6.06 Any step of the grievance procedure may be waived by mutual agreement in writing between the Employer and the Union.

6.07 **Grievance Mediation**

Prior to referring the grieved matter to Arbitration, either party may request that the dispute be submitted to a mutually agreeable mediator to attempt an amicable resolution. 7.03 During the probationary period, employees shall be entitled to all rights and privileges of this Agreement, except with respect to discharge. After the completion of the probationary period, seniority shall be effective from the original date of hire. Upon attaining permanent status, this effective date shall apply to an employee's hire date under Article 26 Temporary Contracts of Employment provided their service is continuous between contract and permanent status. Service shall be deemed continuous under this clause only where the employee obtains a permanent position while actively performing services under a temporary contract.

7.04 The probationary period of an employee may be extended if there is mutual agreement, between the Employer, the Union and the employee. Any extension shall be in writing to the employee and the Union, and shall specify the length of the extension.

- i. a reduction in the work force or;

- 8.02 Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, employees shall be laid off in the reverse order of their bargaining unit-wide seniority within their job classification. An employee about to be laid off may bump any employees with less seniority, providing the employee exercising the right is qualified to perform the work of the employee with less seniority.

- 8.03 Employees shall be recalled in order of their seniority provided the employee is qualified to perform the work.

- 8.04 New employees shall not be hired until those laid off have been given an opportunity of recall. An employee on recall shall notify the Employer of their

The Employer will meet individually with all first round lay off employees prior to any notices being posted. The Employer may then post a notice in the workplace setting out the name, seniority, job classification and proposed effective date for all employees or any of the potentially affected employees. If the employee has not had the opportunity to work the days as provided in this article, they shall be paid for the days for which work was not made available.
- (b) The Union shall be notified in advance of any pending layoffs within the bargaining unit.

8.06

Any member of the bargaining unit who is recalled to fill a temporary full-time position shall have all rights under the Collective Agreement, including Schedule "A". A member of the bargaining unit who is recalled to fill a temporary part-time position of less than twenty-one (21) hours per month shall not accumulate any service or seniority for any purpose under the Collective Agreement and shall not extend their recall rights by the period of time that they were recalled. An employee shall not forfeit their recall rights by refusing a temporary part-time position of less than twenty-one (21) hours per month.

8.07

Grievances concerning layoffs and recalls shall be initiated at Step No. 2 of the Grievance Procedure.

8.08

- i. The Employer shall give the Union a minimum of two (2) months notice in the event the Employer has determined a reduction in bargaining unit employees and/or closure of programs, services or supports; layoffs; restructuring; or any other initiative that would impact the job security of bargaining unit members.
- ii. The Employer shall meet with the Union within fifteen (15) working days of the notice at which time the Employer shall advise the Union of its plans.
- iii. The Employer and the Union will continue to meet on an ongoing regular basis to minimize impact on service.

ARTICLE 9 – DISCIPLINE AND DISCHARGE

- 9.01 When the Employer has decided to discipline an employee by means of a formal written letter (for clarity, this does not include counselling or non-disciplinary meetings), an employee called to appear before the Employer shall be accompanied by a representative of the Union if they so desire. The Union shall be provided with a copy of such letter. The employee shall be informed prior to the meeting that a Union representative may be present at the meeting.
- 9.02 In the event that an employee who has attained seniority is discharged and the employee feels that an injustice has been done, the case may be taken up as a grievance if a written statement of such grievance is lodged with the Executive Director within ten (10) working days after the employee is notified in writing of their discharge. Such grievance shall be taken up at Step 2 of the grievance procedure.
- 9.03 If the Employer is conducting an investigation into allegations made against an employee by a service user, the employee shall be advised of the nature of the allegations at the start of the meeting with the employee. In the event that the employee is suspended during the investigation the employee will be administratively suspended with pay during the first forty-five (45) days immediately following the commencement of such suspension. After such period, the employee's status will be converted to an unpaid administrative leave until the Employer determines otherwise. If there is no disciplinary action, there will be no loss of pay.

The Employer shall make reasonable efforts to conclude the investigation in a timely manner.

- 9.04 An employee who has not completed their probationary period may be discharged without just cause and at the sole discretion of the Employer.

ARTICLE 10 – LEAVE OF ABSENCE

- 10.01 For the purpose of this Agreement, a "leave of absence" is an authorization for an employee to be absent from work for a period of time, which has been approved by the Employer. Such leave shall be renewed each year, on request during their term of office. The Union shall reimburse the Employer for the cost of maintaining the employee's pay pension and benefits during such leave.

10.04 Union Leave

It is agreed that any employee covered by the Agreement, who is an officer of the Union, will be given every consideration to make it possible to attend all Union meetings, conventions, conferences and educationals, providing there is no additional expense to the Employer and that mutual arrangements have been made for their period of duty. The Employer will keep the employee whole with respect to wages and benefits and the Union will reimburse the Employer for the full cost of the wages and benefits.

10.05 Personal Leave

The Employer may grant leave of absence without pay, if the employee requests it in writing from the Employer, and if the leave is for good reason and does not unreasonably interfere with the efficient operation of the Agency, provided that if such leave is for a period in excess of three (3) months, except as otherwise provided in this Agreement, the employee will only be returned to employment when a position for which they are qualified becomes open.

10.07 Education Leave

- (a) An employee may be granted an unpaid Education Leave for varying periods up to one (1) year, which can be renewed by mutual agreement, to attend a recognized institution for additional or special studies in some field of education in which special preparation is needed to enable them to fill their present role more adequately, or to undertake studies in some field in order to provide a service which the Employer requires or is planning to provide.
- (b) The Employer will give consideration to requests for tuition reimbursement for Employer approved, work related, courses. The employee will submit their request, at least three (3) months prior to the date enrolment in the course is required, to the Executive

10.10 Notification of Leave of Absence

The Employer will notify the Union of any leave of absence. Upon request by the Union, the Employer and the Union will meet within one (1) week after the leave of absence has been granted to discuss if a temporary employee is required. The Employer shall then inform the Union of its decision concerning the hiring of a temporary employee.

10.11 Temporary Employees

A temporary employee shall not be hired to replace a member on leave if there are members of the bargaining unit on layoff who are qualified to perform the duties of the vacant position. Any qualified member on layoff, not including any probationary employee who has been terminated or discharged, shall be given the opportunity to fill the position.

10.12 Public Office Leave

RE: WORKLOAD MANAGEMENT

The Agency and the Union are committed to maintaining a workplace that demonstrates a sincere and continuing interest in the individual and collective well-being of all staff and recognizes the inherent worth of every employee. The Agency recognizes that the issue of workload is of concern to bargaining unit members. The Agency acknowledges the important role that the Union plays on behalf of its membership in participating in that ongoing review.

The Agency undertakes to utilize a variety of methods in an ongoing effort to effectively manage workload demands. The methods may include, but are not limited to the following:

PART I – Assessment of Employee Workload

The Manager shall ensure that a caseload review will occur each formal supervision session. Additionally, and in an effort to address individual workload issues, an employee may request a workload review by the immediate supervisor in accordance with this Letter. To distinguish between this review and the more informal discussions with a Manager, the request for a workload review must be in writing outlining specific issues. A meeting with the Manager and , employee will be held within 5 working days of the request unless another date is mutually agreed upon by all parties. The purpose of the meeting is to develop a plan to address workload issues including proposed solutions. The plan may involve action by either or both parties. The resolution(s) will also include appropriate time frames agreed upon by both parties. Any resolution(s) will be in writing and signed by all parties with a copy to the Director of Service and the Union. If the issues cannot be resolved, the Manager shall involve the Director of Service and the Union President or designate, to explore alternatives towards resolution(s) and provide a written response within 7 working days.

It is understood and agreed that this process should be carried out within the stated time limits and that the request for a workload review by an employee will not be considered a negative factor in performance evaluation.

In conducting the assessment of employee workload under this Part, the parties will have regard to the following thresholds averaged over a 2 month period, assessed on an individual basis:

Children in Care	- 16 to 18 active cases
Child and Family Well Being Worker	- 14 to 16 active cases

The Employer and the Union recognize that from time to time bargaining unit employees will be requested and expected to provide coverage for the work of other bargaining unit employees.

The number does not include cases slated for closure or transfer beyond 30 days after having been identified as such by the Program Manager.

Employees who are within the Authorization period shall not be required to maintain the same case load as Authorized workers.

Workload reviews will become a standing agenda item on the Employer Employee Relations Committee Agenda.

PART II – Employer Employee Relations Committee

1. The Employer will conduct workload reviews on a quarterly basis and will provide the results of the reviews to the Union through the Employer Employee Relations Committee.

This Letter of Understanding is attached to the Collective Agreement and shall be in effect for the duration of the agreement. The contents of this letter shall not be a difference between the parties and shall not be the subject matter of a grievance or arbitration except as follows: If either of the parties does not follow through on the process set out in Part I - Assessment of Employee Workload and Part II - Employer Employee Relations Committee or if either party does not follow through on written commitments made under Part I - Assessment of Employee Workload. Furthermore, if a grievance is referred to arbitration the scope of arbitral remedy shall be limited to ordering the specific undertakings that were not implemented.

APPENDIX “B”

RE: HUMAN RESOURCE ADJUSTMENT PLANS (HRAP)

- i. The framework Human Resources Adjustment Plan (HRAP) attached hereto as “Appendix B”, and which forms a part of this agreement, shall guide parties engaged in the integrations described therein if they agree to negotiate local HRAPs and ratify them during the term of this agreement.
- ii. HRAPs are intended to minimize adverse impacts during those integrations.

PREAMBLE

The Ministry of Children and Youth Services has made application for a regulation under the Public Sector Labour Relations Transition Act (PSLRTA) to ensure that mergers mandated by the Ministry are covered under PSLRTA. The parties herein agree to use their best efforts to effect a smooth transition in the best interests of clients and staff in the event of mergers during the life of this consensus agreement.

ARTICLE 1 – SCOPE AND PURPOSE

- 1.01 This document is intended to set out general guidelines and principles regarding child welfare sector integrations during the term of this agreement which are mandated by the Ministry and for which local Human Resources Adjustment Plans (HRAP) are required to be negotiated. Subject to the following terms, these principles will serve as the framework for the treatment of bargaining unit employees and will apply to subsequent negotiations with unions, as may be required, as part of an integration arising within the context of the Ontario Labour Relations Act (OLRA) or PSLRTA, whichever is applicable.
- 1.02 Employees who may be impacted by an integration are valued and are to be treated fairly and respectfully. The parties agree that they will make reasonable efforts to reduce any negative effect on employees as a result of an integration in accordance with the following.

ARTICLE 2 – GENERAL

- 2.01 Except as provided under applicable legislation, to the extent that a local HRAP conflicts with the terms of any subsisting collective agreements, the terms of the HRAP, where superior, shall prevail over the terms of the collective agreement. A local HRAP shall be negotiated where an integration takes place. When the employers and local unions affected by an integration agree to negotiate an HRAP, the provisions outlined herein shall be the minimum applicable to the integration and shall form the basis

for the HRAP.

- 2.02 The principles set out in this document do not and are not intended to replace or override any legislative rights and obligations including, but not limited to, those set out under the OLRA, PSLRTA, the Employment Standards Act, and collective agreement rights and provisions, as may apply.
- 2.03 When the local parties decide to negotiate a local HRAP, the Ministry shall assume the costs associated with the negotiation and implementation of said HRAP in its funding allocation to the Predecessor and Successor Employers including, but not limited to, costs in excess of current legislative or contractual obligations associated with Labour Adjustment Options, the Dispute Resolution Process, Salaries, Benefits and Pay Equity Adjustments.

ARTICLE 3 – DEFINITIONS

- 3.01 “Predecessor Employer” is defined as an agency designated as a Children’s Aid Society by the MCYS that is merged, amalgamated, transferred or discontinued in the course of an integration such that PSLRTA or the OLRA, if applicable to Children’s Aid Societies, would apply to it.
- 3.02 “Successor Employer” is defined as the merged or amalgamated Children’s Aid Society designated by the MCYS that results from integration and employs employees of a Predecessor Employer such that PSLRTA or the OLRA, if applicable to Children’s Aid Societies, would apply to it.
- 3.03 “Integration” is defined as the creation of a new agency designated as a Children’s Aid Society from a process which would give rise to the application of PSLRTA or the OLRA, if applicable to Children’s Aid Societies, including but not limited to the merger, amalgamation or transfer of existing child welfare employers.
- 3.04 “Local parties” is defined as the local trade union(s) and employers directly impacted by an integration.

ARTICLE 4 – SENIORITY

- 4.01 Seniority will be recognized as set out under PSLRTA. Seniority will be recognized for all purposes provided for in the respective collective agreements and the following principles will apply:
 - (a) Dovetailing of seniority shall prevail and all affected employees will transfer all service and seniority to the Successor Employer.

- (b) Employees who are working simultaneously at two employers prior to the integration shall transfer the seniority and service held at the employer from whom they are transferred. In the event that an employee is working simultaneously at two employers who both integrate with the same Successor Employer (and the employee is employed in both of the transferred programs), the employee shall receive the greater amount of seniority and service held at either Predecessor Employer.
- (c) Employees transferred to a Successor Employer due to an integration will not be required to complete a new probationary period, however they will be required to complete any probationary period they are serving as of the effective date of integration (or changeover date).

ARTICLE 5 – ACCESS TO WORK

5.01 Subject to Article 2, the process for identifying access to work when there is an integration shall be as follows:

- (a) The Successor Employer shall determine the number of staff required and will identify the classifications, skills, abilities and qualifications required.
- (b) The projected staffing needs of the Successor Employer, will be made known to all of the affected Unions.
- (c) Both the Predecessor and Successor Employers will provide to the affected Unions the seniority and service lists including job classifications and job descriptions related to the integration. These lists will be updated to reflect staffing changes as necessary and will be provided to the affected Unions.
- (d) Where there is more than one Predecessor Employer with a collective agreement which provides that seniority plays a role in determining which employees will be transferred to a Successor Employer, and those collective agreements contain different definitions of seniority, the local parties will agree on a common definition of seniority for that purpose. Employees at the predecessor employer(s) affected by the transfer of services or programs will be given the opportunity to move with their work, subject to staffing requirements set out in paragraph a), supra.
- (e) Should the Successor Employer and the affected Unions be unable to agree on the composition of the seniority lists either party may refer the matter to the Ontario Labour Relations Board as provided

under PSLRTA, if applicable or, alternatively, the parties may agree to have the dispute resolved under the Disputes Resolution Process herein.

- (f) For purposes of clarity, employees who were on layoff or approved leave of absence at the Predecessor Employer prior to, but not due to, the integration and who may be transferred to the Successor Employer will be included for purposes of placement on the aforementioned integrated seniority lists.
- (g) Unless otherwise provided in a collective agreement, the Successor Employer will honour the recall rights of any employee of a Predecessor Employer who is transferred to the Successor.

5.02 Employees on layoff or in receipt of notice of layoff due to the integration from the Predecessor Employer who are not transferred to the Successor Employer may apply for vacancies at the Successor Employer for which they would not otherwise have recall rights for a period of 18 months from layoff date. These applications will be considered after the Successor Employer's normal job posting procedure is completed and there are no successful applications, but before other external applications are considered.

5.03 In the event of layoffs by a Predecessor Employer resulting from an integration, the layoff, recall and displacement rights and entitlements under the respective collective agreement(s) of the Predecessor Employer will apply, unless the provisions of this agreement are superior.

ARTICLE 6 – BARGAINING UNIT REPRESENTATION

6.01 Upon an integration, Union representation rights with the Successor Employer will be determined in accordance with the processes set out in OLRA or PSLRTA, whichever is applicable.

ARTICLE 7 – LABOUR ADJUSTMENT OPTIONS

7.01 In the event of layoff due to an integration, the Employer shall lay off employees in the reverse order of their seniority within their classification, providing that those employees who remain on the job have the qualifications, skills and ability to perform the work.

7.02 An employee who is subject to permanent layoff shall have the following entitlements:

- (a) be placed on a recall list for eighteen (18) months from the date the actual layoff begins; or

- (b) accept the layoff, waive the right to recall, resign, and receive any termination and severance pay of two (2) weeks salary for each year of continuous service to a maximum of twenty-two (26) weeks' pay inclusive of obligations under the Employment Standards Act, 2000.

Nothing in this Article is intended to deprive an employee of any other options upon layoff that may be available to that employee under the applicable collective agreement.

ARTICLE 8 – TERMS OF EMPLOYMENT

- 8.01 Terms and conditions of employment including wages, insured benefits and pension, vacation entitlement, sick leave and long term disability benefits of employees transferred as a result of an integration shall be addressed through the process set out under PSLRTA or the OLRA, if applicable. The Local HRAP shall address transition issues related to disabled employees (short term or long term) of the Predecessor Employer, including those on WSIA benefits and modified work programs, who may be affected by the integration.
- 8.02 The Local HRAP shall include an article dealing with the qualifications required by the Successor Employer. Such agreement will address qualifications for existing employees including those deemed qualified. Employees shall be deemed qualified for their current classification, subject to legislative requirements.

ARTICLE 9 – DISPUTE RESOLUTION PROCESS

- 9.01 Disputes between an employer and a union covered by this framework that are unresolved, and which arise from the interpretation or application of a local HRAP negotiated in response to an integration, will be processed as follows:
 - (a) An arbitrator will be selected by mutual agreement of the parties within 30 days of the initial event giving rise to the dispute, failing which either party is free to apply to the Ministry of Labour for appointment of an arbitrator.
 - (b) Nothing prevents the particular parties to a dispute from agreeing to a substitute arbitrator for determination of that dispute only.
 - (c) Where the parties agree, the arbitrator may act as a “mediator-arbitrator”.

- (d) An arbitrator will have the same powers and authority as set out in section 48 of the OLRA. The arbitrator will not have the authority to add to, modify or delete any part of this Agreement, the locally negotiated HRAPs, or the applicable collective agreements.
- (e) The fees and expenses of the arbitrator shall be divided equally among the parties to the dispute.
- (f) Time limits may be extended in writing by mutual agreement.

ARTICLE 10 – TERM AND APPLICATION

- 10.01 The Term of this agreement is the same as the term of the CAS PDT Consensus Agreement.
- 10.02 The terms of this Framework HRAP are subject to approval by the principals of each party in accordance with their normal ratification procedures.
- 10.03 This Framework HRAP and any local HRAP will only apply to an integration if all of the local parties affected by the integration (i.e. Successor Employer, Predecessor Employer and Locals of the Successor and Predecessor Employer who have claims to successor rights) and who have ratified the PDT agreement.
