ARTICLE 26 SEVERANCE PAY

- a) Subject to the conditions set out in Sections 26 (b) and 26 (f) inclusive, the Employer will provide severance pay equivalent to one (1) week's pay for each year of service to employees who are unable to continue in their jobs because of non-compensable injury or illness, mental or physical condition, or who become redundant due to the introduction of new methods, equipment or organization.
- b) The Employer will endeavor to place an employee referred to in Section 26 (a) in other work consistent with their mental or physical condition or other qualifications and will endeavor to provide any necessary training or retraining. Except for the situation referred to in Section 26 (c), should the employee refuse to be placed in such other work or to undergo training, they shall not be entitled to severance pay.

- c) Notwithstanding the provisions of Section 26 (b), an employee who becomes redundant due to the introduction of new methods, equipment, or organization, shall be entitled to severance pay if the only other work in which they can be placed or for which they can be trained falls within a lower rated classification than the job held by them at the time they became redundant.
- d) To become eligible for severance pay an employee must have completed not less than ten (10) years of continuous service in the employ of the Employer.

ARTICLE 28 EMPLOYER OBLIGATIONS TO EMPLOYEES

In recognition of the Employer's right to contract out work and in recognition of the Employer's obligation to their employees, the parties agree as follows:

- a) In the event the Employer wishes to examine the feasibility of contracting out work currently being done by bargaining unit employees then the following process will apply:
 - i) The Employer will provide the Union with an estimate of the cost of doing the work "in house".
 - ii) The Union may then provide the Employer with any suggestions on productivity improvements, cost or efficiency savings. In the event that the Union wishes to respond it will do so within ten (10) working days of receiving said cost estimate.
- b) Those employees with ten (10) or more years seniority will not lose their employment as a result of contracting out.
- c) The officers of the Local will provide a letter to the Council offering suggestions and incentives for doing work "in house" which is currently being contracted out.
- d) As a result of employees being displaced by the contracting out of their jobs, the parties agree there may be a need and/or opportunity for

- e) Employees who are displaced by the contracting out of their job and covered by number two (b) above, shall have the option of receiving severance pay at a rate of one (1) week's pay for each year of seniority to a maximum of ten (10) weeks upon severing their employee/employer relationship. The employee shall have up to three (3) months from the date of displacement to exercise their option. Severance pay will be paid at the rate of the job the employee was displaced from.

This agreement unless changed by mutual consent of both parties hereto shall be in force and effect from and after the 1st day of January 2025 and up to and including, December 31, 2027, and thereafter from year to year unless either party to this Agreement gives notice to commence collective bargaining in accordance with the Labour Relations Code.
