-off, affected employees shall be responsible for keeping their Executive Director and the Executive Director of Human Resources or designate informed at all times of the address where they can be notified in the event of recall.

Effective January 1st, 2018, should a displaced employee be eligible to bump into a higher classification than the employee presently holds then the terms “qualified and meets the qualifications” means having the education and experience as denoted on the most recently available job posting and successfully passing any tests as would be required in a normal recruitment for the higher position/classification, subject to the following:

- a) The test shall be the one used in the most recent recruitment for the applicable position, however, if, as at the date of ratification of this agreement, there is not a job specific test for a position, one may be created by the applicable department and filed with the Human Resources department on or before December 31, 2017 and may be used for any subsequent recruitments or for bumping purposes. Further, the Corporation shall have the right to review all tests and to update the same as necessary to keep pace with the legislative or other requirements of the job every two years.
- b) The passing mark for the test shall be determined by the Department as is the case in a normal recruitment;
- c) The Corporation will provide any and all study material that the Corporation uses for the purpose of recruitment of the applicable position, provided that it is understood that not all tests currently administered for the recruitment of positions have study material;
- d) The Employee exercising their bumping rights shall write the test within 10 days of receipt of the study material noted in clause (c) above, provided that if there is no study material available for the applicable test, the Employee shall write the test within 10

days of being notified by the Human Resources Department that they otherwise qualify for the applicable position;

e) The Employee may only write the applicable test one time for each job selection for which they are deemed qualified for and for which they hold the highest seniority. In the event that the test is the same for multiple positions, the result shall only apply for the position for which the test was administered and the results will not be kept on file or used for any other purpose.

- 4.12 A regular full-time employee who has been on Long Term Disability benefits pursuant to Article 20 and who has been retrained may exercise their seniority over a junior employee in any other classification within the jurisdiction of C.U.P.E. Local 543 for which the retrained employee is qualified as decided by Management.

(2) The vacation of an employee who during the said vacation

- (a) is admitted to hospital as a bed-patient, or

shall be deemed to be postponed, unless the employee affected under sub clause (1) hereof prior to the first day of their scheduled vacation, notifies their Department Head to the contrary. Such postponed vacation shall, if time permits, be taken prior to the end of the calendar year in which the postponement occurs and in accordance with Articles 15.02 and 15.03 as contained herein.

- 15.10 Where an employee is absent from work for more than 131 working days in any calendar year as a result of a compensable injury or injuries, their vacation entitlement for the aforesaid calendar year as defined under Article 15.01, shall be reduced by one-twelfth (1/12th) for each period of 21 working days absence in excess of the said 131 working days as a result of a compensable injury or injuries. In the event an employee has used their full vacation entitlement or any part thereof for the aforesaid calendar year to the extent so that the above reduction cannot be fully satisfied in that calendar year, the difference thereof shall be deducted from the employee's next vacation, provided that the minimum 4% under The Employment Standards Act shall apply.
- 15.11 In the event of an emergency situation, an employee may be allowed by their Department Head to use one day of their unused vacation, banked overtime or previously worked Statutory Holiday allowance for a maximum of five (5) days in the calendar year. ### ARTICLE 3 - RATING METHODOLOGY

- 3.1 Job documents serve to record the basis from which the job is rated and to compare and judge changes in job content which result, from time to time, from new or changed circumstances or requirements of the job.
- 3.2 Job documents are for the purpose of rating a job and assigning the job into the proper Classification for application of the Salary and Wage Schedule. Job documents shall be in sufficient detail to enable the job to be identified and rated.
- 3.3 A job description reflects the major duties and responsibilities required for proper evaluation and shall not be construed as a detailed description of all the work requirements inherent to the job.
- 3.4 The rating of jobs on the basis of job content involves certain basic determinations being made with respect to the skill, responsibility and effort required and the working conditions involved in each job. In order to reduce possible errors of personal judgement into practical but reasonable working limits, such determinations and considerations are subdivided and refined into an analysis and rating of each job to assess the relative worth on the basis of specific Factors as shown in Schedule 2.
- 3.5 Job ratings serve to:
  - (a) group jobs which have relatively equivalent point values into the same Classification;
  - (b) provide the basis from which to gauge equitable salary and wage relationships between the jobs;
  - (c) form the foundation from which to measure changes in job content;
  - (d) enable the assignment of jobs into their proper Classifications.

### ARTICLE 4 - MAINTAINING THE JOB DESCRIPTIONS AND RATINGS

- 4.1 It is important that each party maintain accurate job descriptions and job ratings on an ongoing basis. Failure to do so will serve to damage the integrity of the Programme. It is the intention of the parties to jointly review all job descriptions over a five (5) year period. Such review shall commence from the installation date of this Job Evaluation Programme.
- 4.2 Job evaluation rating reviews shall be undertaken when:
  - (a) changes to existing job duties take place
  - (b) a new job is created.

4.3 Whenever the Corporation creates a new job, the following procedures shall apply:

- (a) The Corporation shall prepare a draft job description for the new job, which, along with any other job documents, shall be forwarded to the Joint Job Evaluation Committee, for evaluation.
- (b) The Corporation shall notify the Union of the new job by means of a copy of the job description, along with any other job documents that have been forwarded to the Joint Job Evaluation Committee.
- (c) The Joint Job Evaluation Committee shall evaluate the job. Such evaluation shall determine the job's temporary Classification. In the event that the Committee cannot agree on the rating, the Corporation shall not be precluded from establishing a temporary Grade for the new job and assigning an employee to it, in accordance with the provisions of the Collective Agreement. The establishment of such a temporary Classification shall not serve to prejudice the Committee in their continued attempts to reach agreement on the appropriate rating.
- (d) Within six (6) months of the incumbent commencing employment in the new job, the Joint Job Evaluation Committee will determine the final rating for the job using the job description and other job documents relating to the duties actually being performed at the time of review. Should it be determined through the Committee's final evaluation that a change should be made in the job's Classification, such a change shall be retroactive to the date that the incumbent commenced continuous employment in the new job.
- (e) Should the Union consider that a new job has been established and that Sections 4.3 (a-d) have not been complied with, it shall notify the Executive Director of Human Resources or designate, giving the reasons in detail for its contention. Should the Executive Director of Human Resources or designate not agree with the Union's contention, either party may refer the matter to the Job Evaluation Referee.

4.4 (a) Whenever the Corporation changes the duties of a job and considers that the change in job content is less than that required to move the job to a different Classification, it shall prepare a revised job description and forward a copy of it to the Union and the incumbent.

- (b) Should the Union or incumbent disagree with the Corporation, a Request for Review may be filed under Article 4.6.

4.5 Whenever the Corporation changes the duties of a job and the change in job content requires review by the Joint Job Evaluation Committee to determine an appropriate Classification, the following procedure shall apply:

- (a) The revised job description and any other job document shall be submitted to the Joint Job Evaluation Committee, with a copy to the Union.

- (b) The Joint Job Evaluation Committee shall review the changes to the job description and any other job document and, if required, re-rate the job. The results of the re-evaluation will be communicated to the Corporation, the Union, and the incumbent.

In the event that the Committee cannot meet or if the Corporation must proceed with the staffing process urgently, the Chair of the Committee may establish an interim rating. In such instance, notice shall be provided to the Union's Recording Secretary within five (5) working days. The establishment of a temporary salary classification shall not prejudice the Committee in the continued attempts to reach agreement on the rating of the job.

\*The Corporation will review all jobs in the queue in Human Resources as at April 1st, 2013. Any retroactivity from reviewing these positions in the queue shall be retroactive to the commencement date of the new duties as determined by the Department Head or designate.

- (c) Effective January 1, 2013, the job shall be assigned to the appropriate classification retroactive to the actual date of the change, if required, to a maximum of six (6) months preceding the date the questionnaire is received in Human Resources. The actual date of the change shall be determined by the Department Head or designate.

4.6 A review of the job rating for a job may be initiated by the incumbent(s) or Union as follows:

- (a) The initiator shall complete the form "Request for Job Evaluation Review", available from the Legal and Human Resources Department.
- (b) The Request, upon completion and authorized by the Union must be forwarded to the Executive Director of Human Resources or designate, who shall forward it to the Joint Job Evaluation Committee, with a copy to the Union and the appropriate Department Head.
- (c) If it is the decision of the Joint Job Evaluation Committee that the job rating should be reviewed, the job shall be evaluated, in accordance with Article 5. The results of the re-evaluation will be communicated to the incumbent(s), the appropriate Department Head, the Corporation and the Union.
- (d) If it is the decision of the Joint Job Evaluation Committee that the job rating should not be reviewed, then this decision will be communicated to the incumbent(s), the Department Head, the Corporation and the Union.
- (e) If no decision can be reached by the Joint Job Evaluation Committee as to whether or not the job rating should be reviewed, then the matter shall be referred to the Job Evaluation Referee, in accordance with Article 7.

- (f) Effective January 1, 2013, the job shall be assigned to the appropriate classification retroactive to the actual date of the change, if required, to a maximum of six (6) months preceding the date the questionnaire is received in Human Resources. The actual date of the change shall be determined by the Department Head or designate.
- 4.7 In the event that an “out of schedule” higher rate for a job is introduced by the Corporation, the Union shall be notified in writing, and such rate shall continue in effect until the Corporation determines that the conditions which gave rise to it no longer exist. At that time the rate for the job shall be the evaluated Classification. Any employee who was being paid at the “out of schedule” rate while working in the job shall continue to receive the “out of schedule” rate for a period of three (3) months following the Corporation’s termination of the “out of schedule” rate, at which time the incumbent shall revert to their previously held rate, adjusted to reflect economic adjustment or increment advance.
- 4.8 The Corporation shall notify the Union in writing within ten (10) working days prior to any change in the job evaluation identification details of a job (i.e., Department, job code, job title, etc.).
- 4.9 If the Corporation decides to eliminate a job from the staff establishment, the Union shall be notified in writing within twenty (20) working days prior to such a decision.

  - (a) Site inspection by the Committee
  - (b) Interviewing, by the Committee, of incumbents and supervisors.
- 5.2 The Joint Job Evaluation Committee shall then evaluate the job utilizing the Rating Manual (Schedule 1).
- 5.3 In making the determinations necessary for the rating of a job from the description of the job’s content, certain basic characteristics are considered to be inherent in the performance of all jobs, and are not considered in the evaluation of any job in this programme. These characteristics are honesty, integrity, normal discretion, reasonable care and attention, ordinary tact, and common courtesy.
- 5.4 In the application of the Rating Manual (Schedule 1), the following general rules shall apply:
  - (a) It is the content of the job that is being analyzed, not the incumbent(s).
  - (b) Jobs are to be evaluated without regard to existing Classifications.

- (c) Jobs are to be placed in the appropriate Factor Degree by considering the specific requirements of each job, the Factor definition, and the description of each Factor Degree.
  - (d) Workload is not a consideration when evaluating a job.
  - (e) No interpolation of Factor Degrees is to be made in the use of this programme (i.e. no insertion of a Factor rating that falls between the established Factor Degrees).
  - (f) The job description and rating of each job shall be relative to, consistent with, and conform to the job descriptions and ratings of the benchmark jobs and all other jobs included in the job evaluation programme.
- 5.5 Should the Joint Job Evaluation Committee not be able to make a decision on the matter(s) before it, the matter(s) shall be referred to the Job Evaluation Referee, as provided for in Article 7.
- 5.6 The Chairperson of the Joint Job Evaluation Committee shall communicate all rating and/or other decisions made by the Committee to the incumbent(s), the appropriate Department Head, the Legal and Human Resources Department, and the Union within ten (10) working days of the Committee's decision.

  - (d) to recommend changes to the Rating Manual and the Job Evaluation process to the Corporation and the Union.
- 6.3 The Chairperson of the Joint Job Evaluation Committee shall be responsible for co-ordinating all aspects of the rating proceedings and administration, including the calling

and chairing of all Committee meetings. All correspondence to and from the Committee shall go through the Chairperson.

- 6.4 Decisions of the Joint Job Evaluation shall require total consensus. When such consensus is not possible, the matter under review shall be referred to the Job Evaluation Referee.
- 6.5 The Joint Job Evaluation Committee shall meet at least once a month.

#### ARTICLE 7 - JOB EVALUATION REFEREE

- 7.1 (a) The Corporation and the Union shall, by January 31 of each year, agree upon a Job Evaluation Referee. The parties agree that said Referee shall have a background in job evaluation, and will not have any conflict of interest regarding the matter under review.
- (b) Should either party determine that a new Referee should be appointed for the following year, notice to the other party shall be given, in writing, during December of the current year. Such notice shall contain a list of individuals being proposed as Referee by the initiating party.

#### GENERAL NOTE

Where changes have been made in the collective agreement to recognize changes in responsibilities (such as Article 24.02 regarding temporary appointments) or working conditions (such as Article 18 regarding shift premiums), these areas should not be considered for purposes of job evaluation.

### FACTOR 1 - EDUCATION

This factor is used to measure the amount of formal vocational education required to undertake the duties of the position. The following characteristics of the work are to be considered in selecting a degree:

- the specialized knowledge necessary for a comprehensive understanding of the work elements involved.
- the minimum formal/vocational education necessary to perform the work.

| DEGREE | DEGREE DEFINITION                                                                                                                       |
|--------|-----------------------------------------------------------------------------------------------------------------------------------------|
| 1      | Required education level is completion of secondary school (grade 10) or equivalent.<br>(9-10 years)                                    |
| 2      | Required education level is completion of secondary school (grade 12) or equivalent.<br>(11-12 years)                                   |
| 3      | Required education level is completion of secondary school (grade 12) or equivalent plus 1 year post secondary training.<br>(13 years)  |
| 4      | Required education level is completion of secondary school (grade 12) or equivalent plus 2 years post secondary training.<br>(14 years) |
| 5      | Required education level is completion of secondary school (grade 12) or equivalent plus 3 years post secondary training.<br>(15 years) |
| 6      | Required education level is completion of secondary school (grade 12) or equivalent plus 4 years post secondary training.<br>(16 years) |

## NOTES TO RATERS - EDUCATION

1. The factor definition characteristic “the minimum formal/vocational education necessary to perform the work elements involved” refers to such things as the coordination capability and supervisory skills required in some positions or the accumulation of knowledge of the work methods and “tricks of the trade”.
2. Select the education level that most appropriately meets the job requirements. Do not consider the educational level of the incumbent or the requirements set out in the job description.
3. The most common source of education is through formal education, such as secondary school, vocational centre, community college, university, etc.
4. Completion of high school means completion of grade 12.
5. Vocational training means a concentrated course of study in a specific field applicable to the work. If the duration of such a course is less than full-time and/or less than one year, then evaluate such training as being “up to one year training”.
6. “Equivalent” means equal to another Province or Country’s educational level or number of years in a classroom setting at the post-secondary level. For example, “Grade 12 or equivalent” can mean Grade 10 and up to 2 years at the Community College level.
7. Classroom time required under an apprenticeship program is to be rated under “Education”. Work experience time required under an apprenticeship program is to be rated under “Experience”.
8. The education factor must be rated before the experience factor.

## FACTOR 2 - EXPERIENCE

This factor is used to measure the amount of work experience required to undertake the duties of the position. The following characteristics of the work are to be considered in selecting a degree:

- the application of techniques and procedures that must be learned.
- the minimum amount of practical experience on any related work or work in a lesser position required to competently perform the job.
- the period of training or adjustment on the job itself to become competent on the job, without necessarily knowing every facet of the job.

| DEGREE | DEGREE DEFINITION                               |
|--------|-------------------------------------------------|
| 1      | Up to and including 3 months.                   |
| 2      | Over 3 months and up to and including 6 months. |
| 3      | Over 6 months and up to and including 1 year.   |
| 4      | Over 1 year and up to and including 3 years.    |
| 5      | Over 3 years and up to and including 5 years.   |
| 6      | Over 5 years and up to and including 7 years.   |

## NOTES TO RATERS - EXPERIENCE

1. Before this factor is rated, the education factor must be established.
2. Select the experience factor that most appropriately meets the job requirements. Do not consider the experience level of the incumbent or the requirements set out in the job description.
3. The experience required refers only to prior experience which is related to the position being evaluated including true life skills.
4. When evaluating a position on the experience factor, the evaluation should be consistent with the evaluation given under the education factor. Failure to do so could result in double counting.
5. The characteristic “the amount of practical experience an average individual requires to adequately perform the job” refers to the minimum amount of work experience on related work or lesser positions and the breaking-in time or training period on the job itself that is needed to become competent. This minimum experience requirement is normally less than the amount of experience possessed by incumbents, since it refers to the “learning curve” function of experience and not total personal experience.
6. Work experience time required under an apprenticeship program is to be rated under “Experience”. Classroom time required under an apprenticeship program is to be rated under “Education”.

### FACTOR 3 - INITIATIVE

This factor is used to measure the requirement of the position to exercise judgement. The following characteristics of the work are to be considered in selecting a degree:

- the extent of methods, procedures or direction that prevails.
- the extent of initiative that may be exercised.

| DEGREE | DEGREE DEFINITION                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

| 1      | <ul style="list-style-type: none"> <li>• Tasks are clearly defined.</li> <li>• Little or no latitude exists for exercising initiative.</li> </ul> <p>Most problems are referred to the supervisor.</p>                                                                                                                                                                                                                                                                                         |

| 3      | <ul style="list-style-type: none"> <li>• While assignments are covered by established methods and procedures, some initiative is required in adapting these guidelines to obtain the desired end result.</li> <li>• The exercise of initiative is a normal requirement, but is restrained by program objectives.</li> </ul> <p>Direction is sought when apparent solutions to problems are not within the intent of established practices.</p>                                                 |

| 5      | <ul style="list-style-type: none"> <li>• Assignments involve development of solutions to diverse and inter-related problems often having conflicting requirements.</li> <li>• The exercise of initiative is extensive and involves complex, far-reaching, and sensitive issues.</li> </ul> <p>Consultation with a supervisor concerning difficult problems is not normally possible.</p>                                                                                                       |

## NOTES TO RATERS - INITIATIVE

1. It is important to evaluate the initiative that is permitted within the constraints of the position and not the capability of the incumbent. Initiative is the mandated authority to carry out assignments.
2. When evaluating a position under this factor, the majority of the items of the selected degree must be met. (e.g., a position meets one of the three items in Degree 2 and two of the three items in Degree 3; the position is therefore properly evaluated in Degree 3.)
3. “Adapting”, means the ability to interpret and decide.

#### FACTOR 4 - CONSEQUENCE OF ERROR

This factor is used to measure the consequence of making errors. The following characteristics of the work is to be considered in selecting a degree:

- the consequence on the organization of making errors in the decision-making process.

| DEGREE | DEGREE DEFINITION                                                                                                                                                                                                                                                                        |
|--------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1      | Incorrect or inappropriate recommendations/decisions/actions have little effect on service to the public and/or financial costs.                                                                                                                                                         |
| 2      | Incorrect or inappropriate recommendations/decisions/actions have limited consequences on the department such as limited financial costs or limited effect on service to the public.                                                                                                     |
| 3      | Incorrect or inappropriate recommendations/decisions/actions have obvious consequences on financial costs, adverse client, patient, public relations, reduced service to the public, and requires intervention by senior staff to deal with repercussions.                               |
| 4      | Incorrect or inappropriate recommendations/decisions/actions have serious, usually short-term consequences; significant financial costs; reduced or impaired service to the public; negative media reaction; and requires Department Head or Deputy Head to deal with the repercussions. |
| 5      | Incorrect or inappropriate recommendations/decisions/actions have major, frequently long-term consequences; very substantial financial costs; negative media reaction; and requires CAO and/or political debate to deal with the repercussions.                                          |

## NOTES TO RATERS - CONSEQUENCE OF ERROR

1. In evaluating the consequences of error, consider the frequency of work checks. If an employee's work is checked daily or weekly, an incorrect decision is likely to have little influence on the organization. If work is checked less frequently, e.g., work is subject to monthly audit, there is a possibility that an incorrect decision will have some consequences for the organization.
2. "Decision" is defined as the final determination of a course of action that is to be followed.
3. Formal recommendations made on a regular basis that result in decisions are the same as decisions. Suggestions are not considered to be recommendations.
4. "Service to the public" is any service rendered to an individual, group, or part or all of the general public. The general public shall include taxpayers, residents, and clients.
5. (a) "Little" means
  - an inconvenience
  - having financial consequences of under \$1,000
  - where an incorrect decision can be corrected by the individual or be referred to the supervisor.
- (b) "Limited" means
  - short term creation of work for someone else to correct a situation
  - having financial consequences of \$1,000 to \$5,000
  - where an incorrect decision requires the supervisor to correct it or to provide direction on how to correct it.
- (c) "Obvious" means
  - having financial consequences of \$5,001 to \$10,000
  - where an incorrect decision requires senior staff or outside agency involvement to correct it.
- (d) "Serious" means
  - having financial consequences of \$10,001 to \$50,000
  - where an incorrect decision requires Deputy Department Head or Department Head involvement to correct it.
- (e) "Major" means
  - having financial consequences of over \$50,000
  - where an incorrect decision requires Chief Administrative Officer or political involvement to correct it.
6. The norm for each job and not the exception is to be rated.
7. The need to exercise discretion with regards to sensitive information is to be considered under this Factor.
8. Decisions, not mistakes, are rated.

## FACTOR 5 - FINANCIAL RESPONSIBILITY

This factor is used to measure the responsibility of accountability for financial resources. The following characteristics of the work are to be considered in selecting a degree:

- A - the accountability, control and administration for a budget, taking into consideration its magnitude
- B - the responsibility for financial processing; and
- the responsibility for activities that result in making financial commitments.

### A. BUDGETARY ACCOUNTABILITY, CONTROL AND ADMINISTRATION

| DOLLAR MAGNITUDE     | A | B | C | D | E | F |
|----------------------|---|---|---|---|---|---|
| 1. None              |   |   |   |   |   |   |
| 2. Up to \$10,000    |   |   |   |   |   |   |
| 3. Up to \$50,000    |   |   |   |   |   |   |
| 4. Up to \$100,000   |   |   |   |   |   |   |
| 5. Up to \$500,000   |   |   |   |   |   |   |
| 6. Up to \$1,000,000 |   |   |   |   |   |   |
| 7. Over \$1,000,000  |   |   |   |   |   |   |

- A. No budgetary responsibility.
- B. Responsibility to administer part or all of a departmental budget.
- C. Accountability and/or control of an organizational sub-division of a department budget.
- D. Accountability and/or control of an organization division of a departmental budget.
- E. Accountability and/or control of a budget of a department.
- F. Accountability and/or control and/or responsibility for corporate budgetary matters.

## FINANCIAL RESPONSIBILITY

### B. FINANCIAL PROCESSING AND COMMITMENT

| DEGREE | DEGREE DEFINITION                                                                                                                                                |
|--------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1      | Little or no responsibility for handling or processing cash, financial instruments (i.e., emergency purchase orders, petty cash, occasionally issuing receipts.) |
| 2      | Responsibility for processing cash and financial instruments on a daily basis (i.e., reconciling, balancing, checking, signing/issuing receipts).                |
| 3      | Responsibility under the SHOP system for signing stamp as the authorized signature for accounts payable.                                                         |
| 4      | Responsibility for signing or initiating requests to make expenditures or recoveries in accordance with detailed written procedures.                             |
| 5      | Responsibility for activities which result in financial commitments made in the absence of detailed written procedures.                                          |

## NOTES TO RATERS - FINANCIAL RESPONSIBILITY

1. The dollar values indicated are stated in the 1988 budget dollars.
2. “May provide input into the budget” is not rated. To be rated, the incumbent must be required to provide input generally not available elsewhere, as a job responsibility.
3. Accountability and Control for budget purposes, means a position is answerable to a supervisor for making decisions which will ensure expenditures are in concert with budget limits. Financial decisions to re-direct funds from one purpose to another are also indicative.
4. Budget magnitude includes both operational and capital costs and non-budget items.
5. Administration of a budget, is deemed to include data collection for budget preparation, monitoring and tracking of expenditures during the fiscal year, and any coordinating or data reporting activities that may be required during the budget preparation or execution phases.
6. Signing for receipt is only relevant if this action serves as a subsequent basis for payment of a supplier.
7. Financial commitment refers to specific activities directly resulting in financial obligation or costs.
8. Financial Instruments refer to cheques, bonds, T-bills, contracts, requisitions, invoices, purchase orders, vouchers, income statements that result in cheques, violations, food vouchers, and drug cards.
9. “Processing” must equal an accounting function.

## FACTOR 6 - RESPONSIBILITY FOR HUMAN RESOURCES

This factor is used to measure the continuing responsibility that the incumbent of the position assumes for the supervision and direction of staff. The following characteristics of the work are to be considered in selecting a degree:

- the nature of supervision given, that is either direct, indirect or functional
- the number of employees supervised.

Occasional supervision, such as that performed during the absence of the supervisor on annual or sick leave is not to be considered.

| NATURE OF SUPERVISION |                                                                                                                                                                                                                                                                                                                                                                                   | A<br>0-5 | B<br>6-10 | C<br>11-15 | D<br>16+ |

| 1.                    | The work does not have the requirement to exercise supervision. Occasionally work procedures may be explained to new or inexperienced employees.                                                                                                                                                                                                                                  |          |           |            |          |
| 2.                    | The work requires providing functional supervision to other employees or coordinating/supervising the activities of volunteers.                                                                                                                                                                                                                                                   |          |           |            |          |
| 3.                    | The work involves performing such first-line (lead hand) supervisory responsibilities as assigning or explaining work to others, maintaining quality and work output providing functional supervision to others, ensuring work procedures and guidelines are followed. The supervisor also frequently performs duties similar to those of the employees supervised.               |          |           |            |          |
| 4.                    | The work involves a continuing responsibility to supervise the activities of others. Non-supervisory duties are of secondary importance. Supervisory duties typically include assigning work, maintaining quality and work output norms, advising, instructing or directing workers, scheduling and coordinating unit activities, and providing functional supervision to others. |          |           |            |          |
| 5.                    | The work involves continuing responsibility to supervise, through subordinate supervisors, the activities of other employees. The work is typified as a full-time supervisor and includes organizing, scheduling, coordinating and may also involve providing functional supervision to employees outside own organizational unit.                                                |          |           |            |          |

#### NOTES TO RATERS - RESPONSIBILITY FOR HUMAN RESOURCES

1. Employees who are permitted (but not required) to pass work to others, to explain or to elaborate the objective, and to point out errors, are to be assigned to degree A1.
2. To qualify for a higher degree, supervisory responsibilities must be a regular and on-going requirement of the job. Incumbents of positions who perform these supervisory duties on an irregular basis (such as replacing a vacationing or sick supervisor) are to be granted degree A1.
3. The “number supervised” may seasonally fluctuate for some positions. In these cases, the annual person-years supervised should be used (i.e., number of employees x number of months supervised ÷ 12 = person-years supervised).
4. Functional supervision involves giving technician/specialized instruction specifically of a policy or procedural nature or, related to a work project or program, to employees supervised directly and indirectly by someone else. In each case, the person receiving the functional supervision must follow the instructions.
5. Supervisory responsibility refers to City of Windsor employees and volunteers (including Ambassadors of Tourism, Work Activity and Home Support Program participants) only.

## FACTOR 7 - RESPONSIBILITY FOR CONTACTS

This factor is used to measure the responsibility for effective handling of personal contacts with other staff, with members of other organizations and with the general public. Consideration should be given to the nature and purpose of such contacts. The following characteristics of the work are to be considered in selecting a degree:

- the purpose of initiating the contact. (A-E)
- the extent to which tact, persuasiveness and negotiating skills are required on a regular basis (skills required) (1-3)

## NOTES TO RATERS - CONTACTS

1. It is important to analyze the purpose of the contact in conjunction with the nature of the contact. The level of the person contacted is relevant to the extent that it serves as check on the nature and purpose of the contact. (i.e., a file clerk might very well provide information to a department head but it is extremely unlikely that this file clerk would be required to explain or follow-up on matters calling for persuasiveness or negotiating skills.)
2. Contacts of a “detailed or specialized nature” are those dealing with a subject area that is complex and typically requires specialized formal training or extensive experience to enable the participants to communicate in a meaningful fashion.
3. Overall organizational goals and objectives may refer to unit, division, department and/or corporation.
4. In the case of letters or reports, credit is given to the individual signing.
5. The purpose of the contact is what is to be rated, not the volume of contacts.
6. “Communication skills” include skills such as oral presentation skills, writing skill (reports, correspondence), listening and observation skills, tact and discretion.
7. “Human Relations skills” include skills such as empathy, sensitivity, understanding of human and organizational behaviour, motivational techniques, and counselling skills.

## FACTOR 8 - PHYSICAL DEMAND

This factor refers to the physical fatigue that results from performing the duties of the job. The following characteristics of the work are to be considered in selecting a degree:

- the frequency of performing tasks that cause fatigue
- the requirements to assume an uncomfortable or awkward posture
- the requirement to lift, push or pull objects.

| DEGREE | DEGREE DEFINITION                                                                                                                         |
|--------|-------------------------------------------------------------------------------------------------------------------------------------------|
| 1      | The work involves occasional light physical activity.                                                                                     |
| 2      | The work involves frequent light physical activity or occasional moderate physical activity.                                              |
| 3      | The work involves almost continuous light physical activity or frequent moderate physical activity or occasional heavy physical activity. |
| 4      | The work involves almost continuous moderate physical activity or frequent heavy physical activity.                                       |
| 5      | The work involves almost continuous heavy physical activity.                                                                              |

## NOTES TO RATERS - PHYSICAL DEMAND

1. In applying this factor, consider the fatiguing effort of the tasks performed rather than the strength or energy needed to perform the task. Always assume that each job will be carried out by persons of adequate physique for the type of work involved, regardless of sex.
2. Examples of “light physical activity” are: lifting light weight objects up to 20 lbs., standing up to 50% of the work day, typing several times a day totalling one hour or less, and walking over smooth terrain.
3. Examples of “moderate physical activity” are: working in awkward positions or confined spaces, climbing ladders, lifting medium weight objects between 20 - 35 lbs., standing between 50 -75% of the work day, typing, and walking over rough terrain.
4. Examples of “heavy physical activity” are: lifting heavy weight objects over 35 lbs., standing over 75% of the work day.
5. The frequency of physical demands must be related to work on a continuing basis throughout the year:

|                   |                                                                                                                               |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Occasional        | - means once in a while over a period of time, i.e. once in a while on a daily basis or several times daily but not everyday. |
| Frequent          | - means often over a period of time such as three or more times daily almost everyday.                                        |
| Almost Continuous | - means that with the exception of coffee and meal breaks, the activity is done over 75 per cent of the day.                  |

## FACTOR 9 - SENSORY DEMAND

This factor refers to the sensory fatigue that results from performing the duties of the job. The following characteristics of the work are to be considered in selecting a degree:

- the frequency of performing tasks that cause sensory fatigue
- the length of time spent on tasks that cause sensory fatigue.

| DEGREE | DEGREE DEFINITION                                                                                                           |
|--------|-----------------------------------------------------------------------------------------------------------------------------|
| 1      | The work involves occasional short periods of concentration which result in only normal sensory concentration.              |
| 2      | The work involves frequent short, or occasional intermediate periods of sensory concentration.                              |
| 3      | The work involves almost continuous short, or frequent intermediate or occasional lengthy periods of sensory concentration. |
| 4      | The work involves almost continuous intermediate or frequent lengthy periods of sensory concentration.                      |
| 5      | The work involves almost continuous lengthy periods of sensory concentration.                                               |

#### NOTES TO RATERS - SENSORY DEMAND

1. In evaluating this factor, the fatigue resulting from concentration and intensive visual demand must be determined. To do this analysis, analyze the character of the activities and determine the phases of the work requiring concentration, their duration and frequency.
2. Sensory concentration is the focusing of the mental faculties/eyes on various phases of the work, i.e., the requirement to reason, read, drive, do precision work, counselling, teaching, report writing, etc.
3. The duration of sensory concentration is measured in terms of short (about one hour or less), intermediate (more than one hour but less than two hours) or long (more than two hours) periods of activity which cannot be interrupted.
4. The frequency of short, intermediate or long periods of visual concentration must be related to work on a continuing basis throughout the year.

Occasional - means once in a while over a period of time, i.e. once in a while on a daily basis or several times daily but not everyday.

Frequent - means often over a period of time such as three or more times daily almost everyday.

Almost Continuous - means that with the exception of coffee and meal breaks, the activity is continuous almost everyday.

## FACTOR 10 - WORKING CONDITIONS

This factor is used to measure the frequency of exposure to undesirable or disagreeable working conditions under which the work is performed. The following characteristics of the work are to be considered in selecting a degree:

- exposure to such unpleasant or disagreeable conditions as dirt, dust, temperature extremes, fumes, chemicals, obnoxious odours, noise, vibration, inclement weather, pressure, deadlines, poor lighting, interruptions.
- exposure to hazards which present a risk to health or personal safety.

| DEGREE | DEGREE DEFINITION                                                                                                                                      |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1      | The work is performed in an environment with almost no exposure to disagreeable conditions and/or hazards.                                             |
| 2      | The work is performed in an environment with occasional exposure to minor disagreeable conditions and/or hazards.                                      |
| 3      | The work is performed in an environment with frequent exposure to minor or occasional exposure to major disagreeable conditions and/or hazards.        |
| 4      | The work is performed in an environment with frequent exposure to major or almost continuous exposure to minor disagreeable conditions and/or hazards. |
| 5      | The work is performed in an environment with almost continuous exposure to major disagreeable conditions and/or hazards.                               |

### NOTE TO RATERS - WORKING CONDITIONS

1. Typical minor undesirable and disagreeable conditions are as follows:
  - (a) minor conditions of dust, dirt, fumes, heat or cold, obnoxious odours, noise, vibration, inclement weather, pressure, deadlines, poor lighting, interruptions.
  - (b) minor health and accident hazards including the possibility of lost time accidents and/or exposure to infectious diseases.
  - (c) exposure to behaviorally difficult clients/residents, including dealing with complaints/threats on a regular basis.
  - (d) minor cuts, burns, bruises, etc. Injury causes slight discomfort for a short period of time, little inconvenience to work, and requires at most a simple protective dressing.
2. Typical major undesirable and disagreeable conditions are as follows:
  - (a) extreme conditions of dust, dirt, fumes, heat or cold, noise, vibration, inclement weather, pressure, deadlines, poor lighting, interruptions.
  - (b) health and accident hazards of a serious nature involving lost time or which may result in partial or permanent disability.
  - (c) exposure to violence.
  - (d) severe cuts, burns, bruises, other serious injury. Injury extends beyond the day of occurrence, necessitates change in work pattern, requires medical attention, and involves lost time.
3. Consider only those conditions which are inherent in the nature of the work. Do not consider extreme situations, that is, where the risk of a specific accident or situation occurring is unlikely.
4. The frequency of exposure to undesirable working conditions must be related to work on a continuing basis throughout the year:

**SCHEDULE "F"**  
**ASSUMING CAPPING AS OF JANUARY 1, 1986**

**Example - Gratuity Cap January 1, 1986**

**Employee A**

has on January 1, 1986, 400 days in their sick leave bank and therefore has the maximum possible number of days in the sick leave gratuity of 130 days.

- if they use 100 days in 1986, they will have at the end of 1986 been credited with 18 days sick leave to the sick leave bank but also suffered a deduction of 100 days from the bank for a sick leave bank total of 318 days ( $400 + 18 - 100$ ).
- the employee's gratuity does not change 130 days.

**Employee B**

has on January 1, 1986, 100 days in the sick leave bank and therefore has a gratuity of 50 days.

- if the employee in 1986 uses no sick days, their sick leave bank grows to 118 days - their gratuity however remains at 50 days. (Under the present system one-half of the credited days (9) would be added to the gratuity bank for a total of 59).
- the sick leave bank continues to grow in order to protect the employee in the event of illness.

**Employee C**

January, 1986

- has 200 days in the sick leave bank as of January 1, 1986 and therefore has a gratuity of 100 days ( $1/2$  of 200, to a maximum of 130 days).
- If the employee suffers a long term illness of 30 days in 1986, they would at the end of 1986 have in their sick leave bank 188 days ( $200 + 18 - 30$ ). (Please note that an employee who is on sick leave is still credited with one and half days per month sick leave even if absent for the whole month on sick leave.)
- therefore, since the sick leave bank has now been reduced from 200 to 188, the sick leave gratuity reduces to 94 days ( $1/2$  of 188) as of December 31, 1986.

**However**

- Employee C who does suffer the reduction from 100 days to 94 days in 1986 will be allowed to increase their gratuity back to the capped limit of 100 days by increasing their sick leave bank.
- Therefore, if employee C, after reducing their gratuity to 94 days (as above) - increases their sick leave bank from 188 to say 206 ( $188 + 18$ ) in 1987, their gratuity will return to the previous capped level of 100.
- If Employee C in 1987 credits 10 days to their sick leave bank ( $18 - 8$  days ill in 1987), they therefore have 198 days in their sick leave bank at December 31, 1987, and therefore 99 days in the sick leave gratuity; similarly the 99 days could be increased or decreased in subsequent years to the gratuity cap of 100).

## SCHEDULE "G"

### EXAMPLES OF WAGE ADJUSTMENT BASED ON CONSUMER PRICE INDEX

#### Example #1

Assume Hourly Rate of \$15.00

|                              |         |
|------------------------------|---------|
| January 1, 2005 - apply 3.0% | \$15.45 |
| January 1, 2006 - apply 3.0% | \$15.91 |
| January 1, 2007 - apply 3.0% | \$16.39 |
| January 1, 2008 – apply 3.0% | \$16.88 |

On March 1, 2007

Assume Consumer Price Index (Canada) rise of 5.8% from December 31, 2005 to December 31, 2006.

- Deduct 5.5% from 5.8% = 0.3%

- Apply 0.3% to 2006 rate of \$15.91 for a rate of \$15.96

- Then apply 2007 rate increase of 3.0% for a January 1, 2007 rate of \$16.44

- Then retroactively pay to January 1, 2007 only based on the \$16.93 rate minus pay already received at \$16.39

Consumer Price Index - is % change December 31, 2006 to December 31, 2007

Dear Mark:

**RE: HOUSING & CHILDREN'S SERVICES - SPLIT SHIFTS FOR REGULAR PART-TIME AND TEMPORARY PART-TIME EARLY CHILDHOOD EDUCATORS**

---

The Corporation wishes to return to the offering of multiple shifts (split shifts) to the Regular Part-Time (RPT) Early Childhood Educators (ECE's), and the Temporary Part-Time (TPT) ECE's. These ECE's would be allowed to work up to 7.5 non-consecutive hours in any given day at any Ontario Early Years Centre, or multiple Centres, should they choose to do so.

Currently, RPT and TPT ECE's who commit to working a steady short shift (i.e. 3 hours in an after school program) are penalized by not permitting them to accept additional hours of work unless it follows or precedes the additional shift offered. Many ECE's who are TPT's also work at other organizations in an effort to increase their income and gain further experience in the field.

The offer of multiple shifts has been requested by the RPT and TPT ECE's, and would be of benefit to them. It would also serve as a benefit to children and families using services to have consistent, regular caregivers.

- Additional shifts (split shifts) not to exceed a 7.5 hour day may be offered to Regular Part-Time ECE's and Temporary Part-Time ECE's.
- The above mentioned ECE's may seek working additional shifts (not to exceed 7.5 hours per day) should the need arise at a particular Centre.

This Memorandum of Agreement is made Without Prejudice or Precedent. The terms and conditions of this Memorandum of Agreement are not admissible in any other proceeding, arbitration case, or hearing.

Please review and if agreeable, please sign below in the spaces provided. If you have any questions or concerns, feel free to contact the Manager of Employee Relations & Occupational Health & Safety Services at (519) 255-6515 Ext. 6819.

**A BY-LAW TO ESTABLISH A PLAN OF SICK LEAVE CREDIT GRATUITIES FOR  
EMPLOYEES OF THE CORPORATION**

Passed the 1<sup>st</sup> day of April, 1952

WHEREAS it is deemed expedient to establish a plan of sick leave credit gratuities for the employees of The Corporation of the City of Windsor;

THEREFORE the Municipal Council of The Corporation of the City of Windsor enacts as follows -

1. In this by-law –

(a) “Employee” means any salaried officer, clerk, workman, servant or other person in the employ of The Corporation of the City of Windsor, and unless otherwise provided herein, shall include a temporary employee who has been employed continuously on a full-time basis for not less than six (6) months, if such temporary employee has submitted a medical examination report satisfactory to the Corporation. (added B/L 2294)

(b) “Month” shall mean a calendar month

(c) “Regular attendance” means for any month the attendance of an employee at their duties on the days during the hours for which their attendance is required during that month, according to the terms of their employment, subject to the proviso that no credit shall be given to an employee in any month who, in that month, was absent from duty without leave, or who is absent for more than six (6) days for any reason other than vacation leave of absence or attendance, with the permission of Council, at any meeting or convention of any organization or association with which any Union which has a collective agreement with the Corporation is affiliated. (amended - B/L 1913)

(d) “Sick leave certificate” means a certificate, Form “A” attached to and forming part of this by-law, verifying a claim for sick leave.

(e) “Sick leave absence” means absence from regular attendance by sickness or other physical incapacity.

(f) “Sick leave credit” means an allowance as provided by this by-law for sick leave absence with pay.

(g) “Council” means the Council of The Corporation of the City of Windsor.

2. (a) A plan of sick leave credit gratuities is hereby established for every employee, and subject to the control of Council, the conduct and management of the plan shall be vested in the Treasurer, or such other employee of the Corporation as the Council by resolution may designate, from time to time.

(b) The Treasurer shall perform all things necessary or incidental to the due carrying on of the sick leave credit gratuities plan, including the power to allow or disallow any sick leave credit or sick leave absence for any employee provided, however, that the disallowance by the Treasurer of any sick leave credit or sick leave absence shall be subject to appeal as hereinafter set forth.

(c) The Treasurer shall provide and keep a register in which all sick leave credits shall be recorded so that the register will show the net sick leave credit of every employee which remains after all their sick leave absences have been deducted from their accumulated sick leave credit.

3. (a) Each employee shall be entitled, for every month of regular attendance, to a sick leave credit at the rate of not more than 1 ½ days per month, and the sick leave credit of an employee shall be cumulative.

Effective January 1, 2013, each eligible Regular Full Time employee shall be entitled to a sick leave credit of three-quarter (3/4) days per month and the sick leave credits of each eligible Regular Full Time employee shall be capped at a maximum of one hundred and thirty (130) days. Those Regular Full Time employees with one hundred and thirty (130) days or more on January 1, 2013 shall not accumulate three-quarter (3/4) days per month until such time as their sick leave credits are one hundred and twenty-nine (129) days or less, after which the Regular Full Time employee shall accumulate three-quarters (3/4) day per month to a maximum of one hundred and thirty (130) sick leave days.

(aa) Each employee excepting those employees subject to The Police Act R.S.O. 1970 as amended, shall be entitled to accumulate sick leave credits after three (3) months of continuous service with the Corporation, provided that where the Collective Agreement provides for a probationary period of more than three (3) months, such sick leave credits shall not be available for the use of the employee until the employee has completed such probationary period or six (6) months, whichever is earlier, and thereafter the employee shall be credited with one and one-half ( 1 ½) days' sick leave credits retroactive to the first day of the calendar month following three (3) months of continuous service for each and every month thereafter. (Amended - B/L 6333)

(b) Where an employee has been employed for more than three years, they may, subject to the approval of the City Manager, be allowed sick leave absence for not more than thirty days at any one time in excess of their accumulated sick leave credit, as recorded in the register, provided that, such excess allowance shall be chargeable to and debited in the register against future sick leave credits to which the employee may become entitled. The decision of the City Manager disallowing an application for extension of sick

leave absence as foresaid, may be appealed to the Council. This paragraph shall not apply to a temporary employee. (Amended - B/L 4053)

(bb) Employees subject to The Police Act R.S.O. 1970 as amended, shall be entitled to accumulate sick leave credits after three (3) months of continuous service with the Corporation. (Amended by B/L 6333)

(c) Where an employee is absent due to an accident and is in receipt of Workmen's Compensation and the municipality makes up the twenty-five percent (25%) difference between such compensation allowance and their total salary or wage, their sick leave credit shall not be debited with one-quarter day for each day's absence. (Amended by By-law 1913).

(d) Where an employee is absent due to attendance at a military hospital for observation, examination or treatment in connection with any disability sustained by such employee as a result of military service, and the Municipality makes up the difference between the employee's normal salary or wages for such period of absence and any allowance or gratuity, other than for transportation and meals, received by the employee from the Department of Veterans Affairs while attending at such hospital, their sick leave credit, if any, shall be debited with the period of time determined by the ratio that the Municipality's supplemental payment bears to the employee's normal salary or wages for the period of absence. This paragraph shall not apply to a temporary employee. (B/L's 1165 & 2294).

(e) If an employee is absent from work for any period of time during which they are entitled to receive sick leave payments or is awarded compensation under The Workmen's Compensation Act, their normal accumulation of sick leave shall not be interrupted by reason of such absence. (Added - B/L 4053)

(f) Where an employee is on layoff, they are entitled to receive sick leave payments, as provided for in this by-law, for a maximum of fifteen (15) weeks for the period of their illness, or until the total number of accumulated sick leave credits have been used, whichever occurs first, provided that the absence began more than two months prior to the layoff and that no notice of layoff had been given prior to the commencement of the absence, provided that during the period of illness, the employee shall provide the Corporation with a medical certificate issued by a medical practitioner, on a weekly basis, certifying continuing illness. (Amended B/L 6333)

(g) Where an illness or injury commenced prior to a strike or lockout, an employee is entitled to receive sick leave payments as provided for in this by-law for the period of their illness or injury commenced prior to a strike or lockout, an employee is entitled to receive sick leave payments as provided for in this by-law for the period of their illness or injury for a maximum of fifteen (15) weeks or until the total number of accumulated sick leave credits have been used, whichever occurs first, provided that during the period of sickness or injury an employee shall be required to provide the Corporation

with a medical certificate issued by a medical practitioner, on a weekly basis, certifying continuing illness or injury. (Amended B/L 6333)

4. (a) An employee shall report their illness to their immediate superior during the first day on which such employee is absent from their work, and no later than one (1) hour prior to the commencement of their shift.

(b) Upon the return to work of an employee or during their absence if requested, the sick leave certificate, as set out in Form "A" which forms part of this by-law must be filed with the Treasurer, and where the absence has been in excess of three (3) days at one time the physician's portion of the certificate must also be completed as soon as practicable.

(c) The sick leave certificate, supported by a physician's certificate or other satisfactory evidence of illness, shall be required if requested by the City Treasurer. (By-law 2030)

(d) An employee absent for more than one month shall furnish immediately following such period, and each subsequent month, a certificate from their personal physician covering the nature of the illness, latest date of attendance and the probable date on which the employee will return to duty.

5. (a) Whenever the Treasurer disallows any application for sick leave credit, or sick leave absence for any employee, or does not make an entry in regard to such employee's sick leave credit, in accordance with the terms of this by-law, such employee may appeal against the decision or action of the Treasurer by filing with the City Manager a written notice of appeal within seven (7) days of the date of mailing or delivery to them of notice of the decision or action of the Treasurer. (B/L 3501)

(b) The City Manager shall be and is hereby empowered to hear such appeal and the City Manager, upon notice to all interested parties, may fix the time and place of the hearing of such appeal and may adopt such rules of procedure and practice as they in their sole discretion may determine. (B/L 3501)

(c) All notices of hearing of any such appeal shall be mailed or delivered to all parties concerned, not less than three (3) days prior to the date set by the City Manager for hearing any such appeal.

(d) The decision of the City Manager in respect to any such appeal shall be reported to the Treasurer and the Treasurer shall record the decision of the City Manager in the Register, and act upon it. (By-law 2030) (Amended by By-law 2007)

6. The Treasurer shall report monthly to the City Manager of the said Corporation all sick leave absences. (By-law 2030)

7. (a) Where an employee has heretofore accumulated sick leave credits under any plan established by the Corporation, the employee shall be entitled to credits equal in number to the sick leave credits so accumulated, in addition to any credits to which they may become entitled under the provisions of this by-law. (Amended B/L 4053)

(b) Upon the application of an employee who immediately prior to their employment by the Corporation was employed by another municipality or local board which has established a sick-leave plan under The Municipal Act or any other general or special Act, the total sick-leave credits standing to the credit of such employee in the plan of such municipality or local board shall be placed to the credit of such employee in the plan of the Corporation, provided that, such total credits shall not exceed the amount of the credits which could have been earned by such employee under the plan of the Corporation for the same term of employment. (B/L 4578)

8.
