- 15.01 When a vacancy occurs or a new position is created, the Employer shall post a notice of the position on the Employer's website for a minimum period of five (5) working days so that all employees will know about the position and be able to submit an online application.

In the event of a job vacancy bulletin being issued during the summer vacation period (July or August), postings will go up on the Division's website, with notice to the Union President.
- 15.02
 - a) When choosing an applicant for a vacant position, where the necessary skills, qualifications and ability are relatively equal, seniority shall prevail.

- 16.02 In the event of lay-off, employees shall be laid off in reverse order of their seniority provided that those persons retained have the necessary skills, qualifications, and ability to perform the duties of those jobs maintained.
- a) In order to minimize the potentially disruptive nature of an Educational Assistant lay-off during the school year, an Educational Assistant who has received a lay-off notice during the school year may elect to:
 - i) Accept the lay-off and be recalled under the terms of the Collective Agreement or;
 - ii) Displace the most junior permanent Educational Assistant in the Division.
 - b) Where there are Educational Assistants who are on lay-off or who are laid off at the end of June, and there will not be sufficient positions in September for them all to be recalled, then the Employer will lay-off a sufficient number of the most junior Educational Assistants so as to enable the more senior Educational Assistants to be recalled in September.
 - c) Educational Assistants who receive a lay-off notice must declare their intention to displace a junior Educational Assistant within the first five (5) working days of receipt of the lay-off notice. It is agreed between the parties that failure to do so will mean that the Educational Assistant accepts lay-off at the end of the notice period.
- 16.03 Employees shall be recalled in order of their seniority provided that the person recalled has the necessary skills, qualifications, and ability to perform the duties of the job.
- 16.04 New employees shall not be hired if there are employees on lay-off with the necessary skills, qualifications, and ability to perform the work.
- 16.05 In the event of lay-off, every employee affected shall be given four (4) weeks' notice before the date on which they are to be laid off, and to the extent that such minimum notice is not given, the employee shall receive pay in lieu thereof.
- 16.06 Grievances concerning lay-offs and recalls shall be initiated at Step II of the grievance procedure.

- 16.07 Notwithstanding the provisions of Article 15.01, an Educational Assistant who normally works twenty-seven and one-half (27 ½) or more hours per week, and whose hours of work have been unilaterally reduced during the school year, shall, at the Educational Assistant's option, be deemed to have been laid off. An Educational Assistant accepting a position having fewer hours than their normal working day will be given primary consideration upon application when new positions become available having comparable hours.
- 16.08 All Educational Assistants laid off shall be placed on a recall list, with copy furnished to the Union, and shall be called back to work as required beginning with the most senior Educational Assistant and descending from there.
